

To whom, Reduce personal property tax, add tolls to Rt 95 and 91 to reduce the gas tax. You have killed the middle class by costing way too much to live here. Look how great this state was in 1980 with revenue surpluses. I cannot sell my house because there are so few families moving here. Should close the Chester Elementary school due to declining enrollment and elsewhere. Giving breaks and tax incentives to businesses does not help because you give no breaks to the employees who cannot afford to live here. The southeast is in terrible shape, stop focusing on just Fairfield County.
