Dear Mr. and Mrs. DeLuca,

I am a Lieutenant with the Waterbury Police Department and I am currently assigned to the Detective Bureau. The Waterbury Police Department received an anonymous third party complaint through written correspondence on June 12, 2007 which alleged domestic violence by Mark Colella against his wife, Casey Colella. I am investigating this complaint and so far I have been unable to corroborate these allegations, but recent media reports have stated that you may have information or evidence such as photos that support these claims. Please contact me if you have any information relevant to my investigation. I can be reached at 203-574-6941.

Respectfully Yours,

Lt. Chris Corbett
