

I live in Sandy Hook and attended the Wednesday meeting. Thank you all so very very much for coming to our hurting town. Following are some things I did not hear mentioned that I would like you to pursue. While the focus that night was on semi-automatic weapons, we know hand guns kill many more people.

PLEASE DO NOT BE SUCKERED, INTIMIDATED, BOUGHT OR SOLD A LINE OF GOODS BY MONEYED INTERESTS!!! BE AS SELFLESS AND BRAVE AS OUR DEAD TEACHERS. VOTERS WILL REWARD YOU.

PRO GUN ORGANIZATIONS, GUN MANUFACTURERS AND SELLERS ARE SIMPLY PRO PROFIT ORGANIZATIONS. PROFIT MUST NOT STAND BEFORE A CITIZEN'S SAFETY.

WE LOOK TO YOU WITH RESPECT AND THE DEEPEST DESIRE TO MAKE YOUR CONSTITUENTS SAFER.

Please:

1. Require gun manufacturers, marketers and interest groups to STOP MARKETING GUNS TO CHILDREN. They are marketed as fun fun fun for the family (AR-15). We have stricter laws for toys. We can do better.
2. Require gun manufacturers to make GUNS MORE TRACEABLE, i.e. serial numbers should be harder/impossible to remove.
3. Require gun manufacturers to design barrels to make unique marks on bullets so that BULLETS ARE MORE TRACEABLE.
4. Make gun owner LIABLE FOR ANY ACCIDENT OR CRIME COMMITTED WITH THEIR GUN.
5. LIMIT THE NUMBER OF GUNS AND BULLETS AN INDIVIDUAL CAN PURCHASE>
6. UNIVERSAL BACKGROUND CHECKS OF COURSE>
