BIPARTISAN COMMITTEE OF REVIEW

September 4, 2007

APPOINTMENTS MADE BY SENATOR LOUIS C. DELUCA

The following list contains all of the appointments made by Senator Louis C. DeLuca as Senate Minority Leader beginning in 2001 that are included in the database of legislative appointments maintained by the Legislative Library and the four caucuses as of August 31, 2007.

The list states: the name of the board, commission, or task force to which an individual was appointed; the required qualifications, if any; the appointee's name, town, and date of appointment; the date the term ends and its length; and the status of the appointment. Term endings noted as "coterminous" are scheduled to end on the same date as the term for which Senator DeLuca was elected or until a successor is appointed and qualified. "NA" means not applicable. A corresponding table in Excel format is available on the Bipartisan Committee of Review's website ([Connecticut General Assembly - Bipartisan Committee of Review](#)).
