

Dear Sir or Madame:

We definitely need stricter gun laws. Newtown cannot be repeated! There is no legally justifiable need for assault weapons, "machine guns", high capacity magazines, etc.... We need to protect our citizens and children. Even ONE life lost to a misused gun is too much!!! Put an end to it!!! Let's create safer neighborhoods. Act now. Outdated constitutional right to carry guns - it was a different time, and there are much different guns out there today. We need to address this issue.

Take action!

Thank you,

Ivanka Perisa
