Subject: Puppy Mills

Hello... I am writing to support legislation to stop puppy mill puppies from being sold in Connecticut. It is inhuman treatment to the dogs having the puppies. It also breeds sick dogs... one I bought years ago at Puppies of Westport and she almost died. I was able to pay to have her saved but it is not something that I would want others to have to go through. It was heartbreaking to see a helpless puppy that was so sick. I hope this cause is pushed through!
