

Dear Representatives:

As a law abiding citizen of the state of Connecticut, I implore you to uphold my Second Amendment rights. Please do not support any further gun control laws which will have no effect on criminals, and which will further cripple law abiding citizens.

I strongly believe based on statistics of gun-free cities vs. cities/countries where law abiding citizens are allowed and/or encouraged to bear arms and are schooled in self protection, that the most effective way to protect our lawful and innocent is by allowing us to keep ourselves safe.

Sincerely,
