Holy Apostles College & Seminary, located at 33 Prospect Hill Road, Cromwell, CT, 06416, is a dynamic Catholic liberal arts college and seminary devoted to the formation of future priests and leaders in the Catholic community. The goal of Holy Apostles is to cultivate Catholic leaders for evangelization. We welcome and serve seminarians, lay students, and religious sisters, both on campus and online. On-campus reside 50 seminarians studying for the Catholic priesthood in the college and major seminary programs, 42 religious sisters in the college programs, and 22 priests in the Master of Arts programs. In addition, 29 commuter students, 10 of whom are women, attend the on-campus courses, and 463 students, 179 of whom are women, are enrolled this fall in the online programs.

Holy Apostles revised its Sexual Conduct and Grievance Policy in 2013 to meet current guidelines. The policy is posted on the institutional website at [https://www.holyapostles.edu/sexual-conduct-and-grievance-policy/](https://www.holyapostles.edu/sexual-conduct-and-grievance-policy/) and reads as follows:

### Sexual Conduct and Grievance Policy

**Harassment**

Holy Apostles College and Seminary (hereafter named as Holy Apostles) acknowledges its commitment to a work environment free from immoral and unlawful discrimination and any type of harassment, including sexual harassment. Clergy, employees, and volunteers must not engage in physical, psychological, written, or verbal harassment of employees, volunteers or parishioners and must not tolerate such harassment by other Church employees or volunteers. Clergy, employees and volunteers must maintain a professional work environment.

Harassment encompasses a broad range of physical, written or verbal behaviors, including, without limitation the following:

- Physical or mental abuse;
- Racial insults;
- Derogatory ethnic slurs;
- Display of offensive materials.

Harassment can be a single severe incident or a persistent pattern of behavior where the purpose or the effect is to create a hostile, offensive or intimidating work environment.
Sexual Harassment

Sexual harassment is defined as: Any unwelcome sexual advances or requests for special favors or any conduct of a sexual nature when:

- submission to such conduct is made either explicitly or implicitly a term condition of an individual’s employment;
- submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile, or offensive work environment.

Administrators, faculty, staff and volunteers must avoid developing inappropriate sexual relationships with seminarians and other members of the community. Inappropriate behaviors include but are not limited to the following:

- unwelcome sexual advances,
- suggestive or lewd remarks,
- unwanted hugs, touches, or kisses
- requests for sexual favors,
- retaliation for complaining about sexual harassment
- derogatory or pornographic posters, cartoon, or drawings.
- Sexual advances or touching;
- Sexual comments, pictures or sexual jokes;
- Requests for sexual favors used as a condition of employment, or to affect other personnel decisions, such as promotion or compensation;

Explicitly sexual interactions or even sexually suggestive interaction with persons who are served or with whom one works are never appropriate to the Seminary. All members of the seminary community are expected to conduct themselves chastely at all times according to their state of life.

Administrators, faculty, staff and volunteers must not for the purpose of sexual gratification or intimacy, exploit the trust placed in them by members of the Seminary community. No member of the clergy, employee, student or volunteer may exploit another person for sexual purposes. All must conduct themselves in a professional manner at all times.

Allegations of sexual misconduct are taken seriously and are to be reported to Dr. Cynthia Toolin-Wilson, Title IX Coordinator, at ctolin@holyapostles.edu, or 860-632-3022 and to the Diocese of Norwich Office of Internal Affairs at 1-800-624-7407 or 1-860-889-4455. If a minor is involved, the norms of the Sexual Misconduct Policy and the Code of Pastoral Conduct policies of the Diocese of Norwich are to be followed without exception in every situation of this kind in order to protect the rights of all involved.

Clergy, employees, students and volunteers should review and know the contents of the child abuse regulations and reporting requirements for the State of Connecticut and should follow those mandates.

If the allegation of sexual misconduct or harassment does not involve minors, the allegation is also to be taken seriously, and it is morally imperative that such allegations should be reported to the competent authority of Holy Apostles College and Seminary and the Diocese of Norwich immediately.

Clergy, employees, students and volunteers of the Seminary are to follow the Diocese of Norwich and Seminary procedures to protect the rights of all involved.
