

Please take immediate action to ban the sale of high capacity magazines and assault rifles and to require background checks for all gun purchases.

I live in Woodbury and I teach at Rochambeau Middle School in Southbury. We were on alert and in a "soft lockdown" that terrible day. For hours we did not know if a second shooter was still at large, and we are only 10 minutes away.

I'm prepared to lay down my life for my students. That is no longer an abstraction to me. Please make it less likely that I'll have to.

Thank you,
Deborah Frost
