To whom this may concern,

Hello, my name is Maria Cermola, I am a CVT in CT. I got your info from Stella Drakoulis & Dr. Lamouthe. I also own/run my own very small animal rescue in CT called Hearts of Hope. I think it may be too late, but I wanted to see what I can do to help stop pet stores from selling pets and basically anything to help animals. I have worked at a few animal hospitals that have had to deal with pet store pets, so I know first hand how badly they are treated all around. If there is anything I can do please let me know. I look forward to hearing back from you. Thank you for everything you have done and continue to do to help.

Yours in rescue,

Maria
