

My name is Donna Savage, and I am a parent of two elementary children in the Wilton CT school district. I have 2 nieces in the Newtown school district and a sister in law who teaches 5th grade in the Newtown school system.

My family and I are in support of universal background checks for all gun owners, banning assault/automatic/semi-automatics, and banning high-caliber magazines.

We need a reasonable and responsible set of laws that keeps everyone safe.
