To All Representatives,

I am a father and husband. I have four adult children, two teenagers and three grandchildren. I am OPPOSED ! to any further gun control / restrictions , acts of aggression on law abiding citizens. I Don't think punishing All those who had nothing to do with the Tragic and Horrific acts, that One, (1) deranged child with mental problems who Stole his mothers firearms and murdered her and then for some godforsaken reason went and killed 20 children and 5 adults at Sandy Hook School. These bills that call for bans and confiscation, making permit holders info. available to the public and others that have been proposed are out of order. And I urge you to take a breathe and look at what really happened. None of what has been proposed will stop Anyone who wants to commit such acts of horror. Lets leave the Brady Bunch out of this hearing and start listening to some common sense. Like put armed police/guards in our schools. And do more for our mentally ill. Make it easier for adults to get them the help they need. Lets educate children on gun safety. And lets All remember that we are Not a society bent on revenge. And we do Not ! punish those who have not or will not harm us. You wouldn't beat a good child, would You? So why are you going after the Good and Honest adults for exercising there rights. Also the cost of all of these bills if enacted, to confiscate and arrest and most likely shoot and kill a lot of those honest people you will be making criminals, with these over reaching laws. I think you had better look at the Big picture.

Thank You

Sincerely,

Robert N. Villanova
