LETTER BY A FLORIDA TEACHER

A TEACHER SPEAKS OUT

**This is a
Subject close to my heart. Do you know that we have
Adult students at the school where I teach who are NOT
U.S. Citizens and who get the PELL
Grant, which is a federal grant (no**

**Payback required) plus other federal grants to go
To school?**

**One student from the Dominican Republic
Told me that she didn't want me to find a job for her
After she finished my program, because she was getting
Housing from our housing department and
She was getting a PELL Grant which paid for her total
Tuition and books, plus money leftover.**

**She
Was looking into WAIT which gives students a CREDIT
CARD for gas to come to school, and into CARIBE which
Is a special program (check it out - I did) for
Immigrants and it pays for child
Care and all sorts of needs while they go to
School or training. The one student I just mentioned
Told me she was not going to be a U.S. Citizen because
She plans to return to the Dominican**
