Subject: Sale of Kittens and Puppies @ Pet Stores Resident of: SOUTHINGTON

Message Body:

The people and I mean responsible pet owners. Have the right to make their own decision when purchasing a puppy or kitten from the pet stores.

All pets have their first shots and have to be vaccinated.

So what's the problem.

Legislature has more important matters to take care of.

LET PET STORES CONTINUE TO HAVE THE RIGHT TO SELL KITTENS AND PUPPIES.
