

Dear Legislators,

I am sorry that I can't be there in person to share my thoughts but I would like to express my strongest support for changes to gun laws that prevent another Newtown-like massacre. This is NOT a partisan issue. There is NO debate. Weapons designed for war simply do NOT belong on our streets, and the solution is certainly NOT to have armed guards greeting our children in the morning in the lobby.

As a child of war in the Middle East, I came to this country for the freedom it offers. Please do not turn our schools, parks, grocery stores and neighborhoods into police states. More guns is NOT the answer. We will look back a decade from now and wonder HOW we could have let this go on for as long as it did. Enough is enough. Please put aside your D or R hat and wear your "P" hat and vote as a parent or future parent.

Thank you,

Shiva Sarram
