

Proposed gun laws punish law abiding, tax paying gun owners for tragedies caused by mentally unstable people

Proposed gun laws do nothing to stop violence like in Newtown

Crime has soared in countries with strict gun control

The 2nd Amendment is in the Constitution for a reason!

Proposed gun laws don't take guns away from criminals. Enforce the present laws and prosecute the guilty

My 12 year old daughter has recently started skeet shooting with a team of other kids and is having a ball! These proposed laws would bring this great program to its knees.
