

Dear Sirs,

To be brief:

1.) I own several Hi-Standard target .22 caliber pistols.....some magazines hold more than 10 rounds.....

2.) I also own a Sig Sauer .40 caliber P229 pistol for personal protection; the standard magazine that comes with the pistol holds 12 rounds.....

Please do not make magazines holding more than 10 rounds illegal; that will make me an instant criminal; I don't want that to happen

Thank you,
