Please do not punish the pet store owners. We have been going to All Pets Club for a very long time. We bought 2 beautiful dogs from them, and they (the dogs) have been darling! We also have purchased many , many other pets from them as well. Their reputation can stand alone. Once again, please do not punish the store owners for bad breeders!

I urge you to protect our pets and our pet choice's in CT.

Regulate the breeders not the stores that sell them!

Thank you~
Mrs. Jodi Jamieson
