

Subcommittee members;

It has come to my attention that the following bills have recently been introduced in Connecticut in both the House as well as the Senate. Looking at all of these bills is mind blowing!! Please don't tell me this is about safety. I have been around a long time. I have been on both sides of this issue. I am going to say that you know darn well that this is only about control of the people. Why is it that Democrats are so hellbent on Gun control? I am 55 years old and as long as I can remember, it has been like this. And it is always under the false guise of safety. There are enough Gun Laws on the books already. Connecticut is ranked 5th with the strictest gun laws in the entire country. Enough already!! Go after the Criminals for crying out loud!! The gangs!! Leave us Law abiding Citizens alone. We are getting real tired of having our liberties stripped away piece by piece. While at the same time, The criminals and gang bangers get to have any weapon that they want and don't have to bother with any fees, registrations, insurances, taxes, forms, or any laws at all. Enough!!!! I am asking you to please break away from the "Party" and do the right thing. Please, I urge you to oppose /strike down any and all of the bills listed below as well as any other new firearm related bill that may be introduced. Also after going thru all of these proposals, It appears to me that some of these that are listed, sound pretty good, but they are redundant, they already exist! Remember, you took an oath. Please keep it. I feel that every single one of these bills listed below is a "infringement", which is a direct violation of both the 2nd amendment of the united States Constitution as well as Article 1, Section 15 of the State Of Connecticut Constitution. Thank you for taking the time to read this.
