HUNTE
Doing what's right.
5 & TUES

Introduction

The Hunte Corporation is the industry leader in animal welfare committed to the highest level of standards in the areas of:

1. Animal Husbandry
2. Genetics
3. Veterinary Practices
4. Nutrition
5. Compliance and Regulations

What Hunte Does

- Licensed Provider
- Purchase from the top of the line professional breeders who share our commitment to Animal Welfare.
- Visit and inspect our breeders on a regular basis
- Review USDA inspection reports before making purchasing decisions
- Sell and deliver to **ONLY** up market pet retail stores. Our customers share our commitment to quality and **MUST** be under Veterinary Supervision

Compliance / Animal Welfare Laws

- Compliant to all Federal (APHIS/USDA) and State regulatory agencies
- Operate legally in ALL states where we conduct business, including the great state of Connecticut
- Support and strenuously adhere to all applicable animal welfare laws

Partner with the American Kennel Club to promote responsible pet ownership

Hunte puppies are micro-chipped AND enrolled with a lifetime membership in AKC's recovery database, the largest of its kind in the world.

- 400,000 + reunions
- Training support included.

Pet Welfare Education Leader

- Hunte annually hosts the largest breeder educational conference in the world.
- In 2013 alone, 1400+ breeders signed up to attend.
- Breeders receive education from industry experts in a variety of fields relative to best practices, including but not limited to, genetics, regulations, veterinary care, nutrition, etc.

Transporting Puppies

- The Hunte Corporation spares no expense to insure that our puppies travel in world class vehicles. Our units have been specifically designed for one purpose only:

**The health, safety, care and comfort
of Hunte Puppies**

Invitation to Visit

- **3 minutes is insufficient time to fairly represent the Hunte organization.**
- **Andrew Hunte, founder of the Hunte Corporation, extends personal invitations to any / all members of the task force to visit our facility to see first hand what a world class operation looks like before making any decisions that could adversely impact legally operating businesses in Connecticut.**
