

I'd like to submit the following testimony to help prevent gun violence.

- Limited round clips/cartridges that they contain no more than 10 bullets
- Full background checks for any gun purchases whether it's from a store, a gun show, or private sale
- Waiting period prior to the actual transaction to allow for discovery
- Assault weapons must be registered to the owner
- Carrying of a weapon that you are not the legal owner of is punishable by mandatory jail term and heavy fines. This should be minimally no less than the possession of crack or anything considered "hard" drugs.
- Guns must be kept locked up within living quarters
