

Dear committee members,

My name is Laura Ferris. I live in Stamford and am a mother of a 6 year old and a 4 year old. I was devastated by the massacre in Newtown. I feel it is our collective responsibility as the adults in our community to take action to ensure that our children (and all of us) live in a less violent world.

Please pass laws to ban assault rifles and high capacity magazines, to require background checks on every purchase of guns and ammunition, and to close loopholes enabling guns to be illegally trafficked between states.

Thank you,
Laura Ferris
