

I write on my knees - literally and figuratively - begging for stricter gun control laws. There are so many reasons why this country needs them:

Jonesboro, Ark

Springfield, Ore

Columbine, CO

Red Lake Indian Reservation, MN

The Amish shootings - PA

Virginia Tech University

Sandy Hook, CT

Taft High School, CA

And those are just off the top of my head - there's Gabby Giffords, as well as the movie theater shooting in Colorado.

It's happened too many times. How many more lives need to be lost before it's decided that tougher gun control laws make a whole lot of sense?

Please, please, please....let's work together and make a change that will make our world a lot safer.
