

I SUPPORT THE LEGISLATIVE AGENDA PUT FORTH BY CAGV, WHICH INCLUDES: a ban on high capacity ammunition magazines (no grandfathering); a strengthening of assault weapons ban (no grandfathering); requirement of permits and universal background checks on ALL sales and transfers of guns, including long guns; requirement of registration of handguns with annual renewal; requirement of annual fee and annual background check for all handguns owned; requirement that the owner stipulate that the guns are still in their possession or explain how the gun was transferred to another person; require safety inspection every three years; making gun owners liable for negligent storage if any person gains access to firearms and injures himself or another person or causes damage to property - the violation would be a Class D felony; a ban on the right of way for transportation of firearms and ammunition bought over the Internet; taxing ammunition sales and requirement of a license/permit to purchase any gun or ammunition; restriction of handgun sales to one gun/month.
