

If only there could be a sensible dialogue between the multiple forces that contribute to gun worship in our country: gun lobby, gun manufacturers, gun shows, entertainment industry, AND mental health organizations, psychiatrists, psychologists, educational organizations, parents, churches, law enforcement.....ALL UNITED in the COMMON GOAL of EACH doing their part in making our culture, our society, our country HEALTHY, WISE and SAFE. Oh dear, if only.....

Marjory Reid, former teacher, Salisbury, CT.
