Institutional History

Three Rivers Community College is a commuter college that serves Southeastern Connecticut and eastern regions of the state with a variety of credit and non-credit degree and certificate programs designed to meet the dynamic needs of our learning community. The college's core hours of operation are Monday through Friday, 8:30 - 5:00 PM.

Three Rivers was formed in 1992 by a mandate from the Connecticut General Assembly which merged community and technical colleges in five geographic areas around Connecticut. Named in recognition of the region's three primary rivers– the Shetucket, the Yantic and the Thames, Three Rivers Community College, now at a single location, was formed from the merger of Mohegan Community College and Thames Valley State Technical College.

In 2003, the Connecticut State Legislature formally announced and approved $75 million for the renovation and consolidation of Three Rivers Community College at the Thames Valley campus. The college has undergone major changes over the past few years which allow it to better fulfill its mission of providing affordable and accessible educational opportunities that meet the diverse educational needs of our community.

In addition to the main campus at 574 New London Turnpike, the college also has an off-campus instructional center located at the Naval Submarine Base in Groton.

Our student population consisting of more than 5,000 enrolled students each semester and 2,500 Continuing Education students each year continues to grow. Through the integration of technical, career, and liberal arts programs within the college, Three Rivers' students are able to move with greater ease from one program to another.

The 1 disclosure of Stalking involved two couples; they met with the Director of Student Success, apologized, and agreed to avoid each other.

The 5 disclosures of Intimate Partner Violence include 2 incidents for which the previous Title IX Coordinator only recorded the complainant's names and that the incidents were domestic violence. A third incident in this category was from a student who had been physically abused by her mother's boyfriend at home and became homeless; at the time of her disclosure, she was working with 211 and her therapist to secure housing. The fourth case involved a student who was being assaulted by her fiancé, who was not a student; the complainant did not want the college to take action. The fifth case involved two active students who were separating after eleven years and two children; the complainant was working with Safe Futures.

• Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

While VAWA's definition is criticized as implying that victims can prevent sexual violence by participating in risk reduction programs, it is still helpful in categorizing institution's sexual violence programs and initiatives for reporting purposes. Examples of risk reduction programs related to sexual violence include, but are not limited to: blue safety lights on campus, self-defense classes, safety tips, bystander intervention techniques, the buddy system, rape whistles, and related educational programing.

A **disclosure** is a communication of an incident of sexual violence not accompanied with a request for an investigation or adjudication, although there may be a request for accommodations and referral to services.

A **report** is a disclosure accompanied by an immediate request for an investigation and adjudication.
Board of Regents for Higher Education
Connecticut State Colleges and Universities

Policy Regarding

Sexual Misconduct Reporting, Support Services and Processes Policy

Statement of Policy
The Board of Regents for Higher Education (BOR) in conjunction with the Connecticut State Colleges and Universities (CSCU) is committed to insuring that each member of every BOR governed college and university community has the opportunity to participate fully in the process of education and development. The BOR and CSCU strive to maintain a safe and welcoming environment free from acts of sexual misconduct, intimate partner violence and stalking. It is the intent of the BOR and each of its colleges or universities to provide safety, privacy and support to victims of sexual misconduct and intimate partner violence.

The BOR strongly encourages victims to report any instance of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence, as an effective means of taking action by reporting such acts to the appropriate officials and pursuing criminal or disciplinary remedies, or both. The only way that action can be taken against anyone who violates another in such a manner is through reporting. Each and every BOR governed college and university shall provide those who report sexual misconduct with many supportive options, including referral to agencies that provide medical attention, counseling, legal services, advocacy, referrals and general information regarding sexual misconduct. Each and every BOR governed college and university will preserve the confidentiality of those who report sexual misconduct to the fullest extent possible and allowed by law. All BOR and CSCU employees, victim support persons and community victim advocates being consulted will make any limits of confidentiality clear before any disclosure of facts takes place. Other than confidential resources as defined above, in addition to employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all BOR and CSCU employees are required to immediately communicate to the institution's designated recipient any disclosure or report of sexual misconduct received from a student as well as communicate any disclosure or report of sexual misconduct the employee received from another employee when misconduct is related to the business of the institution.

Affirmative consent must be given by all parties before engaging in sexual activity. Affirmative consent means an active, clear and voluntary agreement by a person to engage in sexual activity with another person. Sexual misconduct, as defined herein, is a violation of BOR policies and, in addition, may subject an accused student or employee to criminal penalties. The BOR and each of its governed colleges and universities are committed to providing an environment free of personal offenses. Sexual relationships of any kind between staff/faculty and students are discouraged pursuant to BOR policy.

The Board of Regents for Higher Education hereby directs the Connecticut State Colleges and Universities to implement the Policy stated above pursuant to the following provisions:

Terms, Usage and Standards
Sexual Misconduct Reporting
Support Services and Processes Policy

**Consent** must be affirmed and given freely, willingly, and knowingly of each participant to desired sexual involvement. Consent is a mutually affirmative, conscious decision—indicated clearly by words or actions—to engage in mutually accepted sexual contact. Consent may be revoked at any time during the sexual activity by any person engaged in the activity.

Affirmative consent may never be assumed because there is no physical resistance or other negative response. A person who initially consents to sexual activity shall be deemed not to have affirmatively consented to any such activity which occurs after that consent is withdrawn. It is the responsibility of each person to assure that he or she has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that affirmative consent is sustained throughout the sexual activity. It shall not be a valid excuse to an alleged lack of affirmative consent that the student or employee responding to the alleged violation believed that the student reporting or disclosing the alleged violation consented to the activity (i) because the responding student or employee was intoxicated or reckless or failed to take reasonable steps to ascertain whether the student or employee reporting or disclosing the alleged violation affirmatively consented, or (ii) if the responding student or employee knew or should have known that the student or employee reporting or disclosing the alleged violation was unable to consent because the student or employee was unconscious, asleep, unable to communicate due to a mental or physical condition, or incapacitated due to the influence of drugs, alcohol or medication. The existence of a past or current dating or sexual relationship between the persons involved in the alleged violation shall not be determinative of a finding of affirmative consent.

**Report** of sexual misconduct is the receipt of a communication of an incident of sexual misconduct accompanied by a request for an investigation or adjudication by the institution.

**Disclosure** is the receipt of any communication of an incident of sexual misconduct that is not accompanied by a request for an investigation or adjudication by the institution.

**Sexual misconduct** includes engaging in any of the following behaviors:

(a) **Sexual harassment**, which can include any unwelcome sexual advance or request for sexual favors, or any conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education or employment; submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting the individual; or such conduct has the purpose or effect of substantially interfering with an individual’s academic or work performance or creating an intimidating, hostile or offensive educational or employment environment. Examples of conduct which may constitute sexual harassment include but are not limited to:

- sexual flirtation, touching, advances or propositions
- verbal abuse of a sexual nature
- pressure to engage in sexual activity
- graphic or suggestive comments about an individual’s dress or appearance
- use of sexually degrading words to describe an individual
- display of sexually suggestive objects, pictures or photographs
- sexual jokes

Approved by Board of Regents 1/15/2015, revised 6/16/2016
Sexual Misconduct Reporting
Support Services and Processes Policy

- stereotypic comments based upon gender
- threats, demands or suggestions that retention of one’s educational status is contingent upon toleration of or acquiescence in sexual advances.

Retaliation is prohibited and occurs when a person is subjected to an adverse employment or educational action because he or she made a complaint under this policy or assisted or participated in any manner in an investigation.

(b) **Sexual assault** shall include but is not limited to a sexual act directed against another person without the consent (as defined herein) of the other person or when that person is not capable of giving such consent.

Sexual assault is further defined in sections 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b and 53a-73a of the Connecticut General Statutes.

(c) **Sexual exploitation** occurs when a person takes non-consensual or abusive sexual advantage of another for anyone’s advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:

- Prostituting another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images, or information of an individual’s sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Going beyond the bounds of consent (for example, an individual who allows friends to hide in the closet to watch him or her having consensual sex);
- Engaging in non-consensual voyeurism;
- Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
- Exposing one’s genitals in non-consensual circumstances, or inducing another to expose his or her genitals; or
- Possessing, distributing, viewing or forcing others to view illegal pornography.

Sexual exploitation is further defined as a crime in Connecticut State Law.

(d) **Intimate partner, domestic and/or dating violence means** any physical or sexual harm against an individual by a current or former spouse of or person in a dating or cohabitating relationship with such individual that results from any action by such spouse or such person that may be classified as a sexual assault under section 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b or 53a-73a of the general statutes, stalking under section 53a-181c, 53a-181d or 53a-181e of the general statutes, or domestic or family violence as designated under section 46b-38h of the general statutes. This includes any physical or sexual harm against an individual by a current or former spouse or by a partner in a dating relationship that results from (1) sexual assault (2) sexual assault in a spousal or cohabiting relationship; (3) domestic violence; (4) sexual harassment (5) sexual exploitation, as such terms are defined in this policy.

As used in this definition, the term “contacting” includes, but is not limited to, communicating with (including internet communication via e-mail, instant message, on-line community or any other internet communication) or remaining in the physical presence of the other person.

Confidentiality
When a BOR governed college or university receives a report of sexual misconduct all reasonable steps will be taken by the appropriate CSCU officials to preserve the privacy of the reported victim while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of personally identifiable student information reported, which information is subject to privacy requirements of the Family Education Rights Privacy Act (FERPA), the institution also must fulfill its duty to protect the campus community.

Confidential resources are defined as follows: For the Universities, entities with statutory privilege, which include campus based counseling center, health center and pastoral counseling staff members whose official responsibilities include providing mental health counseling to members of the University community as well as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. For the Colleges, confidential resources are limited to entities with statutory privilege, such as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. The personnel of these centers and agencies are bound by state statutes and professional ethics from disclosing information about reports without written releases.

Approved by Board of Regents 1/15/2015, revised 6/16/2016
Information provided to a confidential resource by a victim of a sexual misconduct or the person reported to have been the victim of sexual misconduct cannot be disclosed legally to any other person without consent, except under very limited circumstances, such as an imminent threat of danger to self or others or if the reported victim is a minor. Therefore, for those who wish to obtain the fullest legal protections and disclose in full confidentiality, she/he must speak with a confidential resource. Each BOR governed college and university will provide a list of such confidential resources in the College or University’s geographic region to victims of sexual misconduct as well as publish these resources on-line and in various publications.

Where it is deemed necessary for the institution to take steps to protect the safety of the reported victim and/or other members of the campus community, the institution will seek to act in a manner so as not to compromise the privacy or confidentiality of the reported victim of sexual misconduct to the extent reasonably possible.

**Mandated Reporting by College and University Employees**

All employees are also required to communicate to the institution’s designated recipient (e.g., Title IX Coordinator) any disclosure or report of sexual misconduct received from an employee that impacts employment with the institution or is otherwise related to the business of the institution.

Upon receiving a disclosure or a report of sexual misconduct, employees are expected to supportively, compassionately and professionally offer academic and other accommodations and to provide a referral for support and other services.

Further, in accordance with Connecticut State law, with the exception of student employees, any paid administrator, faculty, staff, athletic director, athletic coach or athletic trainer who, in the ordinary course of their employment, has a reasonable cause to suspect or believe that a person under the age of 18 years has been abused or neglected, has been placed in imminent harm or has had a non-accidental injury is required by law and Board policy to report the incident within twelve hours to their immediate supervisor and to the Department of Children and Families.

Approved by Board of Regents 1/15/2015, revised 6/16/2016
Sexual Misconduct Reporting
Support Services and Processes Policy

Student Conduct Procedures
The Student Code of Conduct provides the procedures for the investigation, definitions of terms, and resolution of complaints regarding student conduct, including those involving sexual misconduct, as defined herein.

The Title IX Coordinator can assist in explaining the student conduct process. The Student Code of Conduct provides an equal, fair, and timely process (informal administrative resolution or a formal adjudication) for reported victims and accused students.

Reported victims of sexual misconduct shall have the opportunity to request that an investigation or disciplinary proceedings begin promptly; that such disciplinary proceedings shall be conducted by an official trained annually in issues relating to sexual misconduct and shall use the preponderance of the evidence (more likely than not) standard in making a determination concerning the alleged sexual misconduct.

Both the reported victim of sexual misconduct and the accused student are entitled to be accompanied to any meeting or proceeding relating to the allegation of sexual misconduct by an advisor or support person of their choice, provided the involvement of such advisor or support person does not result in the postponement or delay of such meeting as scheduled and provided such an advisor or support person may not directly address the Hearing Body, question witnesses or otherwise actively participate in the hearing process or other meeting pertaining to a report of sexual misconduct and each student shall have the opportunity to present evidence and witnesses on her/his behalf during any disciplinary proceeding.

Both the reported victim and accused student are entitled to be provided at the same time written notice of the results of any disciplinary proceeding, normally within one (1) business day after the conclusion of such proceeding, which notice shall include the following: the name of the accused student, the violation committed, if any, and any sanction imposed upon the accused student. Sanctions may range from a warning to expulsion, depending upon the behavior and its severity of the violation(s). The reported victim shall have the same right to request a review of the decision of any disciplinary proceeding in the same manner and on the same basis as shall the accused student; however, in such cases, if a review by any reported victim is granted, among the other actions that may be taken, the sanction of the disciplinary proceeding may also be increased. The reported victim and the accused student are entitled to be simultaneously provided written notice of any change in the results of any disciplinary proceeding prior to the time when the results become final as well as to be notified when such results become final.

In accordance with the Family Educational Rights and Privacy Act (FERPA), the accused student and the reported victim have the right to keep their identities confidential.

Dissemination of this Policy
Upon adoption by the Board all CSCU institutions shall, upon receipt, immediately post and maintain this policy at all times in an easily accessible manner on each institution’s website. This policy shall thereafter be annually provided to all Title IX Coordinators, campus law enforcement officers and security personnel, and other campus personnel. Further, this policy shall be presented at student
orientation and at student awareness and prevention trainings, and made broadly available at each campus. The policy shall be expanded upon by each institution to provide resources and contact information specific to their institution and geographic area as set forth above.
Policy on Consensual Relationships

BOR approved 11/21/13; annual distribution to employees required. Rescinds Connecticut State University System Policy regarding Consensual Relationships adopted pursuant to BR#05-13

The Board of Regents for Higher Education (BOR) of the Connecticut State Colleges and Universities’ respects that the educational mission of its institutions is founded on an atmosphere of mutual trust and respect between all members of the academic community. Faculty members, as well as those individuals upon whom the institution confers managerial, supervisory, or evaluative responsibilities, (including graduate assistants or undergraduate teaching assistants) carry a special responsibility to adhere to the highest ethical and professional standards and to avoid any actions that may appear to undermine this atmosphere of trust and respect and thereby hinder the institution’s educational mission.

Because of the inherent imbalance of power and need for trust, faculty members, supervisory staff, and those with evaluative authority should be aware that dating or sexual relationships that might be appropriate in other circumstances have inherent dangers when they occur between a staff member and a student as well as when they occur between a supervisor and employee.

Such relationships can create real conflicts, are susceptible to an appearance of exploitation, and can impair the trust and integrity of the teaching, coaching, or other supervisory or evaluative relationship and may cause a perception of favoritism or bias on the part of the staff. In addition, although these relationships may begin and remain consensual, they may easily be later characterized as non-consensual and could potentially lead to sexual harassment charges.

Policy

Prohibited

Between employee and student: Consensual romantic, dating, or sexual relationships between any employee and any student over whom that employee exercises direct or otherwise significant academic, supervisory, or evaluative authority or influence are prohibited at all State Universities and Colleges. The evaluative relationship can take a variety of forms, such as teacher to student, advisor to advisee, coach to athlete, supervisor to student employee, or similar relationship.

Strongly Discouraged

Between employee and student: Romantic, dating or sexual relationships between employees and students over whom said employee does not have supervisory or evaluative authority are strongly discouraged. Such relationships are not only susceptible to future conflicts of interest, but also may present the appearance of impropriety.

If this situation exists, no employee should agree to supervise or evaluate a student with whom he or she has, or formerly had, a consensual relationship. A faculty member should inform the Dean if such a student wishes to enroll in a credit bearing course that he or she is teaching so that alternate arrangements can be made. Nor should a faculty member direct the student’s independent study, internship, or thesis; participate in decisions regarding grades; or write letters of recommendation or reference.
Between employee and employee: BOR discourages employees with supervisory or evaluative authority from engaging in romantic, dating or sexual relationships with employees who they supervise or evaluate. If such a relationship exists or develops, the supervisory employee must notify his/her manager so that arrangements can be made for the unbiased supervision and evaluation of the employee. These situations are handled on a case-by-case basis and may require transfer or reassignment of one or more employees.

In the event of a Sexual Harassment Charge
Anyone who enters into a romantic, dating or sexual relationship where a professional power differential exists must realize that if a charge of sexual harassment is subsequently filed, it may be difficult to defend the charge by claiming that there was mutual consent. Employees could be held personally liable in a criminal or civil lawsuit.

Sanctions
All violations of this policy should be reported to Human Resources for investigation and appropriate administrative action, up to and including disciplinary action.
Policy Regarding Reporting Suspected Abuse or Neglect of a Child
BOR approved 1/17/14 and Revised 1/15/15; requires annual distribution to employees

The Board of Regents for Higher Education (BOR) of the Connecticut State Colleges and Universities (CSCU) accept that institutions of higher education foster educational opportunities for people under the age of 18 years. The BOR, in acknowledging the special care required for children, strives to the utmost to protect children on its campuses from any form of abuse or neglect.

Pursuant to state law, with the exception of student employees, any paid administrator, faculty, staff, athletic director, athletic coach or athletic trainer, collectively referred to as “mandatory reporters” who in the ordinary course of their employment has a reasonable cause to suspect or believe that a person under the age of 18 years has been abused or neglected, has been placed in imminent harm or has had a non-accidental injury is required to cause a report to be made to the Department of Children and Families within 12 hours of becoming aware or suspecting abuse, neglect or imminent harm to a child.

The BOR recognizes that each CSCU campus must be a safe and secure environment for children to grow and develop. Therefore, the BOR further requires mandatory reporters to report any witnessed or suspected abuse or neglect of a child on a CSCU campus to their immediate supervisor in addition to DCF. The supervisor must report the incident to their director or vice president who must then inform the campus President and the System Office Vice President for Human Resources or his/her designee.

If the director or vice president reasonably believes that a reportable incident has occurred, and, if the suspected perpetrator is a BOR or CSCU employee, he/she will immediately contact their Chief Human Resources Officer who shall assign an objective person to investigate the report. An employee under investigation may be placed on administrative leave pending the results of the investigation. Employees who report suspicions of abuse or neglect are protected from any disciplinary action unless the report is determined to have been maliciously made. An employee who fails to report, but is later determined to have had previous knowledge of the abuse, may be subject to discipline.

A report is required if there is reasonable cause to suspect that a person under the age of 18 is in imminent harm, has had non accidental injuries or has been abused or neglected. Reasonable cause to believe or suspect that child abuse has occurred is sufficient to make a report.

All staff designated as mandatory reporters are required to take the Department of Children and Families Mandated Reporter Training, either on-line or in person, and Mandated Reporter Training will be included in New Employee Orientation. Compliance with training will be monitored by each CSCU campus’s Department of Human Resources. A copy of this policy shall be disseminated annually to all employees.

Reasonable steps will be taken to preserve privacy while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of the information reported, which information may be subject to privacy requirements of the Family Education
Rights Privacy Act (FERPA), the institution also must fulfill its duty to protect the CSCU community and to assure that the appropriate disciplinary processes are implemented.

I. STUDENT CODE OF CONDUCT

PREAMBLE
Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. In line with this purpose, the Board of Regents for Higher Education ("BOR") in conjunction with the Connecticut State Colleges and Universities ("CSCU") has the duty to protect the freedoms of inquiry and expression, and furthermore, has the responsibility to encourage all of its members to develop the capacity for critical judgment in their sustained and independent search for truth.

CSCU has certain self-defined institutional values. Principal among these values is respect for the safety, dignity, rights, and individuality of each member of the CSCU Community. The opportunity to live, study, and work in an institution which values diverse intellectual and cultural perspectives and encourages discussion and debate about competing ideas in an atmosphere of civility is a basic component of quality higher education.

All members of CSCU must at all times govern their social and academic interactions with tolerance and mutual respect so that the students who pass through a CSCU door are enriched by these experiences and are prepared for full and enlightened participation in a multi-cultural society. Because of the BOR’s and CSCU’s commitment to principles of pluralism, mutual respect, and civility, certain activities are not acceptable on CSCU campuses. Acts of intolerance, of hatred or violence based on race, religion, sexual orientation or expression, disability, gender, age, or ethnic background are antithetical to the BOR’s and CSCU’s fundamental principles and values. It is the BOR’s and CSCU’s responsibility to protect our students' right to learn by establishing an environment of civility.

The disciplinary process is intended to be part of the educational mission of CSCU. Student disciplinary proceedings are not criminal proceedings and are not subject to court rules of procedure and evidence.

INTRODUCTION
This Student Code of Conduct (hereinafter the "Student Code" or "Code") is intended to present a clear statement of student rights and responsibilities established by the Board of Regents for Higher Education. The BOR has charged the President of the Board of Regents for Higher Education with developing procedures to protect those rights and to address the abdication of responsibilities in collaboration with the four State Universities, the twelve Community Colleges and Charter Oak State College. The Student Code describes the types of acts that are not acceptable in an academic community.

Disclaimer: This Code is neither a contract nor an offer of a contract between any BOR governed institution and any student. The provisions of this Code are subject to revision at any time.

An alleged violation of the Student Code shall be addressed in accordance with the Code of Conduct, even if the accused Student has withdrawn from the Institution prior to the completion of the disciplinary procedures.

The Student Code shall apply to Students and to University Student Organizations. The term "student" shall generally apply to the student as an individual and to a Student Organization as a
single entity. The officers or leaders of a particular Student Organization usually will be expected to represent the organization during the disciplinary process. Nothing in this Student Code shall preclude holding certain members of a Student Organization accountable for their individual acts committed in the context of or in association with the organization’s alleged violation of this Code.

2. Distribution of the Student Code: The Student Code shall be made readily available electronically and/or in a printed publication to students, faculty and staff. PART C: SCOPE OF AUTHORITY

A Student who is found responsible for engaging in conduct that violates the Student Code on any CSCU campus or on property controlled by the BOR or by any CSCU Affiliate or any CSCU sponsored function or event shall be subject to the sanctions described in this Code. The Student Code of Conduct also applies to online activities, where applicable. Students who attempt to engage in conduct that violates this Code, who knowingly encourage, aid or assist another person in engaging in such conduct, or who agree with another person, explicitly or otherwise, to engage in such conduct, may also be subject to disciplinary action.

Off-campus misconduct by University students may be subject to the jurisdiction of the University and addressed through its disciplinary procedures if one of the following conditions is met: (i) a Student engages in prohibited conduct at an official University event, at a University-sanctioned event, or at an event sponsored by a recognized University Student Organization; or (ii) a Student engages in prohibited conduct under such circumstances that reasonable grounds exist for believing that the Accused Student poses a threat to the life, health or safety of any member of the CSCU or to the property of the CSCU.

Community College students conduct is subject to the Code on campus and off-campus whenever such conduct impairs College-related activities or affairs of another member of the College community or creates a risk of harm to a member or members of the College community. Students must be aware that, as citizens, they are subject to all federal and state laws in addition to all CSCU regulations governing student conduct and responsibilities. Students do not relinquish their rights nor do they shed their responsibilities as citizens by becoming members of the CSCU Community. However, where a court of law has found a student to have violated the law, an institution has the right to impose the sanctions of this Code even though the conduct does not impair institution-related activities of another member of the university or college community and does not create a risk of harm to the college or university community. The decision to exercise this right will be in the sole discretion of the President of the impacted institution or his/her designee.
Charter Oak State College applies this Code to matriculated and non-matriculated students, including those participating in portfolio assessment, credential evaluation, testing, or contract learning. Jurisdiction shall be limited to student conduct that occurs while students are taking Charter Oak State College courses or availing themselves of Charter Oak State College services. However, if a matriculated Charter Oak State College student is found guilty of student misconduct at another institution, including but not limited to misrepresentation of records from other institutions, the student may be subject to disciplinary action at Charter Oak State College.

**PART D: PROHIBITED CONDUCT**

The following list of behaviors is intended to represent the types of acts that constitute violations of this Code.

1. Academic misconduct, which includes, but is not limited to, plagiarism and all forms of cheating.

   *Plagiarism* is defined as the submission of work by a student for academic credit as one’s own work of authorship which contains work of another author without appropriate attribution.

A person who initially consents to sexual activity shall be deemed not to have consented to any such activity which occurs after that consent is withdrawn. Consent cannot be assumed because there is no physical resistance or other negative response. A lack of consent may result from mental incapacity (e.g., ingestion of alcohol or drugs which significantly impair awareness or judgment) or physical incapacity (e.g., the person is unconscious or otherwise unable to communicate consent). Consent must be affirmative. (See Sexual Misconduct Reporting, Support Services and Processes Policy).

Sexual assault is further defined in sections 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b and 53a-73a of the Connecticut General Statutes.

(c) **Sexual exploitation** occurs when a person takes non-consensual or abusive sexual advantage of another for anyone’s advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:
• Prostituting another person;
• Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
• Non-consensual distribution of photos, other images, or information of an individual’s sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
• Going beyond the bounds of consent (such as letting your friends hide in the closet to watch you having consensual sex);
• Engaging in non-consensual voyeurism;
• Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
• Exposing one’s genitals in non-consensual circumstances, or inducing another to expose his or her genitals; or
• Possessing, distributing, viewing or forcing others to view illegal pornography.

6. Intimate partner violence is defined as:

• Including intimate partner violence, which is any physical or sexual harm against an individual by a current or former spouse or by a partner in a dating relationship that results from (1) sexual assault, as defined in section 5 above; (2) sexual assault in a spousal or cohabiting relationship; (3) domestic violence; (4) sexual harassment, as defined in section 5 above or, (5) sexual exploitation, as defined in section 5 above.
• Physical abuse, which can include but is not limited to, slapping, pulling hair or punching.
• Threat of abuse, which can include but is not limited to, threatening to hit, harm or use a weapon on another (whether victim or acquaintance, friend or family member of the victim) or other forms of verbal threat.
• Emotional abuse, which can include but is not limited to, damage to one’s property, driving recklessly to scare someone, name calling, threatening to hurt one’s family members or pets and humiliating another person.

7. Violations of privacy, including, but not limited to, voyeurism and the use of web-based, electronic or other devices to make a photographic, audio or video record of any person without his or her express consent, when such a recording is intended or likely to cause injury or distress. This includes, but is not limited to: (i) surreptitiously taking pictures or videos of another person in spaces such as sleeping areas, bathrooms, gymnasiums, locker rooms, and changing areas; and (ii) sexually exploiting another person by electronically recording or permitting others to view or electronically record, consensual sexual activity without a partner’s knowledge or permitting others to view or listen to such video or audio tapes without a partner’s knowledge and consent. Publicizing or threatening to publicize such records will also be considered a violation of this Code.

8. Hazing, which is defined as an act which endangers the mental or physical health or safety of a Student, or which destroys, damages, or removes public or private property for the purpose of initiation or admission into, affiliation with or as a condition for continued membership in a group or organization. The express or implied consent of the victim will not be a defense to an allegation of hazing. Consenting to the activity by remaining silent or not objecting in the presence of hazing is not a neutral act and is also a violation of this Student Code.
9. Stalking, which is defined as repeatedly contacting another person when:

a. The contacting person knows or should know that the contact is unwanted by the other person; and

b. The contact causes the other person reasonable apprehension of imminent physical harm or the contacting person knows or should know that the contact causes substantial impairment of the other person's ability to perform the activities of daily life.

As used in this definition, the term "contacting" includes, but is not limited to, communicating with (including internet communication via e-mail, instant message, on-line community or any other internet communication) or remaining in the physical presence of the other person.

10. Harassment, which is defined as conduct which is abusive or which interferes with a person's pursuit of his or her customary or usual affairs, including, but not limited to, such conduct when directed toward an individual or group because of race, ethnicity, ancestry, national origin, religion, gender, sexual orientation or expression, age, physical attribute, or physical or mental disability or disorder, including learning disabilities and mental retardation.

11. Conduct that is disorderly, lewd or indecent (including, but not limited to, public nudity and sexual activity in areas generally open to members of the campus community), breach of peace or aiding, abetting or procuring another person to breach the peace on CSCU premises or at functions sponsored by, or affiliated with the University or College.

12. Behavior or activity which endangers the health, safety, or well-being of oneself or others.

13. Offensive or disorderly conduct which causes interference, annoyance or alarm or recklessly creates a risk thereof at CSCU or CSCU premises, CSCU web or social media sites, at a CSCU-sponsored activity or in college or university courses, including cyber bullying. This offense does not apply to speech or other forms of constitutionally protected expression.

14. Unauthorized possession, duplication or use of keys (including, but not limited to, card access, card keys, fobs, etc.) to any CSCU premises or forcible and/or unauthorized entry on or into CSCU premises.

15. Starting fires, causing explosions, falsely reporting the presence of fire, bombs, incendiary or explosive devices, or falsely reporting an emergency.

16. Unauthorized or improper possession, use, removal, tampering or disabling of fire and/or safety equipment and warning devices, failure to follow standard fire and/or emergency safety procedures, or interference with firefighting or emergency response equipment or personnel.
17. Use, possession, purchase, sale or distribution of alcoholic beverages, except as expressly permitted by law and CSCU regulations. Alcoholic beverages may not, under any circumstances, be used by, possessed by, or distributed to any person under twenty-one (21) years of age.

18. Use, possession, purchase, sale, distribution or manufacturing of narcotics, controlled substances and/or drugs, including, but not limited to, marijuana and heroin, or drug paraphernalia, except as expressly permitted by law.

19. Use, possession or distribution of firearms, ammunition for firearms, other weapons or dangerous instruments, facsimiles of weapons or firearms, fireworks, explosives or dangerous chemicals. A dangerous instrument is any instrument, article or substance that, under the circumstances in which it is being utilized, is capable of causing death or serious physical injury. The possession of a deadly weapon or dangerous instrument on campus is strictly prohibited, even if such item is legally owned.

20. Gambling, including, but not limited to, promoting, wagering, receiving monies for wagering or gambling for money or property on CSCU premises.

21. Disruption or obstruction of any College or University function, activity or event, whether it occurs on or off the campus, or of any non-University or College function, activity or event which is authorized by the institution to occur on its premises.

22. Intentional obstruction of the free flow of pedestrian or vehicular traffic on CSCU premises or at University or College-sponsored or supervised functions or interference with entry into or exit from CSCU premises or with the free movement of any person.

23. Failure to comply with the directions of CSCU officials or law enforcement officers acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.

24. Conduct that violates published BOR/CSCU policies, rules, and regulations, including, but not limited to, residence hall rules and regulations.

25. Conduct prohibited by any federal, state, and/or local law, regulation or ordinance.

26. Unauthorized use of CSCU property or the property of members of the CSCU Community or of CSCU Affiliates.

27. Theft, unauthorized use, or abuse of University or College computers and/or peripheral systems and networks, including, but not limited to:

   a. Unauthorized access to CSCU computer programs or files;

   b. Unauthorized alteration, transfer or duplication of CSCU computer programs or files;

   c. Unauthorized use of another individual’s identification and/or password;
d. Deliberate disruption of the operation of CSCU computer systems and networks;

e. Use of the Institution’s computing facilities and resources in violation of copyright laws (including unauthorized peer-to-peer file sharing of copyrighted material, including, but not limited to, copyrighted music, movies, and software);

f. Use of computing facilities and resources to send obscene messages (which are defined as messages which appeal mainly to a prurient, shameful or morbid interest in nudity, sex, excretion, sadism or masochism, go well beyond customary limits of candor in describing or representing such matters, and are utterly without redeeming social value); and

g. Violation of the BOR Policy Statement on Acceptable and responsible use of Information Technology resources and/or any applicable BOR computer use policy.

28. Abuse of the CSCU conduct and disciplinary system, including but not limited to:

a. Failure to obey the notice from a Hearing Body or CSCU Official to appear for a meeting or hearing as part of the Student Conduct system;

b. Falsification, distortion, or intentional misrepresentation of information to a Disciplinary Officer or Conduct Administrator, or before a Hearing Body;

c. Initiation of a conduct or disciplinary proceeding knowingly without cause;

d. Disruption or interference with the orderly conduct of a disciplinary proceeding;

e. Attempting to discourage an individual’s proper participation in, or use of, the disciplinary system;

f. Attempting to influence the impartiality of a Disciplinary Officer, Conduct Administrator or member of a Hearing Body prior to, and/or during the course of, the disciplinary proceeding;

g. Harassment (verbal or physical) and/or intimidation of a Disciplinary Officer, Conduct Administrator, or member of a Hearing Body prior to, and/or during the course of the disciplinary proceeding;

h. Failure to comply with the sanction(s) imposed under the Student Code; and

i. Influencing or attempting to influence another person to commit an abuse of the disciplinary system.

PART E: HEARING PROCEDURES FOR SEXUAL MISCONDUCT, SEXUAL INTIMATE PARTNER, DOMESTIC VIOLENCE & STALKING REPORTS

In addition to disciplinary procedures applicable to State University students in Section II, Community College students in Section III, or Charter Oak State College Students in Section IV, for any hearing
conducted involving allegations of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence the reported victim and the accused student shall each have the following rights:

1. At any meeting or proceeding, both the reported victim and accused student may be accompanied by an advisor or support person of the student’s choice provided the advisor or support person does not cause a scheduled meeting or hearing to be delayed or postponed and provided an advisor or support person may not directly address the Hearing Body, question witnesses, or otherwise actively participate in the hearing process (or other proceeding or pertaining to a report of sexual misconduct);

2. The reported victim of sexual misconduct is entitled to request that disciplinary proceedings begin promptly;

3. Any hearing regarding an accusation of sexual misconduct shall (i) be fair, prompt and impartial; (ii) be conducted by a Hearing Body annually trained in issues relating to sexual misconduct (iii) use the preponderance of evidence (more likely than not) standard; (iv) shall allow both the accused student and reported victim the opportunity to present evidence and witnesses on their behalf during any disciplinary proceeding; (v) shall provide both the accused student and the reported victim with equal access to any information that will be used during meetings and hearings; and (vi) invoke the standard of “affirmative consent” in determining whether consent to engage in sexual activity was given by all persons who engaged in sexual activity.

4. In accordance with the Family Educational Rights and Privacy Act (FERPA), the accused student and the reported victim have the right to keep their identities confidential;

5. Any reported victim shall be provided written notice of the decision of the Hearing Body at the same time as the accused student, normally within one (1) business day after the conclusion of the Hearing. In accordance with the Family Educational Rights and Privacy Act (FERPA) the notice to any reported victim of sexual misconduct shall contain only the following: the name of the accused student, the violation committed, if any, and any sanction imposed against the accused student.

6. The reported victim shall have the same right to request a review of the decision of the Hearing Body (appeal rights) in the same manner and on the same basis as shall the accused student; however, if a request for review by a reported victim is determined to be properly made and if the review determines there is sufficient grounds for altering the decision of the Hearing Body, among the other actions that may be taken as set forth above, the sanction of the hearing may also be increased. Notwithstanding the foregoing, in any hearing pertaining to sexual misconduct both the reported victim and the accused student are entitled to be simultaneously provided notice of any change in the results of the hearing prior to the time when the results become final as well as to be notified when such results become final.

---

1The standard of “Affirmative Consent” is set forth in the BOR Sexual Misconduct Reporting, Support Services and Processes Policy and is incorporated herein by reference.
PART F: CONDUCT AND DISCIPLINARY RECORDS

The written decision resulting from an administrative conference or a hearing under this Code shall become part of the student’s educational record and shall be subject to the provisions of the Family Educational Rights and Privacy Act (FERPA). A student’s disciplinary record shall be maintained separately from any other academic or official file maintained by the Institution. Disciplinary records will be maintained for a period of five (5) years from the date of the incident, except that the sanction of expulsion shall be noted permanently.

While student education records are generally protected from disclosure by FERPA, there are a number of exceptions to this rule. Students should be aware that a record concerning his/her behavior while a student at the College or University may be shared with other colleges or universities to which the student may subsequently wish to transfer or be admitted. Similarly, prospective employers may require a student to provide access to his/her education records as part of the employment application process. A record of having been sanctioned for conduct that violates Section I.D. of the Code may disqualify a student for admission to another college or university, and may interfere with his/her selection for employment.

PART G: INTERPRETATION AND REVISION

Questions regarding the interpretation of this Code shall be referred to the University’s and Charter Oak State College’s Provost or a Community College’s Dean of Students or their designees for the administration of the Non-Academic Misconduct portion of the Student Code and to the University’s Vice President for Student Affairs, a Community College’s Dean of Academic Affairs or Charter Oak State College’s Provost or their designees for the administration of the Academic Misconduct portion of the Student Code.

This Code shall be reviewed and revised, if and as necessary, every five (5) years, or as directed by the President of the Board of Regents for Higher Education.
II. CONDUCT AND DISCIPLINARY PROCEDURES APPlicable to State University Students

Procedures for University students differ from those procedures applicable to either the Community Colleges or Charter Oak State College. This is due to the environmental, cultural, and administrative differences within the types of the institutions comprising CSCU. Procedures for addressing allegations and sanctions regarding academic misconduct (as defined in Section I.D.1) for University Students as set for in this Section II of the Code.

PART A: DISCIPLINARY PROCEDURES - ACADEMIC MISCONDUCT

1. Instructor's Role:
   When the instructor of record or his or her designee believes that an act of academic misconduct has occurred, he or she shall notify the student of the allegation and save any evidence of such misconduct in its original form. (Copies of the Accused Student's work will be provided to the Student upon request.) In addition, the instructor shall not transmit a final grade to the Registrar until such time as the allegation(s) of academic misconduct are finally determined. Each institution shall establish implementation guidelines in accordance with this Code.

2. Information from Person Other than Student's Instructor: Any member of the CSCU Community may provide information which might lead to a complaint against a Student alleging academic misconduct.

3. The Academic Misconduct Hearing Board: There shall be an academic misconduct hearing board convened by the University's Disciplinary Officer to consider allegations of academic misconduct lodged against a Student. The University's disciplinary officer shall be a non-voting member of the board and act as convener.

4. Hearing Process: The Accused Student shall be afforded adequate notice of the allegation, an opportunity to discuss the allegation with the instructor, and adequate time to request and prepare for a hearing. All parties shall have an opportunity to be heard and a record of the proceedings shall be made. The decision of a hearing board shall be communicated in writing.

5. Sanctions: If the academic misconduct hearing board determines that the Accused Student is "Not Responsible," the board shall not impose any sanctions. The board shall so advise the Student's instructor and the instructor shall reevaluate the student's course grade in light of the Board's determination. If the academic misconduct hearing board determines that the Accused Student is "Responsible," the academic sanction set forth in the instructor's course syllabus shall be imposed.

The academic misconduct hearing board may make a recommendation to change the academic sanction imposed by the instructor on the basis of its hearing of the evidence of academic misconduct. (Should the academic sanction not be changed pursuant to this recommendation, the University reserve the right to change the academic sanction.) Upon
consideration of the Accused Student's record of misconduct and/or the nature of the offense, the academic misconduct hearing board may impose additional non-academic sanctions in proportion to the severity of the misconduct. These sanctions may include the following: warning, written reprimand, discretionary sanctions, suspension and/or expulsion, as described in II.D of this Student Code of Conduct.

6. Appeals: The decision rendered by the academic misconduct hearing board may be appealed to the Provost/Academic Vice President, who shall review the record of the hearing, including any and all documents presented to the academic misconduct hearing board. An appeal shall be in writing and shall be delivered to the Provost/Academic Vice President within three (3) calendar days of receipt of the academic misconduct hearing board's written decision.

An appeal may be brought on any of four grounds: (a) a claim that error in the hearing procedure substantially affected the decision; (b) a claim that new evidence or information material to the case was not known at the time of the hearing; (c) a claim that the non-academic sanction(s) imposed were not appropriate for the violation of the Code for which the accused student was found responsible; and/or (d) a claim that the academic sanction imposed has resulted in a palpable injustice. The Provost/Academic Vice President shall have the right to deny an appeal not brought on any of the foregoing grounds. The decision rendered by the Provost/Academic Vice President shall be final and there shall be no further right of appeal.

PART B: DISCIPLINARY PROCEDURES - NONACADEMIC MISCONDUCT

The following procedures shall be followed in addressing allegations of non-academic misconduct.

1. Providing Information leading to a Complaint: Any person may provide information leading to the filing of a complaint against a Student or a Student Organization alleging a violation of the Student Code. A complaint must be made in writing and submitted to the University's Disciplinary Officer or Conduct Administrator.

2. Disciplinary Proceedings Against a Student Charged with a Violation of Law and a Violation of the Code: University proceedings may be instituted against an Accused Student who has been charged with a violation of state or federal law for conduct which also constitutes a potential violation of this Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following the institution of civil or criminal court proceedings against the Accused Student. Determinations made or sanctions imposed under this Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
3. **Disciplinary Proceedings Against a Student Charged with Sexual Assault, Sexual, Intimate Partner, Domestic Violence or Other Sex Related Offense:** See Section I.E

4. **Pre-Hearing Investigation and Administrative Disposition:**
   a. The Disciplinary Officer or Conduct Administrator may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the Accused Student and the Disciplinary Officer or Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Disciplinary Officer or Conduct Administrator may also present the case for the University at any subsequent hearing, but if he or she does, he or she shall not serve as a member of the Hearing Body.

   b. The Disciplinary Officer or Conduct Administrator may conduct an investigation to determine if there is reason to believe the student has committed a violation of any part of Section I.D. of the Code and, after considering both the possible violation and the prior conduct record of the student, if the Disciplinary Officer or Conduct Administrator determines that a sanction of less than residential hall separation or suspension or expulsion from the University is appropriate, the Disciplinary Officer or Conduct Administrator shall schedule an administrative conference with the student. The student shall be given reasonable notice of the time and place of the conference. At the administrative conference, the student shall have the opportunity to present information for the Disciplinary Officer's or Conduct Administrator's consideration. At the conclusion of the administrative conference, the Disciplinary Officer or Conduct Administrator shall determine whether it is more likely than not that the student has violated the Policy and, if so, impose a sanction less than residential hall separation, or suspension or expulsion from the University. The Disciplinary Officer or Conduct Administrator shall provide the student with a written explanation for the determination. The decision of the Disciplinary Officer or Conduct Administrator shall be final.

5. **Hearing Bodies:** A Student accused of misconduct has the right to be heard by an impartial Hearing Body. Any concern surrounding the impartiality of the Hearing Body or any member thereof will be referred to the Vice President for Student Affairs or his or her designee, who will review the matter and make a determination. Any Hearing regarding an accusation of sexual assault, sexual misconduct, intimate partner, domestic violence or other sex related offense or intimate partner violence shall be conducted by an impartial Hearing Body trained in issues relating to sexual assault, sexual violence, intimate partner, and domestic violence.

6. **Hearing Procedures:**
   a. **Notice of Hearing:** Normally, a hearing will be conducted within ten (10) calendar days of the Accused Student being notified of the charges. Notice may be provided to the Accused Student by in-hand delivery, by registered mail, with delivery receipt attached or by certified mail, return receipt requested by University email or by overnight delivery with signature of recipient required. Should the
Accused Student refuse to accept in-hand delivery, a written statement of the attempted delivery of the notice signed by the person attempting to make such delivery shall constitute notice. Should the Accused Student refuse to sign for registered or certified mail, the postal document indicating such refusal shall constitute notice.

The notice shall advise the Accused Student of each section of the Student Code alleged to have been violated and, with respect to each such section, a statement of the acts or omissions which are alleged to constitute a violation of the Code, including the approximate time when and the place where such acts or omissions allegedly occurred.

The Accused Student shall be afforded a reasonable period of time to prepare for the hearing, which period of time shall not be less than three (3) Calendar Days. The Accused Student, the Reporting Party and/or any alleged victim may request a delay of the hearing due to extenuating circumstances. Any decision to postpone the hearing shall be made by the Disciplinary Officer or Conduct Administrator or by the Hearing Body, or by the designee of the Vice President for Student Affairs.

b. Hearing: Hearings shall be closed, but the Hearing Body may, in its discretion, admit any person into the hearing room. The Hearing Body shall have the authority to discharge or to remove any person whose presence is deemed unnecessary or obstructive to the proceedings.

The Accused Student, the Reporting Party and any alleged victim shall have the right to be present at all stages of the hearing process except during the private deliberations of the Hearing Body and the presentation of sanctions. In hearings involving more than one Accused Student, the Hearing Body may determine that, in the interest of fairness, separate hearings should be convened.

In any Hearing alleging sexual assault, sexual, intimate partner, domestic violence or other sex related offense, any alleged victim and the Accused Student are entitled to:

1) be accompanied to any meeting or proceeding by an advisor or support person of their choice, provided that the advisor or support person does not cause a scheduled meeting to be delayed or postponed;
2) present evidence and witnesses on their behalf;
3) in accordance with the Family Educational Rights and Privacy Act (FERPA), to have their identities kept confidential.

In addition, the alleged victim of sexual assault, sexual, intimate partner, domestic violence or other sex related offense is entitled to request that disciplinary proceedings begin promptly.

c. Record of Hearing: When expulsion or suspension from the University or residence hall separation is a possibility, the University shall make a recording of the hearing. The recording shall be the property of the University. No other recordings shall be made by any person during the hearing. Upon request, the Accused Student may
review the recording in a designated University office in order to prepare for an appeal of the decision rendered by the Hearing Body. Further disclosure of the recording shall be governed by applicable state and federal law.

d. **Opportunity to Present a Defense:** The Accused Student shall have the full opportunity to present a defense and information, including the testimony of witnesses, in his or her behalf. The Reporting Party and the Accused Student may question the statements of any person who testifies in a manner deemed appropriate by the Hearing Body. The Reporting Party and the Accused Student may make concluding statements regarding the charges made and the information presented during the hearing. The Hearing Body may question the Accused Student and the Reporting Party, any witness presented by the Accused Student or the Reporting Party, and any other witness(e)s the Hearing Body may choose to call to testify.

e. **Accused Student Can Choose Whether or Not to Testify in His or Her Own Defense:** The Accused Student who is present at the hearing shall be advised by the Hearing Body that he or she is not required to testify, to answer questions, or to make any statement regarding the complaint or the allegations set forth in the complaint. Refusal to do so shall not be considered by the Hearing Body to constitute evidence of responsibility.

f. **Non-Appearance of Accused Student at Disciplinary Hearing:** If an Accused Student does not appear at a disciplinary hearing, the Hearing Body shall enter a plea of "not responsible" on behalf of such student and the hearing shall proceed in the normal manner of hearing evidence, weighing facts, and rendering judgment. The failure of an Accused Student to appear at the disciplinary hearing shall not be considered by the Hearing Body to constitute evidence of responsibility.

g. **Advisors and Support Persons:** The Reporting Party, any alleged victim, and the Accused Student shall each have the right to be accompanied by an Advisor and Support Person. The Advisor and the Support Person should be someone whose schedule allows attendance at the scheduled date and time for the disciplinary hearing because delays will not normally be allowed due to the scheduling conflicts of an Advisor or Support Person.

h. **Presentation of Evidence:** Only evidence introduced at the hearing itself may be considered by the Hearing Body in determining whether it is more likely than not that the alleged violation was committed by the accused student.

i. **Evidence of Prior Convictions or Disciplinary Actions:** Evidence of prior criminal convictions or University disciplinary actions may be presented to the Hearing Body only after a determination of responsibility has been made and only for consideration in connection with determining the sanction.

j. **Accommodation of Witnesses:** The Hearing Body may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Reporting Party, the Accused Student, and/or other witnesses during the hearing by providing separate facilities, by using a visual screen, and/or by permitting
participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Hearing Body to be appropriate.

k. **Written Notice of Decision:** The Accused Student shall receive written notice of the decision of the Hearing Body that shall set forth the decision rendered, including a finding of “responsible” or “not responsible,” and the sanctions imposed, if any. The decision of the Hearing Body, as well as the sanction(s) imposed, if any, generally will not be released to third parties without the prior written consent of the Accused Student. However, certain information may be released if and to the extent authorized by state or federal law.

With respect to Hearings alleging sexual assault, sexual, intimate partner, domestic violence or other sex related offense, any alleged victim shall receive written notice of the decision of the Hearing Body at the same time as the Accused Student, normally within one (1) business day after the conclusion of the Hearing.

In accordance with the Family Educational Rights and Privacy Act (FERPA) the notice to any alleged victim of sexual assault, sexual, intimate partner, domestic violence or other sex related offense shall contain only the following: the name of the student, the violation committed and any sanction imposed against the student.

6. **Review:** An Accused Student may request that the decision of the Hearing Body be reviewed by the Vice President for Student Affairs or his or her designee. A request for review must be made in writing to the Vice President for Student Affairs or his or her designee within three (3) Calendar Days of the Accused Student’s receipt of the written notice of decision. For good cause shown, the Vice President for Student Affairs may extend the three-University Calendar Day limitation on filing a request for a review. An Accused Student may request only one review of each decision rendered by the Hearing Body. A decision reached as a result of an Administrative Disposition may not be reviewed.

a. **Grounds for Review:** The Accused Student has the right to request a review of the decision of the Hearing Body on the grounds that: (i) the procedures set forth in this Code were not followed and, as a result, the decision was substantially affected; (ii) the sanction(s) imposed were not appropriate for the violation of the Code for which the Accused Student was found responsible; and/or (iii) new information, sufficient to alter the decision, or other relevant facts were not brought out in the original hearing because such information and/or facts were not known to the Accused Student at the time of the original hearing. The review shall be limited to a review of the record except as required to explain the basis of new information.

b. **Review Procedures:** In order to prepare for the review, the Accused Student may review the recording of the original hearing in a designated University office but will not be permitted to remove the recording from that office or make copies. The review will not be heard by anyone involved in the initial hearing. The review shall be considered and a decision rendered within ten (10) Calendar Days of the filing of the request for review.
If a request for review is granted, the matter shall be referred to the original Hearing Body for reconsideration of its original determination or to a newly-constituted Hearing Body for a new hearing, or the sanction imposed may be reduced, as appropriate. If a request is not granted, the matter shall be considered final and binding upon all involved.

c. **Status of Student Pending Review:** All sanctions imposed by the Hearing Body shall be and continue in effect pending the outcome of a review. Any request to delay the commencement of sanctions pending a review must be made by the Accused Student, in writing, to the Vice President for Student Affairs or his or her designee.

d. With respect only to Hearings related to sexual assault, sexual, intimate partner, domestic violence or other sex offense, the alleged victim shall have the same right to request a review in the same manner and on the same basis as shall the Accused Student as set forth above; however, in such cases, if a review by any alleged victim is granted, among the other actions that may be taken as set forth above, the sanction of the Hearing may also be increased.

Upon review, if the decision or sanction of the disciplinary proceeding is changed, any alleged victim must be notified in writing of the change in decision or sanction at the same time that the Accused Student is notified.

**PART C: INTERIM SUSPENSIONS AND RESIDENCE HALL SEPARATIONS**

In certain circumstances, the Vice President for Student Affairs, or his or her designee, may impose an interim suspension or residence hall separation on an Accused Student prior to the hearing before the Hearing Body.

1. **Basis for Imposition of Interim Suspension or Residence Hall Separation:** An interim suspension may be imposed upon an Accused Student only: (i) to ensure the safety and well-being of members of the University Community or preservation of University property; (ii) to ensure the Student’s own physical or emotional safety and well-being; or (iii) if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.

A residence hall separation may be imposed if a Student’s continued presence will disrupt the academic and social well-being of the residential community. Residence hall separation is the removal of a student from the University residence hall in which he or she resides. Such separation may include a restriction of access to all or designate University residence halls. During the period of the separation, the removed Student shall not be permitted to enter the designated hall(s) as a guest of another resident.

An interim suspension or residence hall separation is not a sanction and will continue in effect only until such time as a hearing on the alleged violation has been completed.
2. **Effect of Interim Suspension or Residence Hall Separation:** During the interim suspension or residence hall separation, the removed Student shall be denied access to the residence halls and/or to the campus (including classes) and/or all other University activities or privileges for which the Student might otherwise be eligible, as the Vice President for Student Affairs, or his or her designee, may determine to be appropriate.

3. **Procedure:** The Accused Student shall be notified, either orally or in writing, of the pending imposition of an interim suspension or residence hall separation. Whenever possible prior to the imposition of the interim suspension or suspension, the affected Student will be afforded an opportunity to meet with the Vice President for Student Affairs, or his or her designee. Otherwise, the meeting will be held on the first Calendar Day that the Student is available.

At that meeting, the Accused Student will be advised of his/her reported behavior and be offered the opportunity to provide information upon which the determination may be based whether or not the Student engaged in conduct warranting an interim suspension or residence hall separation.

Any Student placed on an interim suspension will be given an opportunity to appear at an administrative conference or a formal hearing on the misconduct charges lodged against him or her in accordance with II.B.5 of this Code within ten (10) Calendar Days of being placed on such suspension, or as soon as practical after the Accused Student is prepared to participate in such a hearing.

**PART D: DISCIPLINARY SANCTIONS**

Sanctions which may be imposed for violations of the Student Code are listed below. In determining appropriate sanctions, the Hearing Body may take into consideration any and all prior violations of the Code for which the Accused Student was determined to be responsible. The Hearing Body shall have the authority to defer the imposition of any sanction when deemed appropriate. The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code, including the completion of all sanctions imposed, if any.

1. **Sanctions Which May Be Imposed for Violations of the Code:** The following sanctions may be imposed, individually or in various combinations, on any student found to have violated the Student Code, and will be entered into the Student's disciplinary records. Notation of disciplinary sanctions shall be on file only in the appropriate office in the Division of Student Affairs and shall not be released without the written consent of the Student except to appropriate University enforcement personnel, University police, staff and administrators, or as required by law.

   a. **Warning:** A disciplinary warning is a written notice to a Student advising him or her that specific behavior or activity constitutes a violation of the Code and that the repetition of such behavior will likely result in the commencement of more serious disciplinary action by the University.
b. **Fine**: A sanction involving the imposition of a specified dollar amount due and payable by a specified date.

c. **Probation**: Disciplinary probation is a designated period of time during which a Student is given the opportunity to modify unacceptable behavior and/or to complete specific assignments in an effort to regain full student privileges within University Community. Disciplinary probation may involve the imposition of certain restrictions and/or conditions upon the Student including, but not limited to, financial restitution, community service, fines, referral for professional services such as counseling, participation in educational programs, parental notification under limited circumstances, and ineligibility to participate in University activities or events. Periodic contact with a designated member of the University Community or non-college professional may be required. If the Student fully complies with the terms and conditions imposed in connection with the disciplinary probation, full student privileges will be restored to the student upon termination of the probationary period. Failure to comply with the terms and conditions of the probation constitutes prohibited conduct that is separate from and in addition to the conduct for which the probation was imposed. A Student accused of violation of probation will be given due notice of the alleged violation and the procedures set forth in this Code shall be followed.

d. **Loss of Privileges**: Denial of specified privileges for a designated period.

e. **Restitution**: Compensation for loss, damage to real or personal property. This may take the form of appropriate service and/or monetary or material replacement.

f. **Discretionary Sanctions**: Work assignments, essays, service to the University, or other related discretionary assignments, referral for professional services such as counseling, participation in educational programs, parental notification under limited circumstances, and ineligibility to participate in University activities or events. Periodic contact with a designated member of the University Community or non-college professional may be required.

g. **Residence Hall Warning**: A written notice to a Student advising him or her that specific behavior or activity constitutes a violation of the Code and that the repetition of such behavior will likely result in the commencement of more serious disciplinary action by the University.

h. **Residence Hall Probation**: Residence hall probation is a designated period during which an Accused Student is given the opportunity to modify unacceptable behavior and/or to complete specific assignments in an effort to regain full student privileges within the residence hall in which the Student resides. Residence hall probation may include restrictions and/or conditions on the exercise of residence hall activities and privileges. Periodic contact with a designated member of the residence hall staff or professional may be required. If the Accused Student fully complies with the terms and conditions imposed in connection with the residence hall probation,
full residence hall privileges will be restored to the Student upon termination of the probationary period. Failure to comply with the terms and conditions of the probation constitutes prohibited conduct that is separate from and in addition to the conduct for which the probation was imposed. A Student accused of violation of probation will be given due notice and the procedures set forth in this Code shall be followed.

i. **Residence Hall Separation**: Separation of the Student from the residence halls for a definite period of time, after which the Student is eligible to return. Conditions for readmission may be specified.

j. **Residence Hall Expulsion**: Permanent separation of the Student from the residence halls.

k. **Suspension**: Suspension is temporary disciplinary separation from all universities among CSCU and the denial of all student privileges. Suspension shall be effective on the date that notice of the suspension is provided to the Accused Student, or later, if so stated in the notice, and shall prescribe the date and conditions upon which the Student may petition for readmission to the University. A Student separated from all universities within CSCU by suspension may under the terms of the suspension be excluded from the premises of all CSCU premises when in the judgment of the suspending authority, the Student’s continued presence would constitute a danger to persons or property or a threat to the academic process. Notwithstanding the foregoing, the suspending authority of the suspended Student’s home University or his or her designee may authorize a suspended student who has been excluded from all University premises to enter the premises of the student’s home University for designated purposes.

l. **Expulsion**: Expulsion is permanent disciplinary separation from all universities within CSCU and the denial of all student privileges. Expulsion shall be effective on the date that notice of expulsion is provided to the Accused Student, or later, if so stated in the notice. A student separated from all universities of CSCU by expulsion may under the terms of the expulsion be excluded from all CSCU Premises when in the judgment of the expelling authority the Student’s presence would constitute a danger to persons or property or a threat to the academic process.

2. **Revocation of Admission and/or Degree**: Upon the recommendation of the Hearing Body, admission to or a degree awarded from the University may be revoked by the University, acting through its President (or his or her designee) for fraud, misrepresentation, or other violation of University standards in obtaining admission or the degree.

3. **Consequences of Failure to Comply with a Duly Assigned Sanction**: Failure to comply with sanctions which have been assigned through a formal judicial process may lead to one or more of the following consequences:

a. Denial of access to certain university services, including, but not limited to housing and parking;
b. Denial of access to administrative processes, including, but not limited to, course add/drop, pre-registration, registration, and room selection; and/or

c. Withholding of the privilege of participation in university sponsored activities and/or public ceremonies, or formal disciplinary charges under II.B hereof.

4. Sanctions Which May Be Imposed on Student Organizations

a. Sanctions: Those sanctions listed in subsections 1.a through f of Section II.D.

b. Loss of recognition: Loss of recognition for a specified period of time results in the loss of privileges, such as the use of university space, access to student activity fee funding, and/or the privilege of functioning as a student organization. Loss of recognition for more than two (2) semesters shall require that an organization reapply for University recognition. Conditions for future recognition may be imposed by the hearing body.
III. CONDUCT AND DISCIPLINARY PROCEDURES APPLICABLE TO COMMUNITY COLLEGE STUDENTS

Procedures for Community College students differ from those procedures applicable to either the Universities or Charter Oak State College. This is due to the environmental, cultural and administrative differences within the types of the institutions comprising CSCU. Procedures for addressing allegations and sanctions regarding academic misconduct (as defined in Section I.D.1 above) for Community College Students as set for in this Section III of the Code.

PART A: DISCIPLINARY PROCEDURES (Academic and Non-Academic Misconduct)

In regard to College Students, the following procedures shall govern the enforcement of the Code:

1. Information that a student may have violated the Code should be submitted to the Dean of Students, Dean of Academic Affairs or other designee of the President (hereinafter referred to as “the Dean”), normally within thirty (30) calendar days of the date of a possible violation or within thirty (30) calendar days of the date that the facts constituting a possible violation were known.

2. Upon receipt of information relating to a possible violation, the Dean may immediately place restrictions on or suspend a student on an interim basis if, in the judgment of the Dean, the continued presence of the student at the College or continued participation in the full range of college activities poses a danger to persons or property or constitutes an ongoing threat of disrupting the academic process.

   a. “Interim restrictions” are limitations on the Student’s participation in certain College functions and activities, access to certain locations on campus or access to certain persons, that do not prevent the Student from continuing to pursue his/her academic program. A Student upon whom the Dean has placed interim restrictions shall be afforded written reasons for the restrictions, as well as the time period during which the interim restrictions shall apply. The decision of the Dean regarding interim restrictions shall be final.

   b. “Interim suspension” is the temporary separation of the Student from the College that involves the denial of all privileges, including entrance to College premises. Prior to imposing an interim suspension, the Dean shall make a good faith effort to meet with the Student. At this meeting, the Dean shall inform the Student of the information received and provide the Student an opportunity to present other information for the Dean’s consideration. Based upon the information available at that time, the Dean shall determine whether the Student’s continued presence on campus poses a danger to persons or property or constitutes an ongoing threat of disrupting the academic process. A Student suspended on an interim basis by the Dean shall be provided written reasons for the suspension and shall be entitled to an administrative conference or a hearing as soon as possible, normally within ten (10) calendar days from the date the interim suspension was imposed. The decision of the Dean regarding an interim suspension shall be final.

3. Following the imposition of interim restrictions or interim suspension, if any, the Dean shall promptly investigate the information received by meeting with individuals who may have knowledge of the matter, including the accused Student, and by reviewing all relevant documents.
If upon the conclusion of the Dean’s investigation, the Dean determines that there is insufficient reason to believe the Student has committed a violation of any part of Section I.D. of this Policy, the Dean shall dismiss the matter and shall so inform the Student in writing.

4. If upon the conclusion of the Dean’s investigation, the Dean determines that there is reason to believe the Student has committed a violation of any part of Section I.D. of this Code and, after considering both the possible violation and the prior conduct record of the Student, that a sanction of less than suspension or expulsion is appropriate, the Dean shall schedule an administrative conference with the Student. The Student shall be given reasonable notice of the time and place of the conference. At the administrative conference, the Student shall have the opportunity to present information for the Dean’s consideration. At the conclusion of the administrative conference, the Dean shall determine whether it is more likely than not that the Student has violated the Policy and, if so, impose a sanction less than suspension or expulsion. The Dean shall provide the Student with a written explanation for the determination. The decision of the Dean shall be final.

5. If upon the conclusion of the Dean’s investigation, the Dean determines that there is reason to believe the Student has committed a violation of any part of Section I.D. of this Code and, after considering both the violation and the prior conduct record of the Student, that a sanction of suspension or expulsion is appropriate, the Dean shall provide the Student with reasonable written notice of a meeting and shall inform the Student that his/her failure to attend the meeting or to respond to the notice may result in the imposition of the maximum permissible sanction. At the meeting, the Dean shall provide the Student with a written statement that shall include the following:

   a. a concise statement of the alleged facts;
   b. the provision(s) of Section I.D. that appear to have been violated;
   c. the maximum permissible sanction; and
   d. a statement that the student may resolve the matter by mutual agreement with the Dean, or may request a hearing by notifying the Dean in writing, which must be received by 5:00pm on the following business day.

6. If the Student requests a hearing, he/she is entitled to the following:
   a. to be heard within five (5) days or as soon as reasonably possible, by an impartial party or panel whose members shall be appointed by the Dean;
   b. if the Dean appoints an impartial panel, to have a Student on the panel if requested by the Student;
   c. to appear in person and to have an advisor who not shall attend as a representative of the Student. However, if there is pending at the time of the hearing a criminal matter pertaining to the same incident that is the subject of the hearing, a lawyer may be present for the sole purpose of observing the proceedings and advising the Student concerning the effect of the proceedings on the pending criminal matter;
   d. to hear and to question the information presented;
   e. to present information, to present witnesses, and to make a statement on his or her behalf; and
   f. to receive a written decision following the hearing.

7. As used herein, the term “impartial” shall mean that the individual was not a party to the incident under consideration and has no personal interest in the outcome of the proceedings. Prior to the
commencement of the hearing, the Student who is subject to the hearing may challenge the appointment of an impartial party or panel member on the ground that the person(s) is (are) not impartial. The challenge shall be made in writing to the Dean and shall contain the reasons for the assertion that the person(s) is (are) not impartial. The decision of the Dean shall be final.

8. The written decision of the impartial party or panel shall specify whether, based on the information presented, it is more likely than not that the Student committed the violation(s) reported and shall state the sanction to be imposed, if any. The written decision shall be provided to the Student.

9. Sanctions imposed by an impartial party or panel are effective immediately. The President may, for good cause, suspend imposition of the sanctions imposed by the impartial party or panel to allow the Student time to prepare a written request for review. If a written request is received, the President may continue to suspend imposition of the sanctions until he has reviewed and acted on the Student’s request.

10. A written request for review of the decision of the impartial party or panel must be received by the President within three (3) calendar days after the Student is notified of the decision and must clearly identify the grounds for review. The review by the President is limited to the record of the hearing, the written request, and any supporting documentation submitted with the request by the Student. The decision of the impartial party or the panel shall be upheld unless the President finds that:

   a. a violation of the procedures set forth herein significantly prejudiced the Student; and/or
   b. the information presented to the impartial party or panel was not substantial enough to justify the decision; and/or,
   c. the sanction(s) imposed was (were) disproportionate to the seriousness of the violation.

11. Decisions under this procedure shall be made only by the college officials indicated.

**PART B: DISCIPLINARY SANCTIONS**

The prior conduct record of a Student shall be considered in determining the appropriate sanction for a Student who has been found to have violated any part of Section l.D. of this Code. Sanctions shall be progressive in nature; that is, more serious sanctions may be imposed if warranted by the prior conduct record of the Student.

A “sanction” may be any action affecting the status of an individual as a Student taken by the College in response to a violation of this Policy, and for the purposes of this Section III of the Code include but are not limited to the following:

1. “Expulsion” is a permanent separation from the College that involves denial of all Student privileges, including entrance to College premises;

2. “Suspension” is a temporary separation from the College that involves denial of all Student privileges, including entrance to college premises for the duration of the suspension, and may include conditions for reinstatement;
3. “Removal of College Privileges” involves restrictions on Student access to certain locations, functions and/or activities but does not preclude the Student from continuing to pursue his/her academic program;

4. “Probation” is a status that indicates either (a) serious misconduct not warranting expulsion, suspension, or removal of College privileges, or (b) repetition of misconduct after a warning has been imposed;

5. A “Warning” is a written notice to the Student indicating that he or she has engaged in conduct that is in violation of Section I.D. of this Code and that any repetition of such conduct or other conduct that violates this Code is likely to result in more serious sanctions;

6. “Community Restitution” requires a Student to perform a number of hours of service on the campus or in the community at large.
IV. CONDUCT AND DISCIPLINARY PROCEDURES APPLICABLE TO CHARTER OAK STATE COLLEGE STUDENTS

Procedures for Charter Oak State College students differ from those procedures applicable to either the Community Colleges or the Universities. This is due to the environmental, cultural, and administrative differences within the types of the institutions comprising CSCU. Procedures for addressing allegations and sanctions regarding academic misconduct (as defined in Section I.D.1 above) for Charter Oak State College Students as set for in this Section IV of the Code.

In addition to the above-mentioned rights, a student who has been charged with a violation of the Student Code of Conduct shall have the right to:

1. Be notified of the proposed information to be presented and to know the identity of witnesses who have been called to speak at the hearing when the Chair of the disciplinary hearing knows such information.
2. Request an alternate hearing panel member when there is reasonable cause to believe that the hearing panel will be unable to conduct an impartial hearing.

5. Decline to give a personal statement.
6. Present Character Witnesses, if appropriate.
7. Receive a written notice of the sanction(s) imposed.
PART B: DISCIPLINARY PROCEDURES
The Administration and the Faculty of Charter Oak State College believe that all members of the academic community are entitled to expect compliance with Section I.D.1 Prohibited Conduct. Accordingly, any Student or employee of the College may initiate a disciplinary process in the manner specified by this section. Once the process has been initiated, all subsequent decisions concerning possible discipline of a Student or students rest with the appropriate College officials. The President shall designate the Provost or another College official to have responsibility for the disciplinary procedures.

1. A statement of possible violation must be filed in writing with the Provost within thirty (30) business days of the date of the alleged violation or within thirty (30) business days of the date the alleged violation was known. Said statement must specify the Student conduct in question and the part or parts of Section I.D.1 Prohibited Conduct, which it is alleged said conduct violates, if applicable.

2. If the Provost determines that the alleged conduct may violate the provisions of the Code or otherwise threatens the safety or order of the College, the Provost shall, within ten (10) business days of receiving a written statement, provide written notice to the Student of the statement of possible violation(s) and the fact that the allegations will be investigated. The investigation shall be conducted by the Provost and/or his or her designee(s), and may include but not be limited to interviews with witnesses, the complainant(s), and review of any pertinent materials and information, and shall include an interview with the Student suspected in engaging in misconduct conduct unless the Student suspected declines to be interviewed. The investigation shall be completed within thirty (30) business days of the Provost’s receipt of the written statement of possible violation. A record of the investigations will be maintained.

3. Following completion of the informal investigation specified above, the Provost will (a) determine that there is insufficient basis in fact and dismiss the matter or (b) conclude that there is a sufficient factual basis for discipline.

4. If the Provost determines there is a sufficient factual basis for moving forward with disciplinary proceedings, he or she shall cause a written statement of charges to be provided to the Student. Said statement shall contain (a) a concise statement of the facts on which the charge is based; (b) a citation of the rule or rules alleged to have been violated; (c) a statement of the maximum penalty sought; (d) a statement that the Student may request a hearing by responding in writing to the Provost within thirty (30) business days requesting such hearing; and (e) a statement that failure to request a hearing may result in imposition of the penalty sought.

5. If the Student requests a formal hearing, the Student is entitled to the following: (a) a hearing be conducted within thirty (30) business days after receipt by Provost of a written request for a hearing; (b) to be heard by an impartial panel chaired by the Dean of the Faculty or his/her designee and composed of no fewer than two members of the Charter Oak State College Faculty, one appointed by the Dean of the Faculty and one Student appointed by the Student Association; (c) to appear in person or through a conference call or other mutually agreed upon electronic means, or to have a representative attend on his/her behalf; (d) be accompanied by a support person during the hearing; (e) to hear and have a reasonable opportunity to question adverse witnesses and to present evidence and testimony in his/her behalf; and (f) to receive a written decision within ten (10) business days following the hearing specifying the panel’s
findings and the penalty assessed, if any. The hearing shall be taped and a record shall be maintained of this hearing.

6. Hearing: A hearing shall be conducted following the guidelines specified below:

**On-site:**

a. A hearing shall be conducted in private.
b. Admission of any person into the hearing room shall be at the discretion of the chair of the hearing body. The chair, who is the Dean of the Faculty or his/her designee, shall have the authority to discharge or to remove any person whose presence is deemed unnecessary or obstructive to the proceeding.
c. Except as directed by the chair, support persons shall limit their role in a hearing to that of a consultant to the accused, to the complainant or to the victim.
d. The complainant and the accused are responsible for presenting their respective witnesses, any additional information, and any concluding statements regarding the charges and the information.
e. In a manner deemed appropriate by the chair, the complainant and/or the accused may question the statements of any person who testifies.
f. The hearing panel may question any witness presented by the accused and the complainant, including the complainant and the accused as well as any other witnesses the chair may choose to call.
g. Pertinent records, exhibits, and written statements may be accepted as information for consideration by the Hearing Body at the discretion of the chair.
h. All procedural questions are subject to the final decision of the chair or the Provost.
i. After the hearing has concluded, the hearing panel, in private, will decide whether the Student charged with misconduct is in violation of the Student Code of Conduct. The Dean of the Faculty or his/her designee may participate in the discussion, but is a non-voting member. Only evidence introduced at the hearing shall be considered in the determination of the decision. Each decision shall be made on the basis of whether or not the information presented at the hearing substantiates the charges in a more likely than not manner.
j. If the panel finds that the student violated the Student Conduct Code, the panel, in private, shall review the Student's academic transcript and disciplinary record, hear a character witness, if appropriate, and impose the appropriate sanction(s). The decision of the panel will be provided in writing to the Provost. The decision and sanction will be sent to the student in writing by the Provost.
k. A taped record of the hearing will be maintained. The record shall be the property of the College.

**Via the Phone:**

a. For the accused or complainant who cannot attend in person, Charter Oak State College will set up a conference call.
b. Twenty-one (21) business days before the hearing, the Provost must receive all materials to be presented by the accused and by the complainant, including the names and relationships of the character witnesses and support persons. The Provost will send copies of the materials to the hearing panel, the accused, and
the complainant at least seven (7) business days before the hearing. The Provost will arrange for the conference call.

c. The procedures outlined in the "on-site" section will be followed, unless they specifically apply only to the on-site hearing.

d. Within ten (10) business days of the conclusion of the formal hearing, a Student may appeal the decision, in writing, to the President. An appeal shall be limited to a consideration of the verbatim record of the hearing and supporting documents for one or more of the following: a.) the process set forth in the guidelines was not followed and resulted in prejudice to the Student; b.) the evidence presented was insufficient to justify the decision; and c.) sanction(s) imposed was/were disproportionate to the gravity of the offense. The President may accept the decision of the hearing panel, overturn their decision, return the matter to the original hearing panel, or appoint a new hearing panel. The decision of the original hearing panel or the new hearing panel or the President will be sent to the Student in writing by the President and will be final.

e. During any appeal period, any sanctions will remain in place and the Student will not be allowed to participate in a graduation ceremony nor graduate until the review process has been completed and a final decision rendered.

PART C: INTERIM ADMINISTRATIVE ACTION

The President or his/her designee may impose an interim "College Suspension" and/or other necessary restrictions on a Student prior to a hearing on the Student's alleged violation. Such action may be taken when, in the professional judgment of the President or his/her designee, a threat of imminent harm to persons or property exists.

Interim Administrative Action is not a sanction. Rather, it is an action to protect the safety and well-being of an accused Student, or other members of the College community, or greater community or to protect property. Such action is in effect only until a hearing is completed.

PART D: DISCIPLINARY SANCTIONS

Disciplinary penalty shall mean any action affecting the status of an individual as a Student taken by the College in response to a Student's misconduct in violation of Section I.D.1 Prohibited Conduct above, which penalties shall include but not be limited to:

1. Warning - A written notice that the Student has violated College Policy and a warning that another violation will likely result in a more severe sanction.
2. Restitution - Compensation for loss of or damage to property.
3. Academic Sanctions
4. Suspension - Suspension is a temporary disciplinary separation from the College involving denial of all Student privileges, including entrance to College premises. A notation of "suspension" will be placed in the Student database but will not be placed on the Student transcript. Charter Oak State College will not accept credits earned at another institution or through any other means during a period of suspension. Suspensions shall range from one semester to two years.
5. Students who are suspended will receive no refund of tuition or fees.
6. A Student who has been suspended must apply for re-matriculation if he/she plans to return.
7. Expulsion - Expulsion is mandatory separation from the College involving denial of all Student privileges, including entrance to college premises for a minimum of 5 years.
After the length of the term for expulsion has expired, the Student may request in writing directed to the Provost permission to re-matriculate. That permission must indicate why Charter Oak State College should allow the Student to return.

8. Charter Oak State College will not accept credits earned at another institution or through any other means during a period of expulsion. A permanent notation of "Dismissed" shall be placed on the Student's transcript.

Failure to comply with requirements of Restitution or Academic Sanctions above will result in dismissal from the institution. The Student must complete the requirements of the sanction before he/she would be allowed to apply for readmission and/or graduate.

What is Sexual Misconduct?
To understand sexual misconduct, it's important to first understand consent.

Consent is a voluntary, sober, enthusiastic and mutual verbal agreement to sexual activity. Consent can never be assumed — it must be given every step of the way.

Consent is not...
- If someone says "no" repeatedly, but finally says "yes"
- If someone says nothing
- If someone is incapacitated by drugs or alcohol
- If someone uses a position of authority or power to force someone into saying "yes"

Sexual Misconduct may include...
- Sexual Harassment
  Unwelcome sexual advances, request, or jokes
- Sexual Assault
  Any sexual contact with a person who has not given or cannot give consent
- Sexual Exploitation
  Taking non-consensual advantage of a person for the benefit of others (prostituting a person, distributing images of a person, and more)
- Domestic / Intimate Partner Violence
  Physical or emotional abuse of a current or former partner
- Stalking
  Repeated and unwelcome following and/or contacting of a person, causing that person to fear for his or her safety

These are just some examples. If it feels wrong, it probably is wrong, and you're encouraged to come forward to get help.

Your Options Off-Campus

What is Sexual Misconduct?

Sexual Misconduct includes any sexual activity when any person present has not given his or her explicit consent to that activity. Consent is a voluntary, sober, enthusiastic, mutual and ONGOING agreement to sexual activity. New legislation adopted in 2015 defines consent as:

YES Means YES
⇒ NO means STOP RIGHT NOW
⇒ SILENCE means STOP RIGHT NOW
⇒ DRUNK/DRUGGED means STOP RIGHT NOW
⇒ PHYSICAL RESISTANCE means STOP RIGHT NOW

Sexual Misconduct may include:
⇒ Stalking: Repeated and unwelcome following and/or contacting someone, causing that person to fear for his or her safety or substantially impairing his or ability to perform the activities of daily life
⇒ Sexual Harassment: Unwelcome sexual advances, requests, or jokes
⇒ Sexual Assault: Any sexual contact with a person who has not given or cannot give consent
⇒ Domestic / Intimate Partner Violence: Physical or emotional abuse of a current or former partner
⇒ Sexual Exploitation: Taking non-consensual advantage of a person for the benefit of others (prostituting a person, distributing images of a person)

Your Rights

If you come forward and report sexual misconduct to an employee of the College:
⇒ All reports of sexual misconduct will be treated seriously and with dignity
⇒ You will be offered referrals to FREE & CONFIDENTIAL off-campus counseling and medical services
⇒ You have the right to request that the College take action against the offender if the offender is a student
⇒ You also have the right to take legal action (criminal or civil) against the alleged offender

Your Privacy

The College will always take all the reasonable steps to protect your privacy, but please understand that no college employee can promise confidentiality. All employees are required to report disclosed details of sexual misconduct to the Title IX Coordinator or Student Advocate. Information may also be shared with other authorized college employees who require it to perform their duties.

If a person under 18 years of age has been victimized, the college must report to the Department of Children and Families (DCF).

If you report, you can request that your identity not be revealed to the accused or others interviewed during the disciplinary process, but understand this may limit the action the college can take.
If you reveal an incident of Sexual Misconduct to...

A Professor, College Counselor, or Staff Member...

The Title IX Coordinator/Dean of Students...

This person will explain your options, offer resources, and advise you on how to proceed. These conversations are confidential, with few exceptions, so if you do not choose to take any further action, the process will end here.

An Off-Campus Crisis Counselor

Your request will be carefully considered to decide if taking no action would endanger the campus.

If you request no action...

If the College agrees not to take action, the Title IX Coordinator or the Dean may still request to investigate the incident to whatever extent possible, but the College's action will likely be limited.

If the College decides that it must take action, the investigation and disciplinary process will begin, and you will be informed before action is taken.

If you request action...

The Title IX Coordinator / or Dean will explain your rights, review your options, and ask what action you wish to take against the offender, if any.

Taking action may require sharing your name to investigate the incident.

An impartial investigator will be assigned to gather testimony from the reporter, the alleged offender, and any relevant witnesses.

The investigation is expected to take not more than 60 days.

If the investigator determines that the misconduct most likely did take place, and may warrant suspension or expulsion, a disciplinary hearing will be held to decide sanctions. For less severe misconduct, the Dean will determine appropriate sanctions.

Either way, the outcome will be provided to both parties in writing, and the process will end here, but you are encouraged to remain in touch so that the College can ensure your continued wellbeing.

Many options for your safety and comfort will be offered.

You will be assigned a victim advocate who will keep you informed and ensure your needs are met.

The Title IX Coordinator and the Dean may immediately restrict or suspend the alleged offender if his or her presence may be dangerous or disruptive.

If the College agrees not to take action, the Title IX Coordinator or the Dean may still request to investigate the incident to whatever extent possible, but the College's action will likely be limited.

If so, the process will end here, unless you choose to take action at a later time.

If the College decides that it must take action, the investigation and disciplinary process will begin, and you will be informed before action is taken.
Syllabus Materials

Context: It is strongly recommended that this material be included in the syllabus since it represents several progressive changes to the language describing protected classes. It would be acceptable to shrink the font of this material, or perhaps to include it as a sort of footer, but its representation somewhere in the syllabus will be useful in creating a coherent, institution-wide message of non-discrimination.

Non-Discrimination Statement

Three Rivers Community College does not discriminate on the basis of race, color, religious creed, age, sex, national origin, marital status, ancestry, present or past history of mental disorder, learning disability or physical disability, sexual orientation, gender identity and expression, or genetic information in its programs and activities. In addition, the College does not discriminate in employment on the basis of veteran status or criminal record.

The following person has been designated to handle inquiries regarding the non-discrimination policies:

Louise Summa
Three Rivers Community College
574 New London Turnpike Norwich, CT 06360
Room C-247; 860-215-9298
L.Summa@trcc.commnet.edu

Context: It is strongly recommended that all syllabi include a brief statement of our policy on sexual misconduct along with the contact information for our on-campus Title IX coordinator and a confidential, off-campus emergency contact number. The inclusion of this language is one of the many ways in which Three Rivers will endeavor towards making help for victims of sexual misconduct increasingly visible and accessible.

If any information were to be removed from these paragraphs for the sake of brevity, the most acceptable to remove would be the Title IX coordinator's contact information if it has been otherwise clearly presented. Since the hotline for the Sexual Assault Crisis Center is present in the text, the full contact information could also be removed, but its inclusion is recommended nonetheless.
Policy on Sexual Misconduct

Three Rivers strongly encourages all students to report any incidents of sexual misconduct, which includes, but is not limited to, sexual harassment, intimate partner violence, and sexual assault. Students have the right to the prompt and fair resolution of all claims, and the College will preserve the confidentiality of all who report to the fullest extent possible and allowed by law. College employees will explain the limits of confidentiality before information about the incident is revealed. To report sexual misconduct, or to learn more about your options, please contact the Title IX coordinator. If you need immediate, confidential assistance, please call the Sexual Assault Crisis Center of Eastern Connecticut hotline at (860) 437-7766.

Sexual Misconduct Resources and Education at Three Rivers

You have rights. You have choices. You have advocates.

These web pages are intended to provide all members of the Three Rivers Campus Community with resources to help better understand what sexual misconduct is, and what can be done if you or someone you know has suffered from any of its forms.

Policy

Three Rivers Community College will not tolerate any form of sex-based discrimination or sexual misconduct, which includes, but is not limited to, sexual harassment, intimate partner violence (domestic violence, dating partner violence), stalking, and sexual assault.

Three Rivers strongly encourages the reporting of all sexual misconduct. The only way that action can be taken against an offender is through reporting.

The College shall provide those who report sexual misconduct with many supportive options, including referrals to agencies that provide medical attention, counseling, legal services, and advocacy. Furthermore, the College strictly prohibits any form of retaliation against individuals involved in a report.

Three Rivers shall take all reasonable steps to preserve the privacy of those involved in a report, though complete confidentiality cannot be guaranteed due to the College's need to comply with relevant laws and to ensure the safety of the campus community. College employees are expected to make the limitations of reporters' privacy clear before any details are disclosed.

For more information, please review the Board of Regents' full policy on sexual misconduct and the Board of Regents' Student Code of Conduct.

Consensual Relationships

Because of the inherent imbalance of power and need for trust, faculty members, supervisory staff, and those with evaluative authority, the BOR has promulgated a policy regarding the relationships between employees and students. For more information, please review the Policy on Consensual Relationships.

Statement of Non-Discrimination

Three Rivers Community College does not discriminate on the basis of race, color, religious creed, age, sex, national origin, marital status, ancestry, present or past history of mental disorder, learning disability or physical disability, sexual orientation, gender identity and expression, or genetic information in its programs and activities. In addition, the College does not discriminate in employment on the basis of veteran status or criminal record.

The following person has been designated to handle inquiries regarding the non-discrimination policies: Victoria Baker, Equity and Diversity Officer, Title IX Coordinator, ADA / Section 504 Coordinator, Three Rivers Community College, 574 New London Turnpike Norwich, CT 06360 Room E110, (860) 215-9208, VBaker@trcc.commnet.edu

Participant Demographics
All demographic questions were explicitly optional, but the majority of participants chose to answer them in full. Where possible, demographics have been compared to the available TRCC fact book data. Despite the overrepresentation of female participants, the overall demographics closely mirror those of the college. This allows for the data to remain viable despite the fairly small sample size.

Sexual Assault

Responses on the rate students experience sexual assault have not been included since only a single participant disclosed an incident out of the 213 who responded to the question. This is not to dismiss the severity of that disclosure, but more can be learned from a climate perspective from the much more robust data regarding student attitudes and perceptions.

General Climate Questions
These questions were designed to gauge the students' overall comfort with the campus as well as their trust in its leadership. Please note that some questions permitted students to answer that they had "No Basis to Judge" the statement presented to them. The numbers of these students are disclosed, but they have been excluded when calculating the percentages of students who either disagree or agree to a statement.

Student Awareness

These questions were used to gauge student's awareness of their available resources and their likelihood of using those available to them on campus. Please note that some questions permitted students to answer that they had "No Basis to Judge" the statement presented to them. The numbers of these students are disclosed, but they have been excluded when calculating the percentages of students who either disagree or agree to a statement.

Student Code of Conduct
Please note: The Policies discussed in the following sections are paraphrased and/or excerpted from the Board of Regents' complete Student Code of Conduct (2014; amended 2015 and 2016), which is available for review electronically at CT.edu and TRCC.commnet.edu, or in hard copy at Three Rivers Community College's Donald R. Welter Library. The sections from which material below has been taken are identified in each heading.

Section 1: Student Code of Conduct (Preamble and Introduction)
Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. In line with this purpose, the Board of Regents for Higher Education ("BOR") in conjunction with the Connecticut State Colleges and Universities ("CSCU") has the duty to protect the freedoms of inquiry and expression, and furthermore, has the responsibility to encourage all of its members to develop the capacity for critical judgment in their sustained and independent search for truth.

CSCU has certain self-defined institutional values. Principal among these values is respect for the safety, dignity, rights, and individuality of each member of the CSCU Community. The opportunity to live, study, and work in an institution which values diverse intellectual and cultural perspectives and encourages discussion and debate about competing ideas in an atmosphere of civility is a basic component of quality higher education.

All members of CSCU must at all times govern their social and academic interactions with tolerance and mutual respect so that the students who pass through a CSCU door are enriched by these experiences and are prepared for full and enlightened participation in a multi-cultural society. Because of the BOR's and CSCU's commitment to principles of pluralism, mutual respect, and civility, certain activities are not acceptable on CSCU campuses. Acts of intolerance, of hatred or violence based on race, religion, sexual orientation or expression, disability, gender, age, or ethnic background are antithetical to the BOR's and CSCU's fundamental principles and values. It is the BOR's and CSCU's responsibility to protect our students' right to learn by establishing an environment of civility.
Part B: Application, Distribution, and Administration of the Student Code of Conduct

An alleged violation of the Student Code shall be addressed in accordance with the Code of Conduct, even if the accused Student has withdrawn from the Institution prior to the completion of the disciplinary procedures.

The Student Code shall apply to Students and to University Student Organizations. The term "student" shall generally apply to the student as an individual and to a Student Organization as a single entity. The officers or leaders of a particular Student Organization usually will be expected to represent the organization during the disciplinary process. Nothing in this Student Code shall preclude holding certain members of a Student Organization accountable for their individual acts committed in the context of or in association with the organization’s alleged violation of this Code.

Part C: Scope of Authority

Students must be aware that, as citizens, they are subject to all federal and state laws in addition to all CSCU regulations governing student conduct and responsibilities. Students do not relinquish their rights nor do they shed their responsibilities as citizens by becoming members of the CSCU Community. However, where a court of law has found a student to have violated the law an institution has the right to impose the sanctions of this Code even though the conduct does not impair institution-related activities of another member of the university or college community and does not create a risk of harm to the college or university community. The decision to exercise this right will be in the sole discretion of the President of the impacted institution or his/her designee.

Part D: Prohibited Conduct

The following list of behaviors is intended to represent the types of acts that constitute violations of this Code.

1. Academic misconduct, which includes, but is not limited to, plagiarism and all forms of cheating (as defined on Page 41 of this Handbook).
2. Acts of dishonesty, which include, but are not limited to, forgery or deliberate misuse of any institution-issued document or record, or knowingly furnishing false information to any CSCU Official, faculty member, or office.
3. Theft of property or services, or damage to, defacement or destruction of, or tampering with, real or personal property owned by the State of Connecticut, CSCU/BOR, the institution, or any member of the CSCU Community.
4. Actual or threatened physical assault or abuse, threatening behavior, intimidation, or coercion.
5. Sexual misconduct may include engaging in one of more behaviors: sexual harassment, sexual assault, sexual exploitation, or intimate
partner violence. (For complete definitions of these terms, please review the Sexual Misconduct Policy beginning on Page 66 of this Handbook).

6. Intimate partner violence, defined as any physical or sexual harm against an individual by a current or former spouse or by a partner in a dating relationship; physical abuse; threat of abuse; or emotional abuse.

7. Violations of privacy, including, but not limited to, voyeurism and the use of web-based, electronic or other devices to make a photographic, audio or video record of any person without his or her express consent when such a recording is intended or likely to cause injury or distress.

8. Hazing, which is defined as an act which endangers the mental or physical health or safety of a Student, or which destroys, damages, or removes public or private property for the purpose of initiation or admission into, affiliation with or as a condition for continued membership in a group or organization. The express or implied consent of the victim will not be a defense to an allegation of hazing. Consenting to the activity by remaining silent or not objecting in the presence of hazing is not a neutral act and is also a violation of this Student Code.

9. Stalking, which is defined as repeatedly contacting another person when the contacting person knows or should know that the contact is unwanted by the other person and may cause substantial impairment of the other person's ability to perform the activities of daily life.

10. Harassment, which is defined as conduct which is abusive or which interferes with a person's pursuit of his or her customary or usual affairs.

11. Conduct that is disorderly, lewd or indecent.

12. Behavior or activity which endangers the health, safety, or well-being of oneself or others.

13. Offensive or disorderly conduct which causes interference, annoyance or alarm or recklessly creates a risk thereof, including, but not limited to cyber bullying.

14. Unauthorized possession, duplication or use of keys to any CSCU premises, or forcible and/or unauthorized entry on or into CSCU premises.

15. Starting fires, causing explosions, falsely reporting the presence of fire, bombs, incendiary or explosive devices, or falsely reporting an emergency.

16. Unauthorized or improper possession, use, removal, tampering or disabling of fire and/or safety equipment and warning devices, failure to follow standard fire and/or emergency safety procedures, or interference with firefighting or emergency response equipment or personnel.

17. Use, possession, purchase, sale or distribution of alcoholic beverages, except as expressly permitted by law and CSCU regulations. Alcoholic beverages may not, under any circumstances, be used by, possessed by,
or distributed to any person under twenty-one (21) years of age.

18. Use, possession, purchase, sale, distribution or manufacturing of narcotics, controlled substances and/or drugs, including, but not limited to, marijuana and heroin, or drug paraphernalia, except as expressly permitted by law.

19. Use, possession or distribution of firearms, ammunition for firearms, other weapons or dangerous instruments, facsimiles of weapons or firearms, fireworks, explosives or dangerous chemicals. The possession of a deadly weapon or dangerous instrument on campus is strictly prohibited, even if such item is legally owned.

20. Gambling, including, but not limited to, promoting, wagering, receiving monies for wagering or gambling for money or property on CSCU premises.

21. Disruption or obstruction of any College or University function, activity or event, whether it occurs on or off the campus, or of any non-University or College function, activity or event which is authorized by the institution to occur on its premises.

22. Intentional obstruction of pedestrian or vehicular traffic on campus or at College functions

23. Failure to comply with the directions of CSCU officials or law enforcement officers acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.

24. Conduct that violates published BOR/CSCU policies, rules, and regulations, including, but not limited to, residence hall rules and regulations.

25. Conduct prohibited by any federal, state, and/or local law, regulation or ordinance.

26. Unauthorized use of CSCU property or the property of members of the CSCU Community or of CSCU Affiliates.

27. Theft, unauthorized use, or abuse of University or College computers and/or peripheral systems and networks.

28. Abuse of the CSCU conduct and disciplinary system.

Part E: Hearing Procedures for Sexual Misconduct, Sexual Intimate Partner, Domestic Violence & Stalking Reports

In addition to disciplinary procedures applicable to Community College students, or any hearing conducted involving allegations of sexual misconduct the reported victim and the accused student shall each have the following rights:

1. At any meeting or proceeding, both the reported victim and accused student may be accompanied by an advisor or support person of the student's choice;

2. The reported victim of sexual misconduct is entitled to request that disciplinary proceedings begin promptly;
3. Any hearing regarding an accusation of sexual misconduct shall (i) be fair, prompt and impartial; (ii) be conducted by a Hearing Body annually trained in issues relating to sexual misconduct (iii) use the preponderance of evidence (more likely than not) standard; (iv) shall allow both the accused student and reported victim the opportunity to present evidence and witnesses on their behalf during any disciplinary proceeding; and (v) shall provide both the accused student and the reported victim with equal access to any information that will be used during meetings and hearings; and (vi) invoke the standard of “affirmative consent” in determining whether consent to engage in sexual activity was given by all persons who engaged in sexual activity (the standard of “Affirmative Consent” is set forth in the BOR Sexual Misconduct Reporting, Support Services and Processes Policy and is incorporated herein by reference);

4. In accordance with the Family Educational Rights and Privacy Act (FERPA), the accused student and the reported victim have the right to keep their identities confidential;

5. Any reported victim shall be provided written notice of the decision of the Hearing Body at the same time as the accused student, normally within one (1) business day after the conclusion of the Hearing.

6. The reported victim shall have the same right to request a review of the decision of the Hearing Body (appeal rights) in the same manner and on the same basis as shall the accused student;

Part F: Conduct and Disciplinary Records

The written decision resulting from an administrative conference or a hearing under this Code shall become part of the student’s educational record and shall be subject to the provisions of the Family Educational Rights and Privacy Act (FERPA).

Part G: Interpretation and Revision

Questions regarding the interpretation of this Code shall be referred to the Community College’s Dean of Students or their designees for the administration of the Non-Academic Misconduct portion of the Student Code and to the Community College’s Dean of Academic Affairs or their designees for the administration of the Academic Misconduct portion of the Student Code.

This Code shall be reviewed and revised, if and as necessary, every five (5) years, or as directed by the President of the Board of Regents for Higher Education.
Section III: Conduct and Disciplinary Procedures Applicable to Community College Students
Part A: Disciplinary Procedures (Academic and Non-Academic Misconduct)

1. Information that a student may have violated the Code should be submitted to the Dean of Students, Dean of Academic Affairs or other designee of the President normally within thirty (30) calendar days of the date of a possible violation.

2. Upon receipt of information relating to a possible violation, the Dean may immediately place restrictions on or suspend a student on an interim basis if, in the judgment of the Dean, the continued presence of the student at the College or continued participation in the full range of college activities poses a danger to persons or property or constitutes an ongoing threat of disrupting the academic process.
   a. "Interim restrictions" are limitations on the Student's participation in certain College functions and activities, access to certain locations on campus or access to certain persons, that do not prevent the Student from continuing to pursue his/her academic program. A Student upon whom the Dean has placed interim restrictions shall be afforded written reasons for the restrictions, as well as the time period during which the interim restrictions shall apply. The decision of the Dean regarding interim restrictions shall be final.
   b. "Interim suspension" is the temporary separation of the Student from the College that involves the denial of all privileges, including entrance to College premises. Prior to imposing an interim suspension, the Dean shall make a good faith effort to meet with the Student. At this meeting, the Dean shall inform the Student of the information received and provide the Student an opportunity to present other information for the Dean's consideration. Based upon the information available at that time, the Dean shall determine whether the Student's continued presence on campus poses a danger to persons or property or constitutes an ongoing threat of disrupting the academic process. A Student suspended on an interim basis by the Dean shall be provided written reasons for the suspension and shall be entitled to an administrative conference or a hearing as soon as possible, normally within ten (10) calendar days from the date the interim suspension was imposed. The decision of the Dean regarding an
3. Following the imposition of interim restrictions or interim suspension, if any, the Dean shall promptly investigate the information received by meeting with individuals who may have knowledge of the matter, including the accused Student, and by reviewing all relevant documents.

4. If upon the conclusion of the Dean's investigation, the Dean determines that there is reason to believe the Student has committed a violation of any part of Section I. D. of this Code and, after considering both the possible violation and the prior conduct record of the Student, that a sanction of less than suspension or expulsion is appropriate, the Dean shall schedule an administrative conference with the Student. At the conclusion of the administrative conference, the Dean shall determine whether it is more likely than not that the Student has violated the Policy and, if so, impose a sanction less than suspension or expulsion. The Dean shall provide the Student with a written explanation for the determination. The decision of the Dean shall be final.

5. If upon the conclusion of the Dean's investigation, the Dean determines that there is reason to believe the Student has committed a violation of any part of Section I. D. of this Code and, after considering both the violation and the prior conduct record of the Student, that a sanction of suspension or expulsion is appropriate, the Dean shall provide the Student with reasonable written notice of a meeting and shall inform the Student that his/her failure to attend the meeting or to respond to the notice may result in the imposition of the maximum permissible sanction.

6. If the Student requests a hearing, he/she is entitled to the following:
   a. to be heard within five (5) days or as soon as reasonably possible, by an impartial party or panel whose members shall be appointed by the Dean;
   b. if the Dean appoints an impartial panel, to have a Student on the panel if requested by the Student;
   c. to appear in person and to have an advisor who not shall attend as a representative of the Student.
However, if there is pending at the time of the hearing a criminal matter pertaining to the same incident that is the subject of the hearing, a lawyer may be present for the sole purpose of observing the proceedings and advising the Student concerning the effect of the proceedings on the pending criminal matter;
d. to hear and to question the information presented;
e. to present information, to present witnesses, and to make a statement on his or her behalf; and
f. to receive a written decision following the hearing.

7. As used herein, the term “impartial” shall mean that the individual was not a party to the incident under consideration and has no personal interest in the outcome of the proceedings. Prior to the commencement of the hearing, the Student who is subject to the hearing may challenge the appointment of an impartial party or panel member on the ground that the person(s) is (are) not impartial. The challenge shall be made in writing to the Dean and shall contain the reasons for the assertion that the person(s) is (are) not impartial. The decision of the Dean shall be final.

8. The written decision of the impartial party or panel shall specify whether, based on the information presented, it is more likely than not that the Student committed the violation(s) reported and shall state the sanction to be imposed, if any. The written decision shall be provided to the Student.

9. Sanctions imposed by an impartial party or panel are effective immediately. The President may, for good cause, suspend imposition of the sanctions imposed by the impartial party or panel to allow the Student time to prepare a written request for review. If a written request is received, the President may continue to suspend imposition of the sanctions until he has reviewed and acted on the Student's request.

10. A written request for review of the decision of the impartial party or panel must be received by the President within three (3) calendar days after the Student is notified of the decision and must clearly identify the grounds for review. The review by the President is limited to the record of the hearing, the written request, and any supporting documentation submitted with the request by the Student. The decision of the impartial party or the panel shall be upheld unless the President finds that:
   a. a violation of the procedures set forth herein significantly prejudiced the Student; and/or
   b. the information presented to the impartial party or panel was not substantial enough to justify the decision; and/or,
   c. the sanction(s) imposed was (were) disproportionate to the seriousness of the violation.

11. Decisions under this procedure shall be made only by the college officials indicated.
Part B: Disciplinary Sanctions

The prior conduct record of a Student shall be considered in determining the appropriate sanction for a Student who has been found to have violated any part of Section I.D. of this Code. Sanctions shall be progressive in nature; that is, more serious sanctions may be imposed if warranted by the prior conduct record of the Student.

A "sanction" may be any action affecting the status of an individual as a Student taken by the College in response to a violation of this Policy, and for the purposes of this Section III of the Code include but are not limited to the following: A "sanction" may be any action affecting the status of an individual as a Student taken by the College in response to a violation of this Policy, and for the purposes of this Section III of the Code include but are not limited to the following:

1. "Expulsion" is a permanent separation from the College that involves denial of all Student privileges, including entrance to College premises;
2. "Suspension" is a temporary separation from the College that involves denial of all Student privileges, including entrance to college premises for the duration of the suspension, and may include conditions for reinstatement;
3. "Removal of College Privileges" involves restrictions on Student access to certain locations, functions and/or activities but does not preclude the Student from continuing to pursue his/her academic program;
4. "Probation" is a status that indicates either (a) serious misconduct not warranting expulsion, suspension, or removal of College privileges, or (b) repetition of misconduct after a warning has been imposed;
5. A "Warning" is a written notice to the Student indicating that he or she has engaged in conduct that is in violation of Section I.D. of this Code and that any repetition of such conduct or other conduct that violates this Code is likely to result in more serious sanctions;
6. "Community Restitution" requires a Student to perform a number of hours of service on the campus or in the community at large.
REPORTING OF SEXUAL MISCONDUCT

If you reveal an incident of Sexual Misconduct to...

A Professor, College Counselor, or Staff Member

This person will connect you with free, confidential off-campus resources, explain the privacy policy, and pass the information you choose to share to the Title IX Coordinator and the Dean of Students, who will review your options and rights.

If the investigator determines that the misconduct most likely did take place, and may warrant suspension or expulsion, a disciplinary hearing will be held to decide sanctions. For less severe misconduct, the Dean will determine appropriate sanctions.

Either way, the outcome will be provided to both parties in writing, and the process will end here, but you are encouraged to remain in touch so that the College can ensure your continued wellbeing.

If you request action...

The Title IX Coordinator or Dean will explain your rights, review your options, and ask what action you wish to take against the offender, if any. Taking action may require sharing your name to investigate the incident. If the College decides that it must take action, the investigation and disciplinary process will begin, and you will be informed before action is taken.

An impartial investigator will be assigned to gather testimony from the reporter, the alleged offender, and any relevant witnesses. The investigation is expected to take not more than 60 days.

If the College agrees not to take action, the Title IX Coordinator or the Dean may still request to investigate the incident to whatever extent possible, but the College's action will always be limited. If so, the process will end here, unless you choose to take action at a later time.

If you request action...

Your request will be carefully considered to decide if taking no action would endanger you. Many options for your safety and comfort will be offered. You will be assigned a victim advocate who will keep you informed and ensure your needs are met.

If the College decides to take action...

The Title IX Coordinator and the Dean may immediately restrict or suspend the alleged offender if he or her presence may be disruptive or disruptive.
Sexual Misconduct Reporting, Support Services and Processes Policy

Please note: This policy replaces the former “Sexual Misconduct, Sexual Assault, and Intimate Partner Violence Policy”. The policies discussed in the following sections are paraphrased and/or excerpted from the Board of Regents' complete Sexual Misconduct, Support Services and Processes Policy (2015; revised 2016), which is available for review electronically at CT.edu and TRCC.commmnet.edu, or in hard copy at Three Rivers Community College's Donald R. Welter Library.

Statement of Policy
The Board of Regents for Higher Education (BOR) in conjunction with the Connecticut State Colleges and Universities (CSCU) is committed to insuring that each member of every BOR governed college and university community has the opportunity to participate fully in the process of education and development. The BOR and CSCU strive to maintain a safe and welcoming environment free from acts of sexual misconduct, intimate partner violence and stalking. It is the intent of the BOR and each of its colleges or universities to provide safety, privacy and support to victims of sexual misconduct and intimate partner violence.

The BOR strongly encourages victims to report any instance of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence, as an effective means of taking action by reporting such acts to the appropriate officials and pursuing criminal or disciplinary remedies, or both. The only way that action can be taken against anyone who violates another in such a manner is through reporting. Each and every BOR governed college and university shall provide those who report sexual misconduct with many supportive options, including referral to agencies that provide medical attention, counseling, legal services, advocacy, referrals and general information regarding sexual misconduct. Each and every BOR governed college and university will preserve the confidentiality of those who report sexual misconduct to the fullest extent possible and allowed by law. All BOR and CSCU employees, victim support persons and community victim advocates being consulted will make any limits of confidentiality clear before any disclosure of facts takes place. Other than confidential resources as defined above, in addition to employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all BOR and CSCU employees are required to immediately communicate to the institution's designated recipient any disclosure or report of sexual misconduct received from a student as well as communicate any disclosure or report of sexual misconduct the employee received from another employee when misconduct is related to the business of the institution.
Section 2: Terms and Usage

Consent must be affirmed and given freely, willingly, and knowingly of each participant to desired sexual involvement. Consent is a mutually affirmative, conscious decision – indicated clearly by words or actions – to engage in mutually accepted sexual contact. Consent may be revoked at any time during the sexual activity by any person engaged in the activity. Affirmative consent may never be assumed because there is no physical resistance or other negative response.

It shall not be a valid excuse to an alleged lack of affirmative consent that the student or employee responding to the alleged violation believed that the student reporting or disclosing the alleged violation consented to the activity (i) because the responding student or employee was intoxicated or reckless or failed to take reasonable steps to ascertain whether the student or employee reporting or disclosing the alleged violation affirmatively consented, or (ii) if the responding student or employee knew or should have known that the student or employee reporting or disclosing the alleged violation was unable to consent because the student or employee was unconscious, asleep, unable to communicate due to a mental or physical condition, or incapacitated due to the influence of drugs, alcohol or medication. The existence of a past or current dating or sexual relationship between the persons involved in the alleged violation shall not be determinative of a finding of affirmative consent.

Sexual misconduct may include engaging in one or more behaviors:
(a) Sexual harassment, which can include any unwelcome sexual advance or request for sexual favors, or any conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment; submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting the individual; or such conduct has the purpose or effect of substantially interfering with an individual's academic or work performance or creating an intimidating, hostile or offensive educational or employment environment. Examples of conduct which may constitute sexual harassment include but are not limited to:
  * sexual flirtation, touching, advances or propositions
  * verbal abuse of a sexual nature
  * pressure to engage in sexual activity
  * graphic or suggestive comments about an individual's dress or appearance
  * use of sexually degrading words to describe an individual
  * display of sexually suggestive objects, pictures or photographs
  * sexual jokes
  * stereotypic comments based upon gender
• threats, demands or suggestions that retention of one's educational status is contingent upon toleration of or acquiescence in sexual advances.

a) Sexual assault shall include but is not limited to a sexual act directed against another person without the consent (as defined herein) of the other person or when that person is not capable of giving such consent.

b) Sexual exploitation occurs when a person takes non-consensual or abusive sexual advantage of another for anyone's advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses.

Examples of behavior that could rise to the level of sexual exploitation include:

- Prostituting another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images, or information of an individual's sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Going beyond the bounds of consent (such as letting your friends hide in the closet to watch him or her having consensual sex);
- Engaging in non-consensual voyeurism;
- Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
- Exposing one's genitals in non-consensual circumstances, or inducing another to expose his or her genitals; or
- Possessing, distributing, viewing or forcing others to view illegal pornography.

c) Intimate partner, domestic and/or dating violence means any physical or sexual harm against an individual by a current or former spouse of or person in a dating or cohabitating relationship with such individual that results from any action by such spouse or such person that may be classified as a sexual assault. Intimate partner violence may also include physical abuse, threat of abuse, and emotional abuse.

d) Stalking, which is defined as repeatedly contacting another person when contacting person knows or should know that the contact is unwanted by
the other person; and the contact causes the other person reasonable apprehension of imminent physical harm or the contacting person knows or should know that the contact causes substantial impairment of the other person’s ability to perform the activities of daily life.

Confidentiality
When a BOR-governed college or university receives a report of sexual misconduct all reasonable steps will be taken by the appropriate CSCU officials to preserve the privacy of the reported victim while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of personally identifiable student information reported, which information is subject to privacy requirements of the Family Education Rights Privacy Act (FERPA), the institution also must fulfill its duty to protect the campus community.

Confidential resources are defined as follows: For the Universities, entities with statutory privilege, which include campus based counseling center, health center and pastoral counseling staff members whose official responsibilities include providing mental health counseling to members of the University community as well as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. For the Colleges, confidential resources are limited to entities with statutory privilege, such as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. The personnel of these centers and agencies are bound by state statutes and professional ethics from disclosing information about reports without written releases.

Where it is deemed necessary for the institution to take steps to protect the safety of the reported victim and/or other members of the campus community, the institution will seek to act in a manner so as not to compromise the privacy or confidentiality of the reported victim of sexual misconduct to the extent reasonably possible.

Section 3: Mandated Reporting by College and University Employees
Other than confidential resources, in addition to employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all employees are required to immediately communicate to the institution’s designated recipient (e.g., Title IX Coordinator) any disclosure or report of sexual misconduct regardless of the age of the reported victim.

Further, in accordance with Connecticut State law, with the exception of student employees, any paid administrator, faculty, staff, athletic director, athletic coach
or athletic trainer who, in the ordinary course of their employment, has a reasonable cause to suspect or believe that a person under the age of 18 years has been abused or neglected, has been placed in imminent harm or has had a non-accidental injury is required by law and Board policy to report the incident within twelve hours to their immediate supervisor and to the Department of Children and Families.

Rights of Parties
Those who report any type of sexual misconduct to any BOR-governed college or university employee will be informed in a timely manner of all their rights and options, including the necessary steps and potential outcomes of each option. Scenario 1
Ash and Mackenzie
An afternoon class is about to begin when Ash, a student in the class, approaches the professor to talk about the behavior of another student named Mackenzie.

**Questions for Group Discussion**

**A)** At this point in the conversation, is this a disclosure, a report, or none of the above?

**B)** Based on how you classify what’s been said, what, if anything, should the professor say to Ash?

**C)** What, if anything, should the professor do independently to solve the problem in the classroom?
Scenario II
Jean and the Partner

Jean
I'm sorry this is so late, and I understand if you don't accept it. I've been having a lot of problems at home, and this is the best I could do. My partner and I have been fighting, and it got really bad. It was pretty rough so I had to leave. I was away from my computer, my books, and everything else I needed for school for a while.

Jean, a TRCC student, submits an assignment that is nearly two weeks late to Professor Jones and explains as follows:

Questions for Group Discussion

A) How would you respond to this student?

B) Would it be different if you knew the partner was also a TRCC student?

C) Would you accept the late assignment?
Scenario III
Pat and Chris

Pat
Chris just stopped me in the hall. He asked me to tell you that he's going home because he isn't feeling well. I don't know if he would want me to say this, but I think what's really happening is that there's someone making Chris feel uncomfortable, but he's too embarrassed to tell anyone about it. I know Chris respects and trusts you. Is there any way you can help, but without Chris knowing I told you?

Shortly before an afternoon class, Pat, a student, asks the course instructor, Mr. Chips, to step into the hall. Seeming upset, Pat states the following about an absent friend:

Questions for Group Discussion

A) How should Mr. Chips respond to Pat?

B) Does FERPA apply to the conversation between Pat and Chris? Between Pat and Mr. Chips?

C) Does Chris instead of Pat need to talk with Mr. Chips?

Title IX Compliance

Three Rivers Community College

Campus Resource Team
Overview

- Title IX
  - PA14-11
- Clery Act
- CSCU BOR Policies
- CRT Responsibilities
- TRCC Procedures
Title IX

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” This applies to:

- recruitment
- financial assistance
- admissions
- athletics
- counseling
- sex-based harassment
- treatment of pregnant and parenting students
- discipline
- single-sex education
- employment

“Also, a recipient may not retaliate against any person for opposing an unlawful educational practice or policy, or made charges, testified or participated in any complaint action under Title IX.” (US DoEd)
Title IX

Provides guidance on the unique concerns that arise in sexual violence cases, such as the school’s independent responsibility to:

- investigate (apart from any separate criminal investigation by local police) and address sexual violence
- publish a policy against sex discrimination
- designate a Title IX coordinator
- adopt and publish grievance procedures
- implement proactive strategies to prevent sexual violence
- accommodate the interplay between Title IX, the Family Educational Rights and Privacy Act ("FERPA"), and the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act ("Clery Act") as they relate to a complainant’s right to know the outcome of his or her complaint, including relevant sanctions imposed on the perpetrator
CT PA 14-11

- Expands upon Title IX and Clery Act by specifying and defining the prevention, response, and reporting protocols for the Connecticut State Colleges and Universities.

- Expands upon Title IX and Clery Act by including reports and disclosures of ALL sexual misconduct, regardless of where, when, and with whom it occurred.

- Limits reportable “Sexual Misconduct” categories to Sexual Assault, Stalking, and Intimate Partner Violence
Clery Act

According to the Clery Act, all Universities and Colleges receiving Federally-subsidized financial assistance for their students MUST:

- Collect, classify and count crime reports and crime statistics.
- Issue emergency notifications upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.
- Publish an annual security report containing safety- and security-related policy statements and crime statistics and distribute it to all current students and employees. Schools also must inform prospective students and employees about the availability of the report.
- Submit crime statistics to US DoEd.
- If the institution maintains a campus police or security department, it must keep a daily crime log of alleged criminal incidents that is open to public inspection.
Title IX Overlap with Clery Act

Title IX is largely concerned with ensuring all colleges and universities provide learning environments and experiences that are free from gender-based disparities.

Clery Act is largely concerned with physical safety and security on-campus.

If the College decides that it must take action, the investigation and disciplinary process will begin, and you will be informed before action is taken.

Many options for your safety and comfort will be offered.
If a member of the College Community—Faculty, Staff, or Student—reveals an incident of sexual misconduct to a Crisis Counselor from an off-campus agency, a Doctor, or Clergy, this person will:

- Most likely explain the options for action
- She or he may advise the student on how best to proceed
- The conversation is usually confidential
- If the student chooses to take no action, the process ends here
If a member of the College Community—Faculty, Staff, or Student—reveals an incident of sexual misconduct to a College Employee—Faculty or Staff—this person will:

- Provide contacts for free and confidential off-campus resources
- Explain the privacy policy concerning sexual misconduct
- Pass the shared information to the College Title IX Coordinator, Dean of Students, or Student Advocate
- Process continues with TRCC Procedure 3
TRCC Procedure 3

- If a member of the College Community—Faculty, Staff, or Student—reveals an incident of sexual misconduct to the Title IX Coordinator, Dean of Students, or Student Advocate, this person will:
  - Provide contacts for free and confidential off-campus resources
  - Explain the privacy policy concerning sexual misconduct
  - Explain the rights of the reporter
  - Review the options of the reporter
  - Ask what action, if any, the reporter wants to take against the alleged offender
TRCC Procedure 4

If the Reporter chooses to TAKE NO ACTION

- Appropriate College personnel will consider the safety of the campus population if no action is taken

- If larger population is not at risk, the incident may be investigated but action will be limited and the process ends here, but reporter may choose to take action at a later time

- If there is a risk to the larger community, the process continues with TRCC Procedure 5
If the Reporter chooses to TAKE ACTION or College determines action must be taken

- Investigation will begin
- Disciplinary process will begin
- Reporter will be offered options for safety and comfort
- Reporter will be assigned a victim advocate to keep him or her informed of the process and ensure timely support
- Title IX Coordinator and Dean of Students may immediately restrict or suspend the alleged offender
TRCC Procedure 6

- An impartial investigator will be assigned
- The investigator may gather information from the reporter, the alleged offender, and any relevant witnesses to the misconduct
- The investigation should take no more than sixty (60) days
- If the investigator determines that the misconduct occurred and warrants suspension or expulsion, a disciplinary hearing will be held
- For less serious offenses, the Dean of Students will determine appropriate disciplinary action
- The process ends here, but the reporter is encouraged to stay in touch with the assigned victim advocate
Wrap-up: What TRCC needs from YOU...

- As the experts in your respective areas, the College needs your guidance in developing processes and procedures that both apply the policies of the Board and treat any victims with the respect and support they need.
  - Please review today's handouts and give us your ideas
- PA14-11 requires that we meet once each semester. Our next meeting is tentatively planned for Friday, 11 March 2016 at 1 pm. What should we put on the agenda?

REV VB 29 Mar 16
Dear Colleagues:

The Student Services Division strives to provide a welcoming, supportive and safe environment for our diverse student population. This type of environment enhances students' ability to learn and to achieve their highest potential. We recognize that the health and well-being of our students, staff and faculty are essential to carrying out the mission of the college. To this end, we've prepared this guidebook to help faculty and staff identify and assist students who may be experiencing academic difficulty and/or emotional distress. This guidebook is designed to increase awareness of potential at-risk student behavior and specify appropriate and timely intervention in response to these behaviors. With permission from the University of Connecticut, we've used their "Guide to Helping Students in Distress" as a model and modified it to reflect situations we have encountered here at Three Rivers Community College.

It is our hope that the information in this guide will be useful to you as you interact with students in the classroom and throughout the college. Please use this as a reference; however, if confronted with a crisis or emergency situation you should call Security at extension 55555 or call 911. If you would like to see additional information included in this guide, or if you have suggestions for enhancing it, please contact me at extension 59260.

Thank you for your continued cooperation and effort making Three Rivers Community College a conducive learning environment.

Cordially,

Christine Languth,
Acting Director of Student Success

THE STUDENT WHO...
IS A SURVIVOR OF SEXUAL ASSAULT

Sexual assault is: completed or attempted rape, unwanted sexual contact without consent, unwanted sexual contact with force or threat of force, sexual coercion, or threats of rape.

Sexual assault is sexual contact that is initiated against a person without consent.

- Consent must be informed and freely and actively given.
- It is the responsibility of the initiator to obtain clear and affirmative responses at each stage of sexual involvement.
- The lack of a negative response is not consent.
- Consent may not be given by any individual who is intoxicated or incapacitated by drug and or alcohol both voluntarily and involuntarily.
- Past consent of sexual activities does not imply ongoing consent.

WHAT YOU CAN DO

- Listen without conveying judgment and be aware that victims may feel shame or anger.
- If the student needs immediate medical attention, call 911.
- If the student wants to report the incident to the police, the student MUST go to the hospital for evidence to be collected.
- If the student needs help dealing with academic issues as a result of the sexual assault, consult the Dean of Students or the Counseling Center.
- In all cases, report incidents to the Dean of Students. Confidentiality will be maintained.

AVOID...

- Expressing judgment even when high-risk behaviors on the part of the victim were involved (e.g., intoxication).

<td>Technology has spread extensively (and inexpensively) to enable stalking.</td>
<td>• Technology has spread extensively (and inexpensively) to enable stalking. • Stalking technology includes covert video surveillance, phone “spoofing” (identity masking), social networking fraud, and more. • A major factor in helping victims is to believe them – even outlandish acts of stalking can be achieved through technology • Stalking victims most often know their stalker, but stalking does not need to be predicated on a current or former relationship • The best strategy to combat stalkers is to encourage victims to extensively document the incidents so a pattern can be established.</td>

   **Discussion**

   Greg Souza distributed the abbreviated, summarized results of the spring 2015 Campus Climate Survey. Due to time constraints, discussion was limited, but the following was emphasized:

   • The survey’s sample size was fairly small, but nonetheless demographically representative of the College’s population.
   • The survey revealed a relatively low rate of sexual harassment (about 8.5% of participants), but a fairly high percentage of victims choosing not to report (about 80%)
   • The full data is maintained by Greg Souza, and can be given out by request to any interested parties.
