"Gun control? It's the best thing you can do for crooks and gangsters. I want you to have nothing. I'm a bad guy; I'm always gonna have a gun. Safety locks? You will pull the trigger with a lock on, and I'll pull the trigger. We'll see who wins." - Sammy "The Bull" Gravano

A person steals guns,(**WHICH IS AGAINST THE LAW**), shoots and kills his own mother (**WHICH IS AGAINST THE LAW**), transports these guns loaded (**WHICH IS AGAINST THE LAW**), brings guns onto school property (**WHICH IS AGAINST THE LAW**), breaks into the school (**WHICH IS AGAINST THE LAW**), discharges the weapons within city limits (**WHICH IS AGAINST THE LAW**), murders 26 people (**WHICH IS AGAINST THE LAW**), and commits suicide (**WHICH IS AGAINST THE LAW**).

And there are people in this country that somehow think passing ANOTHER LAW banning guns would protect us from someone like this. If you haven't noticed, people like this are not concerned about breaking laws - they only care about fulfilling their own twisted agenda.
The only people that a gun ban law would impact are the LAW ABIDING CITIZENS, which will only serve to cripple the ability to protect ourselves.

Should you want to contact you Federal and State legislators, I suggest the following:

1. Click on this link: www.nraila.org/get-involved-locally/grassroots/write-your-reps.aspx

2. Put in your Zip Code.

3. All of you Federal and State Representatives will show up.

4. Simple click on Federal and/or State (can't do both at once) and fill in boxes.

If there are any questions on how to do it, please call me and I'll walk you through it.
