I like to support, Pet-Choice. I am a frequent shopper at ALL PETS IN BRANFORD, CT. and always watch ALL their Babies, in how they are handled and cared for.

They take the time and MUCH care into taking care of the Animals, and very CLEAN and truly look out for the pets best interest. They are very strict in who they allow them to go home to. Its truly like adopting a child!

If you take away places like ALL PETS CLUB, then you're taking away, the chance for animals to have a good home & a healthy life.

Don't allow these beautiful Babies, to be handled by Black market type of forums.

ALL ANIMALS Should Have A Chance To A Happy & Healthy Life, with PEOPLE who can CARE for them and afford their needs.

If you take this away, you are PROMOTING others to sell pets, in inhumane conditions.

At least I know, that these pets from ALL PETSCLUB, are coming from an OWNER who TRULY CARES & LOVES ALL HIS BABIES!

Those who testify against, them are those who truly have no heart.

Love & Blessings to All PETS CLUB.....I will be there to shop and check out the Babies today!
