September 14, 2016
Connecticut Health Data Collaborative Working Group

Senator Joan Hartley, Commerce Committee, Co-Chair

and

Joe McGee, Connecticut Commission on Economic Competitiveness, Co-Chair
Plan for the Day

• Welcome and Logistics
• Background
• Introductions
• Themes
  (break)
• Opportunities
• Next Steps
Background

- Established by Special Act 16-20
- Commerce Committee
- Industry led solutions
- Members: passion and commitment
- Charge: Status update by January 15th
Introductions:

- Name
- Organization
- Your role
- What are your expectations?
Themes

• Healthcare IT is a major economic driver in CT

• CT has vast resources that are underutilized and siloed

• Transition to a value-based healthcare system is underway
Themes

• Sharing health data across systems is critical:
  o Open access to patient imaging records
  o Open access to pharmaceutical records
  o Open access to patient data

• Precision medicine has enormous potential
Themes

• Health literacy is vital for effective patient care

• Improving population health and achieving health equity particularly challenging in CT

• Securing patient medical records continues to be a vulnerability
Where are the opportunities?

THREE AREAS OF POTENTIAL FOCUS

• Building Connecticut’s capacity for personalized and precision medicine

• Create a Connecticut Health Data Collaborative that shares data across health systems

• Increasing participation rates in prevention and wellness programs
Next Steps

• Who is missing?

• What do we need to know?

• Document archive and public access:

  Finance/Commission on Economic Competitiveness
