

Good morning,

My name is Lindsay Luck Duggan. I live at 28 Deer Path Road in Weston, CT. I am writing to voice my support for all of the following changes to Connecticut's laws.

1. I support a STRENGTHENING of the Assault Weapons Ban by REQUIRING that all weapons having military feature be BANNED. That existing weapons be destroyed, turned into law enforcement or removed from the state.
2. Ban large capacity ammunition magazines of more than 7 rounds and that existing magazines of more than 7 rounds be destroyed, turned in to law enforcement or removed from the state.
3. Require permits and universal background checks on ALL sales and transfers of guns, including long guns.
4. Require registration of handguns with annual renewal!
5. Make gun owners liable for negligent storage if any persons gains access to firearms and insures himself or another person or causes damage to property.
6. Ban the right of way for transportation of firearms and ammunition purchased over the internet.
7. Tax ammunition sales and require a license/permit to purchase any gun or ammunition.
8. Restrict handgun sales to one gun per month.

Thank you.
