

Good afternoon,

My name is Janet Neuner. I am a resident of Bethel CT. My husband and I attended the march on Washington this past Saturday January 26th.

I do not want CONTROL of anyone's guns. I do however, ask that you provide SAFETY for those of us surrounded by people carrying, housing, and using guns in our society. My requests are simple, non-threatening and just the first steps in ensuring that the massacre of babies and educators in Sandy Hook Elementary School, never happens again in America. Please fight for the following:

- Ban all assault-type, military grade weapons that enable a shooter to kill between 30 and 100 people in under a minute
- Ban all multi-bullet clips/magazines that
