

I strongly urge all CT legislators to please take a leadership role in doing what they can to stem the tide of gun violence and optimize gun safety.

Please work toward the following goals:

- * Strengthen background checks for ALL gun purchases
- * Prohibit the transfer, importation or possession of large capacity magazines (beyond 7 rounds)
- * Close all gun sales loopholes
- * Reinstate the ban on military-style assault weapons
- * Institute annual fees & annual renewals for guns/gun ownership and transfer tracking
- * Limit gun purchases to one per month.

Thank you for your time,
Liz Fox (Westport)
