

Dear CT State Legislator,

I urge you to create and pass a bill supporting meaningful gun control .

I am a mother of 2 young children in Granby, Connecticut -- a town very much like Newton. They attended a school very much like Sandy Hook. The tragedy that happened at Sandy Hook could have happened at Kelly Lane School in Granby. It is time for reasonable people to stand up and say "ENOUGH!" There is no reason for any military style assault weapons. There is no reason to have large ammunition magazines. Gun control is not the only solution to the problems we face, but we must act now.

Sincerely,
