

**Chairman, Senators and Representatives,**

The Newtown tragedy was about mental illness, not guns. To hold voting, responsible gun owners liable for the criminally insane actions of another is just plain wrong. Legal gun owners across the country are being scapegoated. What worries me are these types of statements from our elected officials.

***"You never want a serious crisis to go to waste, it's an opportunity to do things that you could not do before."***

***-- Chicago Mayor Rahm Emanuel, strictest gun control city with the most violent crime. Up 38% with 506 people killed in 2012 alone.***

When you took your oath of office, YOU swore to uphold the U.S. Constitution, not erode it. Therefore, I am calling on YOU to do the right thing and not ban standard capacity magazines, semi automatic rifles or anything else that tramples on my 2nd Amendment Rights. My fellow gun owners and I are not the criminals here.

If you want to solve the problem, please take a serious looking at the below information and start there.

**Thank You.**

**It's a little easier to understand when you can see it in a list.....**
