**Message Body:**

We just recently purchased a puppy from All Pets Club in Wallingford. After searching humane societies and websites for pet rescues we visited this store. We saw an an adorable goldendoodle puppy. Although she was a a very shy you could tell she was well taken care of. We did shop around a little more that day but ultimately knew this would be our new puppy. She is healthy, vibrant, intelligent, and a joy to have in our lives. The folk at All Pets Club were wonderful during our adoption process and we are very lucky to have Gracie as part of our family. Please don't take away our right to choose where we adopt our new family member. Our puppy came from a breeder out of state and she is just perfect.
