Dear Attorney Raabe,

I have received your letter and the attached photographs. As part of my investigation I am requesting information to verify the authenticity of these photographs since Mr. DeLuca publicly stated to various media sources in early June 2007 that he destroyed the photographs depicting abuse at Casey's request. I am also requesting additional information regarding these photographs including when they were taken, what body parts are shown in the photos, and any information Mr. DeLuca has about the alleged physical abuse of Casey Reilly Colella. Please contact me with this information as soon as possible.

Respectfully Yours,

Lt. Chris Corbett
