

You stupid, bloody damn fools. You have attacked the state and federal constitutions. Those of you who voted for this will be lucky if you are elected as dog catchers. You are passing a law that flies in the face of Supreme court rulings. You know that the right to keep and bear arms is a core constitutional right as much as free speach and any other enumerated right in the bill or rights, and you have trashed it. From this point on your oaths are worthless and your name is Mudd.
