

To whom it may concern,

I am a Fairfield resident and mother of a first grader and a third grader.

I support stronger background checks, banning assault/automatic/semi-automatics, and banning high-caliber magazines. I ask that you hear our voice as loudly as the opposition.

It should not be harder to purchase Sudafed or get a boating license vs buying a gun. Please submit my opinion to legislation.

Thank you,
Jennifer Martin
Fairfield, CT
