

Dear Sir or Madam:

I am writing to express my opinions regarding the Bipartisan Task Force on Gun Violence.

I support the Second Amendment and it should not be altered.

I support stronger background checks for gun ownership and easier access to mandated mental health treatment.

I support stronger penalties for breaking our current laws regarding violent crimes and actually carrying out those penalties to their full extent.

I appreciate this opportunity to voice my opinion on this issue. Please, feel free to contact me at any time.

Sincerely,

Pam
