To: Bipartisan Task Force on Gun Violence, Senators and State Representatives

Subject: SB 505- AN ACT CONCERNING THE MINIMUM AGE REQUIREMENT TO PURCHASE A RIFLE.

I do not agree with the entire contents of, or purpose of this bill.

If a person is mature enough to join the military and fight for his/her country at the age of 18, then they should be considered responsible enough to purchase and handle a rifle or shot gun.

In fact, I believe the age should be lowered back to 18 for a pistol permit.

This bill should not be passed.

Sincerely;
Michael Faucher
