

Dear Sirs; In the wake of all the emotional reactions to the Newtown shootings, I hope you will help law abiding citizens keep our God given right to keep and bear arms. This was certainly a horrific act committed by Adam Lanza. Please remember that the guns were legally owned and purchased and that a madman somehow took them from his mother. Maybe the guns and ammo weren't properly locked away where Adam couldn't get them or maybe he tortured his mother in order to gain access to them. Hopefully we will find this out after the investigation is finished.

Either way, my rights or that of other law abiding (and sane) citizens should not be limited just to satisfy people who are out to ban guns regardless of the circumstances.

Gun safety awareness plus enforcing the laws already on the books would be a good place to start....

Respectfully,

Phillip Lovett
