

To the Ladies and gentlemen of the task force
From

First I would Like to thank you for your service and time. Ladies and gentlemen I would like to inform you of my NON- support for any further restrictions to law abiding gun owners in this stat. Punishing us for a MENTALLY DERANGED individual is correct, moral, or AMERICAN. If we address the mental health issue we will help to solve this problem far better that restricting us lawful Citizens and constituents. Sorry I do not have time to go into detail further, but to say If you support any bills restricting us gun owners YOU HAVE LOST MY SUPPORT AND VOTE.

Thank you for your time
