

I am the father of two children here in the state of Connecticut, my daughter and son, I would not know what to do without them. As for the beautiful innocent children in Newtown that lost their lives not enough apologies or prayers can be said.. With that said I do NOT agree that the strategy of blinding Americans with lies is the way to go, guns were NOT put in citizens hands for hunting purposes. It was for the known fact that with POWER comes CORRUPTION. The four fathers knew this, with the bill of rights and making our 2nd Amendment. We deserve that RIGHT, Our country's Heritages are based on our base values.. so please OPEN YOUR EYES, to the FACT that many people out there have MENTAL ISSUES that should never be allowed around any type of WEAPON. MAYBE ADDRESSING THE TRUE ISSUE, CHILDRENS MENTAL HEALTH SHOULD BE FOCUSED UPON, NOT DISARMING LAW ABIDING PEOPLE.

Thank you for reading my RANT, but my RIGHT is my RIGHT. I entrust myself to protect my family not a failing system
