I am submitting this to respectively voice my OPPOSITION to the following bill:

Number Title

HB- AN ACT CONCERNING THE DISCLOSURE OF THE NAMES AND ADDRESSES
5112 OF PERSONS HOLDING HANDGUN PERMITS.

My recommendation is that the bill noted above be rejected.

This bill should be rejected because it would allow for newspapers to print the names and addresses of those who hold permits, and therefore pistols. This would allow burglars to steal these pistols and revolvers. We have already seen this happen in New York.

I respectively ask that the bill shown above be rejected.

Respectfully submitted,

Michael Maddock
