

Gun Violence Prevention Working Group,

I am a mother of two school-aged children in Newtown, CT.

I want all semi-automatic weapons banned from Connecticut. Currently held semi-automatic weapons would need to be turned in or removed from the state.

I want all magazines holding more than 7 bullets banned from Connecticut.

Require that gun owners buy liability insurance for their guns.

Require an annual fee and annual background check for all guns owned, much like we do for motor vehicles.

Prohibit internet gun and ammunition sales into CT, much like wine sales.

Require a waiting period for all gun sales.

Make gun trafficking a more serious offense.

Respectfully,
Sue Roman
