

Gun Violence can not be legislated away ,we need to find what causes it criminals will not abide by any laws passed .Regardless of any passed laws or restrictions placed on law abiding citizens if someone is intent on doing harm they will find a way to do it. As far as guns all gun purchases hand guns and long guns should be with a state pistol permit and background check. Right now a hunting license is sufficient to buy a shotgun or rifle including assault rifles .To obtain a hunting license you only need to attend the class wait for your certificate to arrive buy your hunting license and go buy whatever type of rifle you want . Mandatory background checks and requiring a pistol; permit to purchase any type of firearm
