

Dear elected officials,

Please use common sense tomorrow. Don't use a tragedy to Strip law abiding gun owners of even more of our constitutional rights. Lanza stole the guns from his mother (illegal). Killed his mother (illegal). Took guns into a gun free zone (illegal) and killed 26 people (illegal). How does violating my 2nd amendment rights stop all these illegal acts? It won't. Nothing will bring those people back. My heart goes out to the family's who've lost loved ones. I'm a teacher with an 11 and 13 Year old. What happened was wrong but tuning law abiding citizens into criminals isn't going to help anybody. Guns are just tools. People are the killers. I've lived with guns all my life and none of them have ever caused a problem. This is not an easy problem to solve but gun owners have already done more than our share. Prosecute gun crimes instead of plea bargaining them away. A better mental health system. Armed guards in schools. Would all have more of an effect than banning a couple Pieces of steel.

Sincerely,
