Institution Narrative

Norwalk Community College (NCC) is the educational center of the community, providing opportunities for intellectual inquiry, open dialogue, multicultural awareness and lifelong learning.

During the 2017 reporting period, NCC continued to strive towards creating a learning environment where faculty, staff and students feel welcome and safe. In furtherance of these objectives, NCC widely publicizes its policies and procedures related to preventing prohibited conduct, included sexual misconduct.

NCC policies included in this report affirm the College’s commitment to preventing and responding to acts of sexual misconduct, by or against students, staff, or visitors. Acts of sexual violence, including, but not limited to, intimate partner violence, sexual assault and/or stalking will not be tolerated on campus.

Also included in this report, are statistics, data and programming materials, which reflect the manner in which NCC continues to work to educate members of the NCC community of the impact of sexual violence, and the various support services available to both primary and secondary survivors of sexual violence.

The compilation of this report provided NCC an opportunity to inventory and review various methods in place to prevent violence, raise awareness, and also identity any trends in reporting/disclosure.

During the reporting period, NCC received 1 report of sexual misconduct which occurred off campus. The investigation into the report failed to produce evidence to substantiate the report. However, all those involved in investigation were referred for training on consent and sexual misconduct on campus. The College also received 2 disclosures of stalking. Both disclosures were made by NCC students against individuals whom were not affiliated with NCC. In addition to providing information on support services, individuals were advised of accommodations that can be provided, and assistance for filling out any relevant paperwork were offered.

Through the College’s Title IX Coordinator, College Counseling Center, and Campus Resource Team, students and staff were provided with a variety of information on how to prevent sexual violence, how to recognize and report sexual violence, and the mental health and academic impact on sexual violence. Information distributed are made available in Spanish, and also available in chart form, to simplify the reporting process/requirements, and confidential resources on campus.
POLICIES

Regarding sexual assault, stalking, and intimate partner violence
Board of Regents for Higher Education
Connecticut State Colleges and Universities

Policy Regarding
Sexual Misconduct Reporting, Support Services and Processes Policy

Statement of Policy
The Board of Regents for Higher Education (BOR) in conjunction with the Connecticut State Colleges and Universities (CSCU) is committed to insuring that each member of every BOR governed college and university community has the opportunity to participate fully in the process of education and development. The BOR and CSCU strive to maintain a safe and welcoming environment free from acts of sexual misconduct, intimate partner violence and stalking. It is the intent of the BOR and each of its colleges or universities to provide safety, privacy and support to victims of sexual misconduct and intimate partner violence.

The BOR strongly encourages victims to report any instance of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence, as an effective means of taking action by reporting such acts to the appropriate officials and pursuing criminal or disciplinary remedies, or both. The only way that action can be taken against anyone who violates another in such a manner is through reporting. Each and every BOR governed college and university shall provide those who report sexual misconduct with many supportive options, including referral to agencies that provide medical attention, counseling, legal services, advocacy, referrals and general information regarding sexual misconduct. Each and every BOR governed college and university will preserve the confidentiality of those who report sexual misconduct to the fullest extent possible and allowed by law. All BOR and CSCU employees, victim support persons and community victim advocates being consulted will make any limits of confidentiality clear before any disclosure of facts takes place. Other than confidential resources as defined above, in addition to employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all BOR and CSCU employees are required to immediately communicate to the institution’s designated recipient any disclosure or report of sexual misconduct received from a student as well as communicate any disclosure or report of sexual misconduct the employee received from another employee when misconduct is related to the business of the institution.

Affirmative consent must be given by all parties before engaging in sexual activity. Affirmative consent means an active, clear and voluntary agreement by a person to engage in sexual activity with another person. Sexual misconduct, as defined herein, is a violation of BOR policies and, in addition, may subject an accused student or employee to criminal penalties. The BOR and each of its governed colleges and universities are committed to providing an environment free of personal offenses. Sexual relationships of any kind between staff/faculty and students are discouraged pursuant to BOR policy.

The Board of Regents for Higher Education hereby directs the Connecticut State Colleges and Universities to implement the Policy stated above pursuant to the following provisions:
Sexual Misconduct Reporting
Support Services and Processes Policy

Terms, Usage and Standards

Consent must be affirmed and given freely, willingly, and knowingly of each participant to desired sexual involvement. Consent is a mutually affirmative, conscious decision—indicated clearly by words or actions—to engage in mutually accepted sexual contact. Consent may be revoked at any time during the sexual activity by any person engaged in the activity.

Affirmative consent may never be assumed because there is no physical resistance or other negative response. A person who initially consents to sexual activity shall be deemed not to have affirmatively consented to any such activity which occurs after that consent is withdrawn. It is the responsibility of each person to assure that he or she has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that affirmative consent is sustained throughout the sexual activity. It shall not be a valid excuse to an alleged lack of affirmative consent that the student or employee responding to the alleged violation believed that the student reporting or disclosing the alleged violation consented to the activity (i) because the responding student or employee was intoxicated or reckless or failed to take reasonable steps to ascertain whether the student or employee reporting or disclosing the alleged violation affirmatively consented, or (ii) if the responding student or employee knew or should have known that the student or employee reporting or disclosing the alleged violation was unable to consent because the student or employee was unconscious, asleep, unable to communicate due to a mental or physical condition, or incapacitated due to the influence of drugs, alcohol or medication. The existence of a past or current dating or sexual relationship between the persons involved in the alleged violation shall not be determinative of a finding of affirmative consent.

Report of sexual misconduct is the receipt of a communication of an incident of sexual misconduct accompanied by a request for an investigation or adjudication by the institution.

Disclosure is the receipt of any communication of an incident of sexual misconduct that is not accompanied by a request for an investigation or adjudication by the institution.

Sexual misconduct includes engaging in any of the following behaviors:

(a) Sexual harassment, which can include any unwelcome sexual advance or request for sexual favors, or any conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education or employment; submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting the individual; or such conduct has the purpose or effect of substantially interfering with an individual’s academic or work performance or creating an intimidating, hostile or offensive educational or employment environment. Examples of conduct which may constitute sexual harassment include but are not limited to:

- sexual flirtation, touching, advances or propositions
- verbal abuse of a sexual nature
- pressure to engage in sexual activity
- graphic or suggestive comments about an individual’s dress or appearance
- use of sexually degrading words to describe an individual

- display of sexually suggestive objects, pictures or photographs
- sexual jokes
- stereotypic comments based upon gender
- threats, demands or suggestions that retention of one's educational status is contingent upon toleration of or acquiescence in sexual advances.

Retaliation is prohibited and occurs when a person is subjected to an adverse employment or educational action because he or she made a complaint under this policy or assisted or participated in any manner in an investigation.

(b) **Sexual assault** shall include but is not limited to a sexual act directed against another person without the consent (as defined herein) of the other person or when that person is not capable of giving such consent:

Sexual assault is further defined in sections 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b and 53a-73a of the Connecticut General Statutes.

(c) **Sexual exploitation** occurs when a person takes non-consensual or abusive sexual advantage of another for anyone's advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:

- Prostituting another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images, or information of an individual's sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Going beyond the bounds of consent (for example, an individual who allows friends to hide in the closet to watch him or her having consensual sex);
- Engaging in non-consensual voyeurism;
- Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
- Exposing one's genitals in non-consensual circumstances, or inducing another to expose his or her genitals; or
- Possessing, distributing, viewing or forcing others to view illegal pornography.

Sexual exploitation is further defined as a crime in Connecticut State Law.

(d) **Intimate partner, domestic and/or dating violence means** any physical or sexual harm against an individual by a current or former spouse of or person in a dating or cohabitating relationship with such individual that results from any action by such spouse or such person that may be classified as a sexual assault under section 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b or 53a-73a of the general statutes, stalking under section 53a-181c, 53a-181d or 53a-181e of the general statutes, or domestic or family violence as designated under section 46b-38h of the general statutes. This includes any physical or sexual harm against an individual by a current or

former spouse or by a partner in a dating relationship that results from (1) sexual assault (2) sexual assault in a spousal or cohabiting relationship; (3) domestic violence; (4) sexual harassment (5) sexual exploitation, as such terms are defined in this policy.

Offenses that are designated as “domestic violence” are against family or household members or persons in dating or cohabitating relationships and include assaults, sexual assaults, stalking, and violations of protective or restraining orders issued by a Court. Intimate partner violence may also include physical abuse, threat of abuse, and emotional abuse.

- Physical abuse includes, but is not limited to, slapping, pulling hair or punching.
- Threat of abuse includes but is not limited to, threatening to hit, harm or use a weapon on another (whether victim or acquaintance, friend or family member of the victim) or other forms of verbal threat.
- Emotional abuse includes but is not limited to, damage to one’s property, driving recklessly to scare someone, name calling, threatening to hurt one’s family members or pets and humiliating another person.
- Cohabitation occurs when two individuals dwell together in the same place as if married.
- The determination of whether a “dating relationship” existed is to be based upon the following factors: the reporting victim’s statement as to whether such a relationship existed, the length of the relationship, the type of the relationship and the frequency of the interaction between the persons reported to be involved in the relationship.

(e) Stalking, which is defined as repeatedly contacting another person when contacting person knows or should know that the contact is unwanted by the other person; and the contact causes the other person reasonable apprehension of imminent physical harm or the contacting person knows or should know that the contact causes substantial impairment of the other person’s ability to perform the activities of daily life.

As used in this definition, the term “contacting” includes, but is not limited to, communicating with (including internet communication via e-mail, instant message, on-line community or any other internet communication) or remaining in the physical presence of the other person.

Confidentiality
When a BOR governed college or university receives a report of sexual misconduct all reasonable steps will be taken by the appropriate CSCU officials to preserve the privacy of the reported victim while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of personally identifiable student information reported, which information is subject to privacy requirements of the Family Education Rights Privacy Act (FERPA), the institution also must fulfill its duty to protect the campus community.

Confidential resources are defined as follows: For the Universities, entities with statutory privilege, which include campus based counseling center, health center and pastoral counseling staff members whose official responsibilities include providing mental health counseling to members of the University community as well as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic

Violence Center. For the Colleges, confidential resources are limited to entities with statutory privilege, such as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. The personnel of these centers and agencies are bound by state statutes and professional ethics from disclosing information about reports without written releases.

Information provided to a confidential resource by a victim of a sexual misconduct or the person reported to have been the victim of sexual misconduct cannot be disclosed legally to any other person without consent, except under very limited circumstances, such as an imminent threat of danger to self or others or if the reported victim is a minor. Therefore, for those who wish to obtain the fullest legal protections and disclose in full confidentiality, she/he must speak with a confidential resource. Each BOR governed college and university will provide a list of such confidential resources in the College or University’s geographic region to victims of sexual misconduct as well as publish these resources on-line and in various publications.

Where it is deemed necessary for the institution to take steps to protect the safety of the reported victim and/or other members of the campus community, the institution will seek to act in a manner so as not to compromise the privacy or confidentiality of the reported victim of sexual misconduct to the extent reasonably possible.

Mandated Reporting by College and University Employees
Other than confidential resources as defined above, in addition to employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all employees are required to immediately communicate to the institution’s designated recipient (e.g., Title IX Coordinator) any disclosure or report of sexual misconduct received from a student regardless of the age of the reported victim. All employees are also required to communicate to the institution’s designated recipient (e.g., Title IX Coordinator) any disclosure or report of sexual misconduct received from an employee that impacts employment with the institution or is otherwise related to the business of the institution.

Upon receiving a disclosure or a report of sexual misconduct, employees are expected to supportively, compassionately and professionally offer academic and other accommodations and to provide a referral for support and other services.

Further, in accordance with Connecticut State law, with the exception of student employees, any paid administrator, faculty, staff, athletic director, athletic coach or athletic trainer who, in the ordinary course of their employment, has a reasonable cause to suspect or believe that a person under the age of 18 years has been abused or neglected, has been placed in imminent harm or has had a non-accidental injury is required by law and Board policy to report the incident within twelve hours to their immediate supervisor and to the Department of Children and Families.

Employee Conduct Procedures
Employees who are reported to have engaged in sexual misconduct are subject to discipline in accordance with the procedures applicable to the employee's classification of employment.

Student Conduct Procedures
The Student Code of Conduct provides the procedures for the investigation, definitions of terms, and resolution of complaints regarding student conduct, including those involving sexual misconduct, as defined herein.

The Title IX Coordinator can assist in explaining the student conduct process. The Student Code of Conduct provides an equal, fair, and timely process (informal administrative resolution or a formal adjudication) for reported victims and accused students.

Reported victims of sexual misconduct shall have the opportunity to request that an investigation or disciplinary proceedings begin promptly; that such disciplinary proceedings shall be conducted by an official trained annually in issues relating to sexual misconduct and shall use the preponderance of the evidence (more likely than not) standard in making a determination concerning the alleged sexual misconduct.

Both the reported victim of sexual misconduct and the accused student are entitled to be accompanied to any meeting or proceeding relating to the allegation of sexual misconduct by an advisor or support person of their choice, provided the involvement of such advisor or support person does not result in the postponement or delay of such meeting as scheduled and provided such an advisor or support person may not directly address the Hearing Body, question witnesses or otherwise actively participate in the hearing process or other meeting pertaining to a report of sexual misconduct and each student shall have the opportunity to present evidence and witnesses on her/his behalf during any disciplinary proceeding.

Both the reported victim and accused student are entitled to be provided at the same time written notice of the results of any disciplinary proceeding, normally within one (1) business day after the conclusion of such proceeding, which notice shall include the following: the name of the accused student, the violation committed, if any, and any sanction imposed upon the accused student. Sanctions may range from a warning to expulsion, depending upon the behavior and its severity of the violation(s). The reported victim shall have the same right to request a review of the decision of any disciplinary proceeding in the same manner and on the same basis as shall the accused student; however, in such cases, if a review by any reported victim is granted, among the other actions that may be taken, the sanction of the disciplinary proceeding may also be increased. The reported victim and the accused student are entitled to be simultaneously provided written notice of any change in the results of any disciplinary proceeding prior to the time when the results become final as well as to be notified when such results become final.

In accordance with the Family Educational Rights and Privacy Act (FERPA), the accused student and the reported victim have the right to keep their identities confidential.

Dissemination of this Policy
Upon adoption by the Board all CSCU institutions shall, upon receipt, immediately post and maintain this policy at all times in an easily accessible manner on each institution’s website. This policy shall thereafter be annually provided to all Title IX Coordinators, campus law enforcement officers and security personnel, and other campus personnel. Further, this policy shall be presented at student orientation and at student awareness and prevention trainings, and made broadly available at each campus. The policy shall be expanded upon by each institution to provide resources and contact information specific to their institution and geographic area as set forth above.
Policy on Consensual Relationships
BOR approved 11/21/13; annual distribution to employees required. Rescinds Connecticut State University System Policy regarding Consensual Relationships adopted pursuant to BR#05-13

The Board of Regents for Higher Education (BOR) of the Connecticut State Colleges and Universities’ respects that the educational mission of its institutions is founded on an atmosphere of mutual trust and respect between all members of the academic community. Faculty members, as well as those individuals upon whom the institution confers managerial, supervisory, or evaluative responsibilities, (including graduate assistants or undergraduate teaching assistants) carry a special responsibility to adhere to the highest ethical and professional standards and to avoid any actions that may appear to undermine this atmosphere of trust and respect and thereby hinder the institution’s educational mission.

Because of the inherent imbalance of power and need for trust, faculty members, supervisory staff, and those with evaluative authority should be aware that dating or sexual relationships that might be appropriate in other circumstances have inherent dangers when they occur between a staff member and a student as well as when they occur between a supervisor and employee.

Such relationships can create real conflicts, are susceptible to an appearance of exploitation, and can impair the trust and integrity of the teaching, coaching, or other supervisory or evaluative relationship and may cause a perception of favoritism or bias on the part of the staff. In addition, although these relationships may begin and remain consensual, they may easily be later characterized as non-consensual and could potentially lead to sexual harassment charges.

Policy
Prohibited
Between employee and student: Consensual romantic, dating, or sexual relationships between any employee and any student over whom that employee exercises direct or otherwise significant academic, supervisory, or evaluative authority or influence are prohibited at all State Universities and Colleges. The evaluative relationship can take a variety of forms, such as teacher to student, advisor to advisee, coach to athlete, supervisor to student employee, or similar relationship.

Strongly Discouraged
Between employee and student: Romantic, dating or sexual relationships between employees and students over whom said employee does not have supervisory or evaluative authority are strongly discouraged. Such relationships are not only susceptible to future conflicts of interest, but also may present the appearance of impropriety.

If this situation exists, no employee should agree to supervise or evaluate a student with whom he or she has, or formerly had, a consensual relationship. A faculty member should inform the Dean if such a student wishes to enroll in a credit bearing course that he or she is teaching so that alternate arrangements can be made. Nor should a faculty member direct the student’s independent study, internship, or thesis; participate in decisions regarding grades; or write letters of recommendation or reference.
Between employee and employee: BOR discourages employees with supervisory or evaluative authority from engaging in romantic, dating or sexual relationships with employees who they supervise or evaluate. If such a relationship exists or develops, the supervisory employee must notify his/her manager so that arrangements can be made for the unbiased supervision and evaluation of the employee. These situations are handled on a case-by-case basis and may require transfer or reassignment of one or more employees.

In the event of a Sexual Harassment Charge
Anyone who enters into a romantic, dating or sexual relationship where a professional power differential exists must realize that if a charge of sexual harassment is subsequently filed, it may be difficult to defend the charge by claiming that there was mutual consent. Employees could be held personally liable in a criminal or civil lawsuit.

Sanctions
All violations of this policy should be reported to Human Resources for investigation and appropriate administrative action, up to and including disciplinary action.
The Board of Regents for Higher Education (BOR) of the Connecticut State Colleges and Universities (CSCU) accept that institutions of higher education foster educational opportunities for people under the age of 18 years. The BOR, in acknowledging the special care required for children, strives to the utmost to protect children on its campuses from any form of abuse or neglect.

Pursuant to state law, with the exception of student employees, any paid administrator, faculty, staff, athletic director, athletic coach or athletic trainer, collectively referred to as “mandatory reporters” who in the ordinary course of their employment has a reasonable cause to suspect or believe that a person under the age of 18 years has been abused or neglected, has been placed in imminent harm or has had a non-accidental injury is required to cause a report to be made to the Department of Children and Families within 12 hours of becoming aware or suspecting abuse, neglect or imminent harm to a child.

The BOR recognizes that each CSCU campus must be a safe and secure environment for children to grow and develop. Therefore, the BOR further requires mandatory reporters to report any witnessed or suspected abuse or neglect of a child on a CSCU campus to their immediate supervisor in addition to DCF. The supervisor must report the incident to their director or vice president who must then inform the campus President and the System Office Vice President for Human Resources or his/her designee.

If the director or vice president reasonably believes that a reportable incident has occurred, and, if the suspected perpetrator is a BOR or CSCU employee, he/she will immediately contact their Chief Human Resources Officer who shall assign an objective person to investigate the report. An employee under investigation may be placed on administrative leave pending the results of the investigation. Employees who report suspicions of abuse or neglect are protected from any disciplinary action unless the report is determined to have been maliciously made. An employee who fails to report, but is later determined to have had previous knowledge of the abuse, may be subject to discipline.

A report is required if there is reasonable cause to suspect that a person under the age of 18 is in imminent harm, has had non-accidental injuries or has been abused or neglected. Reasonable cause to believe or suspect that child abuse has occurred is sufficient to make a report.

All staff designated as mandatory reporters are required to take the Department of Children and Families Mandated Reporter Training, either on-line or in person, and Mandated Reporter Training will be included in New Employee Orientation. Compliance with training will be monitored by each CSCU campus’s Department of Human Resources. A copy of this policy shall be disseminated annually to all employees.

Reasonable steps will be taken to preserve privacy while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of the information reported, which information may be subject to privacy requirements of the Family Education
Rights Privacy Act (FERPA), the institution also must fulfill its duty to protect the CSCU community and to assure that the appropriate disciplinary processes are implemented.

PREAMBLE

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. In line with this purpose, the Board of Regents for Higher Education ("BOR") in conjunction with the Connecticut State Colleges and Universities ("CSCU") has the duty to protect the freedoms of inquiry and expression, and furthermore, has the responsibility to encourage all of its members to develop the capacity for critical judgment in their sustained and independent search for truth.

CSCU has certain self-defined institutional values. Principal among these values is respect for the safety, dignity, rights, and individuality of each member of the CSCU Community. The opportunity to live, study, and work in an institution which values diverse intellectual and cultural perspectives and encourages discussion and debate about competing ideas in an atmosphere of civility is a basic component of quality higher education.

All members of CSCU must at all times govern their social and academic interactions with tolerance and mutual respect so that the students who pass through a CSCU door are enriched by these experiences and are prepared for full and enlightened participation in a multi-cultural society. Because of the BOR’s and CSCU’s commitment to principles of pluralism, mutual respect, and civility, certain activities are not acceptable on CSCU campuses. Acts of intolerance, of hatred or violence based on race, religion, sexual orientation or expression, disability, gender, age, or ethnic background are antithetical to the BOR’s and CSCU’s fundamental principles and values. It is the BOR’s and CSCU’s responsibility to protect our students’ right to learn by establishing an environment of civility.

The disciplinary process is intended to be part of the educational mission of CSCU. Student disciplinary proceedings are not criminal proceedings and are not subject to court rules of procedure and evidence.

INTRODUCTION

This Student Code of Conduct (hereinafter the “Student Code” or “Code”) is intended to present a clear statement of student rights and responsibilities established by the Board of Regents for Higher Education. The BOR has charged the President of the Board of Regents for Higher Education with developing procedures to protect those rights and to address the abdication of responsibilities in collaboration with the four State Universities, the twelve Community Colleges and Charter Oak State College. The Student Code describes the types of acts that are not acceptable in an academic community.

Disclaimer: This Code is neither a contract nor an offer of a contract between any BOR governed institution and any student. The provisions of this Code are subject to revision at any time.

PART B: APPLICATION, DISTRIBUTION, AND ADMINISTRATION OF THE STUDENT CODE OF CONDUCT

1. Application of the Student Code: The Student Code shall apply to the four Connecticut State Universities, the twelve Community Colleges, and the on-line college: Central Connecticut State University, Eastern Connecticut State University, Southern Connecticut State University, Western Connecticut State University; Asnuntuck Community College, Capital Community College, Gateway Community College, Housatonic Community College, Manchester Community College, Middlesex Community College, Naugatuck Valley Community College, Northwestern Connecticut Community College, Norwalk Community College, Quinnipiac Community College, Three Rivers Community College, Tunxis Community College, and Charter Oak State College.

An alleged violation of the Student Code shall be addressed in accordance with the Code of Conduct, even if the accused Student has withdrawn from the Institution prior to the completion of the disciplinary procedures.

The Student Code shall apply to Students and to University Student Organizations. The term "student" shall generally apply to the student as an individual and to a Student Organization as a
single entity. The officers or leaders of a particular Student Organization usually will be expected to represent the organization during the disciplinary process. Nothing in this Student Code shall preclude holding certain members of a Student Organization accountable for their individual acts committed in the context of or in association with the organization’s alleged violation of this Code.

2. **Distribution of the Student Code:** The Student Code shall be made readily available electronically and/or in a printed publication to students, faculty and staff. The office responsible for Student Affairs will annually distribute and make available to students, faculty and staff, electronically and/or in a printed publication, any revisions to the Code.

3. **Administration of the Student Code:** A University’s and Charter Oak State College’s Provost or a Community College’s Dean of Students shall be the person designated by the institution President to be responsible for the administration of the Academic Misconduct portion of the Student Code. A University’s Vice President for Student Affairs, a Community College’s Dean of Students, or Charter Oak State College’s Provost shall be the person designated by the institution President to be responsible for the administration of the Non-Academic Misconduct portion of the Student Code.

**PART C: SCOPE OF AUTHORITY**

A Student who is found responsible for engaging in conduct that violates the Student Code on any CSCU campus or on property controlled by the BOR or by any CSCU Affiliate or any CSCU sponsored function or event shall be subject to the sanctions described in this Code. The Student Code of Conduct also applies to online activities, where applicable. Students who attempt to engage in conduct that violates this Code, who knowingly encourage, aid or assist another person in engaging in such conduct, or who agree with another person, explicitly or otherwise, to engage in such conduct, may also be subject to disciplinary action.

Off-campus misconduct by University students may be subject to the jurisdiction of the University and addressed through its disciplinary procedures if one of the following conditions is met: (i) a Student engages in prohibited conduct at an official University event, at a University-sanctioned event, or at an event sponsored by a recognized University Student Organization; or (ii) a Student engages in prohibited conduct under such circumstances that reasonable grounds exist for believing that the Accused Student poses a threat to the life, health or safety of any member of the CSCU or to the property of the CSCU.

Community College students conduct is subject to the Code on campus and off-campus whenever such conduct impairs College-related activities or affairs of another member of the College community or creates a risk of harm to a member or members of the College community. Students must be aware that, as citizens, they are subject to all federal and state laws in addition to all CSCU regulations governing student conduct and responsibilities. Students do not relinquish their rights nor do they shed their responsibilities as citizens by becoming members of the CSCU Community. However, where a court of law has found a student to have violated the law, an institution has the right to impose the sanctions of this Code even though the conduct does not impair institution-related activities of another member of the university or college community and does not create a risk of harm to the college or university community. The decision to exercise this right will be in the sole discretion of the President of the impacted institution or his/her designee.
Charter Oak State College applies this Code to matriculated and non-matriculated students, including those participating in portfolio assessment, credential evaluation, testing, or contract learning. Jurisdiction shall be limited to student conduct that occurs while students are taking Charter Oak State College courses or availing themselves of Charter Oak State College services. However, if a matriculated Charter Oak State College student is found guilty of student misconduct at another institution, including but not limited to misrepresentation of records from other institutions, the student may be subject to disciplinary action at Charter Oak State College.

PART IX. PROHIBITED CONDUCT

The following list of behaviors is intended to represent the types of acts that constitute violations of this Code.

1. Academic misconduct, which includes, but is not limited to, plagiarism and all forms of cheating.

*Plagiarism* is defined as the submission of work by a student for academic credit as one’s own work of authorship which contains work of another author without appropriate attribution.

*Cheating* includes, but is not limited to: (i) use of any unauthorized assistance in taking quizzes, tests or examinations; (ii) use of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems or carrying out other assignments; (iii) the acquisition, without permission, of tests or other academic material belonging to a member of the University faculty or staff; and (iv) engaging in any other behavior specifically prohibited by a faculty member in the course syllabus.

2. Acts of dishonesty, including but not limited to the following:
   a. Misuse of University or College documents, including, but not limited to forging, transferring, altering or otherwise misusing a student fee card, student payroll card, identification card or other College or University identification document, course registration document, schedule card, transcript, or any other institution-issued document or record.
   b. Knowingly furnishing false information to any CSCU Official, faculty member or office.

3. Theft of property or services, or damage to, defacement or destruction of, or tampering with, real or personal property owned by the State of Connecticut, CSCU/BOR, the institution, or any member of the CSCU Community.

4. Actual or threatened physical assault or abuse, threatening behavior, intimidation, or coercion.

5. Sexual misconduct may include engaging in one of more behaviors:
(a) **Sexual harassment**, which can include any unwelcome sexual advance or request for sexual favors, or any conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education; submission to or rejection of such conduct by an individual is used as a basis for academic decisions affecting the individual; or such conduct has the purpose or effect of substantially interfering with an individual’s academic performance or creating an intimidating, hostile or offensive educational environment. Examples of conduct which may constitute sexual harassment include but are not limited to:

- sexual flirtation, touching, advances or propositions
- verbal abuse of a sexual nature
- pressure to engage in sexual activity
- graphic or suggestive comments about an individual’s dress or appearance
- use of sexually degrading words to describe an individual
- display of sexually suggestive objects, pictures or photographs
- sexual jokes
- stereotyped comments based upon gender
- threats, demands or suggestions that retention of one’s educational status is contingent upon toleration of or acquiescence in sexual advances.

(b) **Sexual assault** shall include but is not limited to a sexual act directed against another person when that person is not capable of giving consent, which shall mean the voluntary agreement by a person in the possession and exercise of sufficient mental capacity to make a deliberate choice to do something proposed by another.

A person who initially consents to sexual activity shall be deemed not to have consented to any such activity which occurs after that consent is withdrawn. Consent cannot be assumed because there is no physical resistance or other negative response. A lack of consent may result from mental incapacity (e.g., ingestion of alcohol or drugs which significantly impair awareness or judgment) or physical incapacity (e.g., the person is unconscious or otherwise unable to communicate consent). Consent must be affirmative. (See Sexual Misconduct Reporting, Support Services and Processes Policy).

Sexual assault is further defined in sections 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b and 53a-73a of the Connecticut General Statutes.

(c) **Sexual exploitation** occurs when a person takes non-consensual or abusive sexual advantage of another for anyone’s advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:
• Prostituting another person;
• Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
• Non-consensual distribution of photos, other images, or information of an individual's sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
• Going beyond the bounds of consent (such as letting your friends hide in the closet to watch you having consensual sex);
• Engaging in non-consensual voyeurism;
• Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
• Exposing one’s genitals in non-consensual circumstances, or inducing another to expose his or her genitals; or
• Possessing, distributing, viewing or forcing others to view illegal pornography.

6. Intimate partner violence is defined as:

• Including intimate partner violence, which is any physical or sexual harm against an individual by a current or former spouse or by a partner in a dating relationship that results from (1) sexual assault, as defined in section 5 above; (2) sexual assault in a spousal or cohabiting relationship; (3) domestic violence; (4) sexual harassment, as defined in section 5 above or, (5) sexual exploitation, as defined in section 5 above.
• Physical abuse, which can include but is not limited to, slapping, pulling hair or punching.
• Threat of abuse, which can include but is not limited to, threatening to hit, harm or use a weapon on another (whether victim or acquaintance, friend or family member of the victim) or other forms of verbal threat.
• Emotional abuse, which can include but is not limited to, damage to one’s property, driving recklessly to scare someone, name calling, threatening to hurt one’s family members or pets and humiliating another person.

7. Violations of privacy, including, but not limited to, voyeurism and the use of web-based, electronic or other devices to make a photographic, audio or video record of any person without his or her express consent, when such a recording is intended or likely to cause injury or distress. This includes, but is not limited to: (i) surreptitiously taking pictures or videos of another person in spaces such as sleeping areas, bathrooms, gymnasiums, locker rooms, and changing areas; and (ii) sexually exploiting another person by electronically recording or permitting others to view or electronically record, consensual sexual activity without a partner’s knowledge or permitting others to view or listen to such video or audio tapes without a partner’s knowledge and consent. Publicizing or threatening to publicize such records will also be considered a violation of this Code.

8. Hazing, which is defined as an act which endangers the mental or physical health or safety of a Student, or which destroys, damages, or removes public or private property for the purpose of initiation or admission into, affiliation with or as a condition for continued membership in a group or organization. The express or implied consent of the victim will not be a defense to an allegation of hazing. Consenting to the activity by remaining silent or not objecting in the presence of hazing is not a neutral act and is also a violation of this Student Code.
9. Stalking, which is defined as repeatedly contacting another person when:
   
a. The contacting person knows or should know that the contact is unwanted by the other person; and
   
b. The contact causes the other person reasonable apprehension of imminent physical harm or the contacting person knows or should know that the contact causes substantial impairment of the other person's ability to perform the activities of daily life.
   
As used in this definition, the term “contacting” includes, but is not limited to, communicating with (including internet communication via e-mail, instant message, online community or any other internet communication) or remaining in the physical presence of the other person.

10. Harassment, which is defined as conduct which is abusive or which interferes with a person's pursuit of his or her customary or usual affairs, including, but not limited to, such conduct when directed toward an individual or group because of race, ethnicity, ancestry, national origin, religion, gender, sexual orientation or expression, age, physical attribute, or physical or mental disability or disorder, including learning disabilities and mental retardation.

11. Conduct that is disorderly, lewd or indecent (including, but not limited to, public nudity and sexual activity in areas generally open to members of the campus community), breach of peace or aiding, abetting or procuring another person to breach the peace on CSCU premises or at functions sponsored by, or affiliated with the University or College.

12. Behavior or activity which endangers the health, safety, or well-being of oneself or others.

13. Offensive or disorderly conduct which causes interference, annoyance or alarm or recklessly creates a risk thereof at CSCU or CSCU premises, CSCU web or social media sites, at a CSCU-sponsored activity or in college or university courses, including cyber bullying. This offense does not apply to speech or other forms of constitutionally protected expression.

14. Unauthorized possession, duplication or use of keys (including, but not limited to, card access, card keys, fobs, etc.) to any CSCU premises or forcible and/or unauthorized entry on or into CSCU premises.

15. Starting fires, causing explosions, falsely reporting the presence of fire, bombs, incendiary or explosive devices, or falsely reporting an emergency.

16. Unauthorized or improper possession, use, removal, tampering or disabling of fire and/or safety equipment and warning devices, failure to follow standard fire and/or emergency safety procedures, or interference with firefighting or emergency response equipment or personnel.
17. Use, possession, purchase, sale or distribution of alcoholic beverages, except as expressly permitted by law and CSCU regulations. Alcoholic beverages may not, under any circumstances, be used by, possessed by, or distributed to any person under twenty-one (21) years of age.

18. Use, possession, purchase, sale, distribution or manufacturing of narcotics, controlled substances and/or drugs, including, but not limited to, marijuana and heroin, or drug paraphernalia, except as expressly permitted by law.

19. Use, possession or distribution of firearms, ammunition for firearms, other weapons or dangerous instruments, facsimiles of weapons or firearms, fireworks, explosives or dangerous chemicals. A dangerous instrument is any instrument, article or substance that, under the circumstances in which it is being utilized, is capable of causing death or serious physical injury. The possession of a deadly weapon or dangerous instrument on campus is strictly prohibited, even if such item is legally owned.

20. Gambling, including, but not limited to, promoting, wagering, receiving monies for wagering or gambling for money or property on CSCU premises.

21. Disruption or obstruction of any College or University function, activity or event, whether it occurs on or off the campus, or of any non-University or College function, activity or event which is authorized by the institution to occur on its premises.

22. Intentional obstruction of the free flow of pedestrian or vehicular traffic on CSCU premises or at University or College-sponsored or supervised functions or interference with entry into or exit from CSCU premises or with the free movement of any person.

23. Failure to comply with the directions of CSCU officials or law enforcement officers acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so.

24. Conduct that violates published BOR/CSCU policies, rules, and regulations, including, but not limited to, residence hall rules and regulations.

25. Conduct prohibited by any federal, state, and/or local law, regulation or ordinance.

26. Unauthorized use of CSCU property or the property of members of the CSCU Community or of CSCU Affiliates.

27. Theft, unauthorized use, or abuse of University or College computers and/or peripheral systems and networks, including, but not limited to:

   a. Unauthorized access to CSCU computer programs or files;

   b. Unauthorized alteration, transfer or duplication of CSCU computer programs or files;

   c. Unauthorized use of another individual's identification and/or password;
d. Deliberate disruption of the operation of CSCU computer systems and networks;

e. Use of the Institution’s computing facilities and resources in violation of copyright laws (including unauthorized peer-to-peer file sharing of copyrighted material, including, but not limited to, copyrighted music, movies, and software);

f. Use of computing facilities and resources to send obscene messages (which are defined as messages which appeal mainly to a prurient, shameful or morbid interest in nudity, sex, excretion, sadism or masochism, go well beyond customary limits of candor in describing or representing such matters, and are utterly without redeeming social value); and

g. Violation of the BOR Policy Statement on Acceptable and responsible use of Information Technology resources and/or any applicable BOR computer use policy.

28. Abuse of the CSCU conduct and disciplinary system, including but not limited to:

a. Failure to obey the notice from a Hearing Body or CSCU Official to appear for a meeting or hearing as part of the Student Conduct system;

b. Falsification, distortion, or intentional misrepresentation of information to a Disciplinary Officer or Conduct Administrator, or before a Hearing Body;

c. Initiation of a conduct or disciplinary proceeding knowingly without cause;

d. Disruption or interference with the orderly conduct of a disciplinary proceeding;

e. Attempting to discourage an individual’s proper participation in, or use of, the disciplinary system;

f. Attempting to influence the impartiality of a Disciplinary Officer, Conduct Administrator or member of a Hearing Body prior to, and/or during the course of, the disciplinary proceeding;

g. Harassment (verbal or physical) and/or intimidation of a Disciplinary Officer, Conduct Administrator, or member of a Hearing Body prior to, and/or during the course of the disciplinary proceeding;

h. Failure to comply with the sanction(s) imposed under the Student Code; and

i. Influencing or attempting to influence another person to commit an abuse of the disciplinary system.

In addition to disciplinary procedures applicable to State University students in Section II, Community College students in Section III, or Charter Oak State College Students in Section IV, for any hearing
conducted involving allegations of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence the reported victim and the accused student shall each have the following rights:

1. At any meeting or proceeding, both the reported victim and accused student may be accompanied by an advisor or support person of the student’s choice provided the advisor or support person does not cause a scheduled meeting or hearing to be delayed or postponed and provided an advisor or support person may not directly address the Hearing Body, question witnesses, or otherwise actively participate in the hearing process (or other proceeding or pertaining to a report of sexual misconduct);

2. The reported victim of sexual misconduct is entitled to request that disciplinary proceedings begin promptly;

3. Any hearing regarding an accusation of sexual misconduct shall (i) be fair, prompt and impartial; (ii) be conducted by a Hearing Body annually trained in issues relating to sexual misconduct (iii) use the preponderance of evidence (more likely than not) standard; (iv) shall allow both the accused student and reported victim the opportunity to present evidence and witnesses on their behalf during any disciplinary proceeding; (v) shall provide both the accused student and the reported victim with equal access to any information that will be used during meetings and hearings; and (vi) invoke the standard of “affirmative consent” in determining whether consent to engage in sexual activity was given by all persons who engaged in sexual activity.

4. In accordance with the Family Educational Rights and Privacy Act (FERPA), the accused student and the reported victim have the right to keep their identities confidential;

5. Any reported victim shall be provided written notice of the decision of the Hearing Body at the same time as the accused student, normally within one (1) business day after the conclusion of the Hearing. In accordance with the Family Educational Rights and Privacy Act (FERPA) the notice to any reported victim of sexual misconduct shall contain only the following: the name of the accused student, the violation committed, if any, and any sanction imposed against the accused student.

6. The reported victim shall have the same right to request a review of the decision of the Hearing Body (appeal rights) in the same manner and on the same basis as shall the accused student; however, if a request for review by a reported victim is determined to be properly made and if the review determines there is sufficient grounds for altering the decision of the Hearing Body, among the other actions that may be taken as set forth above, the sanction of the hearing may also be increased. Notwithstanding the foregoing, in any hearing pertaining to sexual misconduct both the reported victim and the accused student are entitled to be simultaneously provided notice of any change in the results of the hearing prior to the time when the results become final as well as to be notified when such results become final.

\[1\]The standard of “Affirmative Consent” is set forth in the BOR Sexual Misconduct Reporting, Support Services and Processes Policy and is incorporated herein by reference.
CHAPTER: CONDUCT AND DISCIPLINARY RECORDS

The written decision resulting from an administrative conference or a hearing under this Code shall become part of the student’s educational record and shall be subject to the provisions of the Family Educational Rights and Privacy Act (FERPA). A student’s disciplinary record shall be maintained separately from any other academic or official file maintained by the Institution. Disciplinary records will be maintained for a period of five (5) years from the date of the incident, except that the sanction of expulsion shall be noted permanently.

While student education records are generally protected from disclosure by FERPA, there are a number of exceptions to this rule. Students should be aware that a record concerning his/her behavior while a student at the College or University may be shared with other colleges or universities to which the student may subsequently wish to transfer or be admitted. Similarly, prospective employers may require a student to provide access to his/her education records as part of the employment application process. A record of having been sanctioned for conduct that violates Section I.D. of the Code may disqualify a student for admission to another college or university, and may interfere with his/her selection for employment.

PART G: INTERPRETATION AND REVISION

Questions regarding the interpretation of this Code shall be referred to the University’s and Charter Oak State College’s Provost or a Community College’s Dean of Students or their designees for the administration of the Non-Academic Misconduct portion of the Student Code and to the University’s Vice President for Student Affairs, a Community College’s Dean of Academic Affairs or Charter Oak State College’s Provost or their designees for the administration of the Academic Misconduct portion of the Student Code.

This Code shall be reviewed and revised, if and as necessary, every five (5) years, or as directed by the President of the Board of Regents for Higher Education.
II. CONDUCT AND DISCIPLINARY PROCEDURES
APPLICABLE TO STATE UNIVERSITY STUDENTS

Procedures for University students differ from those procedures applicable to either the Community Colleges or Charter Oak State College. This is due to the environmental, cultural, and administrative differences within the types of the institutions comprising CSCU. Procedures for addressing allegations and sanctions regarding academic misconduct (as defined in Section I.D.1) for University Students as set forth in this Section II of the Code.

CHAPTER: DISCIPLINARY PROCEDURES - ACADEMIC MISCONDUCT

1. Instructor’s Role:
When the instructor of record or his or her designee believes that an act of academic misconduct has occurred, he or she shall notify the student of the allegation and save any evidence of such misconduct in its original form. (Copies of the Accused Student’s work will be provided to the Student upon request.) In addition, the instructor shall not transmit a final grade to the Registrar until such time as the allegation(s) of academic misconduct are finally determined. Each institution shall establish implementation guidelines in accordance with this Code.

2. Information from Person Other than Student’s Instructor: Any member of the CSCU Community may provide information which might lead to a complaint against a Student alleging academic misconduct.

3. The Academic Misconduct Hearing Board: There shall be an academic misconduct hearing board convened by the University’s Disciplinary Officer to consider allegations of academic misconduct lodged against a Student. The University’s disciplinary officer shall be a non-voting member of the board and act as convener.

4. Hearing Process: The Accused Student shall be afforded adequate notice of the allegation, an opportunity to discuss the allegation with the instructor, and adequate time to request and prepare for a hearing. All parties shall have an opportunity to be heard and a record of the proceedings shall be made. The decision of a hearing board shall be communicated in writing.

5. Sanctions: If the academic misconduct hearing board determines that the Accused Student is "Not Responsible," the board shall not impose any sanctions. The board shall so advise the Student’s instructor and the instructor shall reevaluate the student’s course grade in light of the Board’s determination. If the academic misconduct hearing board determines that the Accused Student is "Responsible," the academic sanction set forth in the instructor’s course syllabus shall be imposed.

The academic misconduct hearing board may make a recommendation to change the academic sanction imposed by the instructor on the basis of its hearing of the evidence of academic misconduct. (Should the academic sanction not be changed pursuant to this recommendation, the University reserve the right to change the academic sanction.) Upon
consideration of the Accused Student's record of misconduct and/or the nature of the offense, the academic misconduct hearing board may impose additional non-academic sanctions in proportion to the severity of the misconduct. These sanctions may include the following: warning, written reprimand, discretionary sanctions, suspension and/or expulsion, as described in II.D of this Student Code of Conduct.

6. **Appeals:** The decision rendered by the academic misconduct hearing board may be appealed to the Provost/Academic Vice President, who shall review the record of the hearing, including any and all documents presented to the academic misconduct hearing board. An appeal shall be in writing and shall be delivered to the Provost/Academic Vice President within three (3) calendar days of receipt of the academic misconduct hearing board’s written decision.

An appeal may be brought on any of four grounds: (a) a claim that error in the hearing procedure substantially affected the decision; (b) a claim that new evidence or information material to the case was not known at the time of the hearing; (c) a claim that the non-academic sanction(s) imposed were not appropriate for the violation of the Code for which the accused student was found responsible; and/or (d) a claim that the academic sanction imposed has resulted in a palpable injustice. The Provost/Academic Vice President shall have the right to deny an appeal not brought on any of the foregoing grounds. The decision rendered by the Provost/Academic Vice President shall be final and there shall be no further right of appeal.

**PART B: DISCIPLINARY PROCEDURES - NONACADEMIC MISCONDUCT**

The following procedures shall be followed in addressing allegations of non-academic misconduct.

1. **Providing Information leading to a Complaint:** Any person may provide information leading to the filing of a complaint against a Student or a Student Organization alleging a violation of the Student Code. A complaint must be made in writing and submitted to the University’s Disciplinary Officer or Conduct Administrator.

2. **Disciplinary Proceedings Against a Student Charged with a Violation of Law and a Violation of the Code:** University proceedings may be instituted against an Accused Student who has been charged with a violation of state or federal law for conduct which also constitutes a potential violation of this Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following the institution of civil or criminal court proceedings against the Accused Student. Determinations made or sanctions imposed under this Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
3. **Disciplinary Proceedings Against a Student Charged with Sexual Assault, Sexual Intimate Partner, Domestic Violence or Other Sex Related Offense:** See Section 1.E

4. **Pre-Hearing Investigation and Administrative Disposition:**
   a. The Disciplinary Officer or Conduct Administrator may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the Accused Student and the Disciplinary Officer or Conduct Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Disciplinary Officer or Conduct Administrator may also present the case for the University at any subsequent hearing, but if he or she does, he or she shall not serve as a member of the Hearing Body.
   
   b. The Disciplinary Officer or Conduct Administrator may conduct an investigation to determine if there is reason to believe the student has committed a violation of any part of Section 1.D. of the Code and, after considering both the possible violation and the prior conduct record of the student, if the Disciplinary Officer or Conduct Administrator determines that a sanction of less than residential hall separation or suspension or expulsion from the University is appropriate, the Disciplinary Officer or Conduct Administrator shall schedule an administrative conference with the student. The student shall be given reasonable notice of the time and place of the conference. At the administrative conference, the student shall have the opportunity to present information for the Disciplinary Officer’s or Conduct Administrator’s consideration. At the conclusion of the administrative conference, the Disciplinary Officer or Conduct Administrator shall determine whether it is more likely than not that the student has violated the Policy and, if so, impose a sanction less than residential hall separation, or suspension or expulsion from the University. The Disciplinary Officer or Conduct Administrator shall provide the student with a written explanation for the determination. The decision of the Disciplinary Officer or Conduct Administrator shall be final.

5. **Hearing Bodies:** A Student accused of misconduct has the right to be heard by an impartial Hearing Body. Any concern surrounding the impartiality of the Hearing Body or any member thereof will be referred to the Vice President for Student Affairs or his or her designee, who will review the matter and make a determination. Any Hearing regarding an accusation of sexual assault, sexual misconduct, intimate partner, domestic violence or other sex related offense or intimate partner violence shall be conducted by an impartial Hearing Body trained in issues relating to sexual assault, sexual violence, intimate partner, and domestic violence.

6. **Hearing Procedures:**
   a. **Notice of Hearing:** Normally, a hearing will be conducted within ten (10) calendar days of the Accused Student being notified of the charges. Notice may be provided to the Accused Student by in-hand delivery, by registered mail, with delivery receipt attached or by certified mail, return receipt requested by University email or by overnight delivery with signature of recipient required.
Accused Student refuse to accept in-hand delivery, a written statement of the attempted delivery of the notice signed by the person attempting to make such delivery shall constitute notice. Should the Accused Student refuse to sign for registered or certified mail, the postal document indicating such refusal shall constitute notice.

The notice shall advise the Accused Student of each section of the Student Code alleged to have been violated and, with respect to each such section, a statement of the acts or omissions which are alleged to constitute a violation of the Code, including the approximate time when and the place where such acts or omissions allegedly occurred.

The Accused Student shall be afforded a reasonable period of time to prepare for the hearing, which period of time shall not be less than three (3) Calendar Days. The Accused Student, the Reporting Party and/or any alleged victim may request a delay of the hearing due to extenuating circumstances. Any decision to postpone the hearing shall be made by the Disciplinary Officer or Conduct Administrator or by the Hearing Body, or by the designee of the Vice President for Student Affairs.

b. Hearing: Hearings shall be closed, but the Hearing Body may, in its discretion, admit any person into the hearing room. The Hearing Body shall have the authority to discharge or to remove any person whose presence is deemed unnecessary or obstructive to the proceedings.

The Accused Student, the Reporting Party and any alleged victim shall have the right to be present at all stages of the hearing process except during the private deliberations of the Hearing Body and the presentation of sanctions. In hearings involving more than one Accused Student, the Hearing Body may determine that, in the interest of fairness, separate hearings should be convened.

In any Hearing alleging sexual assault, sexual, intimate partner, domestic violence or other sex related offense, any alleged victim and the Accused Student are entitled to:

1) be accompanied to any meeting or proceeding by an advisor or support person of their choice, provided that the advisor or support person does not cause a scheduled meeting to be delayed or postponed;
2) present evidence and witnesses on their behalf;
3) in accordance with the Family Educational Rights and Privacy Act (FERPA), to have their identities kept confidential.

In addition, the alleged victim of sexual assault, sexual, intimate partner, domestic violence or other sex related offense is entitled to request that disciplinary proceedings begin promptly.

c. Record of Hearing: When expulsion or suspension from the University or residence hall separation is a possibility, the University shall make a recording of the hearing. The recording shall be the property of the University. No other recordings shall be made by any person during the hearing. Upon request, the Accused Student may
review the recording in a designated University office in order to prepare for an appeal of the decision rendered by the Hearing Body. Further disclosure of the recording shall be governed by applicable state and federal law.

d. **Opportunity to Present a Defense:** The Accused Student shall have the full opportunity to present a defense and information, including the testimony of witnesses, in his or her behalf. The Reporting Party and the Accused Student may question the statements of any person who testifies in a manner deemed appropriate by the Hearing Body. The Reporting Party and the Accused Student may make concluding statements regarding the charges made and the information presented during the hearing. The Hearing Body may question the Accused Student and the Reporting Party, any witness presented by the Accused Student or the Reporting Party, and any other witness(es) the Hearing Body may choose to call to testify.

e. **Accused Student Can Choose Whether or Not to Testify in His or Her Own Defense:** The Accused Student who is present at the hearing shall be advised by the Hearing Body that he or she is not required to testify, to answer questions, or to make any statement regarding the complaint or the allegations set forth in the complaint. Refusal to do so shall not be considered by the Hearing Body to constitute evidence of responsibility.

f. **Non-Appearance of Accused Student at Disciplinary Hearing:** If an Accused Student does not appear at a disciplinary hearing, the Hearing Body shall enter a plea of "not responsible" on behalf of such student and the hearing shall proceed in the normal manner of hearing evidence, weighing facts, and rendering judgment. The failure of an Accused Student to appear at the disciplinary hearing shall not be considered by the Hearing Body to constitute evidence of responsibility.

g. **Advisors and Support Persons:** The Reporting Party, any alleged victim, and the Accused Student shall each have the right to be accompanied by an Advisor and Support Person. The Advisor and the Support Person should be someone whose schedule allows attendance at the scheduled date and time for the disciplinary hearing because delays will not normally be allowed due to the scheduling conflicts of an Advisor or Support Person.

h. **Presentation of Evidence:** Only evidence introduced at the hearing itself may be considered by the Hearing Body in determining whether it is more likely than not that the alleged violation was committed by the accused student.

i. **Evidence of Prior Convictions or Disciplinary Actions:** Evidence of prior criminal convictions or University disciplinary actions may be presented to the Hearing Body only after a determination of responsibility has been made and only for consideration in connection with determining the sanction.

j. **Accommodation of Witnesses:** The Hearing Body may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Reporting Party, the Accused Student, and/or other witnesses during the hearing by providing separate facilities, by using a visual screen, and/or by permitting
participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Hearing Body to be appropriate.

k. **Written Notice of Decision:** The Accused Student shall receive written notice of the decision of the Hearing Body that shall set forth the decision rendered, including a finding of "responsible" or "not responsible," and the sanctions imposed, if any. The decision of the Hearing Body, as well as the sanction(s) imposed, if any, generally will not be released to third parties without the prior written consent of the Accused Student. However, certain information may be released if and to the extent authorized by state or federal law.

With respect to Hearings alleging sexual assault, sexual, intimate partner, domestic violence or other sex related offenses, any alleged victim shall receive written notice of the decision of the Hearing Body at the same time as the Accused Student, normally within one (1) business day after the conclusion of the hearing.

In accordance with the Family Educational Rights and Privacy Act (FERPA) the notice to any alleged victim of sexual assault, sexual, intimate partner, domestic violence or other sex related offenses shall contain only the following: the name of the student, the violation committed and any sanction imposed against the student.

6. **Review:** An Accused Student may request that the decision of the Hearing Body be reviewed by the Vice President for Student Affairs or his or her designee. A request for review must be made in writing to the Vice President for Student Affairs or his or her designee within three (3) Calendar Days of the Accused Student’s receipt of the written notice of decision. For good cause shown, the Vice President for Student Affairs may extend the three-University Calendar Day limitation on filing a request for a review. An Accused Student may request only one review of each decision rendered by the Hearing Body. A decision reached as a result of an Administrative Disposition may not be reviewed.

b. **Grounds for Review:** The Accused Student has the right to request a review of the decision of the Hearing Body on the grounds that: (i) the procedures set forth in this Code were not followed and, as a result, the decision was substantially affected; (ii) the sanction(s) imposed were not appropriate for the violation of the Code for which the Accused Student was found responsible; and/or (iii) new information, sufficient to alter the decision, or other relevant facts were not brought out in the original hearing because such information and/or facts were not known to the Accused Student at the time of the original hearing. The review shall be limited to a review of the record except as required to explain the basis of new information.

b. **Review Procedures:** In order to prepare for the review, the Accused Student may review the recording of the original hearing in a designated University office but will not be permitted to remove the recording from that office or make copies. The review will not be heard by anyone involved in the initial hearing. The review shall be considered and a decision rendered within ten (10) Calendar Days of the filing of the request for review.
If a request for review is granted, the matter shall be referred to the original Hearing Body for reconsideration of its original determination or to a newly-constituted Hearing Body for a new hearing, or the sanction imposed may be reduced, as appropriate. If a request is not granted, the matter shall be considered final and binding upon all involved.

c. **Status of Student Pending Review:** All sanctions imposed by the Hearing Body shall be and continue in effect pending the outcome of a review. Any request to delay the commencement of sanctions pending a review must be made by the Accused Student, in writing, to the Vice President for Student Affairs or his or her designee.

d. With respect only to Hearings related to sexual assault, sexual, intimate partner, domestic violence or other sex offense, the alleged victim shall have the same right to request a review in the same manner and on the same basis as shall the Accused Student as set forth above; however, in such cases, if a review by any alleged victim is granted, among the other actions that may be taken as set forth above, the sanction of the Hearing may also be increased.

Upon review, if the decision or sanction of the disciplinary proceeding is changed, any alleged victim must be notified in writing of the change in decision or sanction at the same time that the Accused Student is notified.

**PART II: INTERIM SUSPENSIONS AND RESIDENCE HALL SEPARATIONS**

In certain circumstances, the Vice President for Student Affairs, or his or her designee, may impose an interim suspension or residence hall separation on an Accused Student prior to the hearing before the Hearing Body.

1. **Basis for Imposition of Interim Suspension or Residence Hall Separation:** An interim suspension may be imposed upon an Accused Student only: (i) to ensure the safety and well-being of members of the University Community or preservation of University property; (ii) to ensure the Student’s own physical or emotional safety and well-being; or (iii) if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.

A residence hall separation may be imposed if a Student’s continued presence will disrupt the academic and social well-being of the residential community. Residence hall separation is the removal of a student from the University residence hall in which he or she resides. Such separation may include a restriction of access to all or designate University residence halls. During the period of the separation, the removed Student shall not be permitted to enter the designated hall(s) as a guest of another resident.

An interim suspension or residence hall separation is not a sanction and will continue in effect only until such time as a hearing on the alleged violation has been completed.
2. **Effect of Interim Suspension or Residence Hall Separation**: During the interim suspension or residence hall separation, the removed Student shall be denied access to the residence halls and/or to the campus (including classes) and/or all other University activities or privileges for which the Student might otherwise be eligible, as the Vice President for Student Affairs, or his or her designee, may determine to be appropriate.

3. **Procedure**: The Accused Student shall be notified, either orally or in writing, of the pending imposition of an interim suspension or residence hall separation. Whenever possible prior to the imposition of the interim suspension or suspension, the affected Student will be afforded an opportunity to meet with the Vice President for Student Affairs, or his or her designee. Otherwise, the meeting will be held on the first Calendar Day that the Student is available.

At that meeting, the Accused Student will be advised of his/her reported behavior and be offered the opportunity to provide information upon which the determination may be based whether or not the Student engaged in conduct warranting an interim suspension or residence hall separation.

Any Student placed on an interim suspension will be given an opportunity to appear at an administrative conference or a formal hearing on the misconduct charges lodged against him or her in accordance with ILB.5 of this Code within ten (10) Calendar Days of being placed on such suspension, or as soon as practical after the Accused Student is prepared to participate in such a hearing.

### PART D: DISCIPLINARY SANCTIONS

Sanctions which may be imposed for violations of the Student Code are listed below. In determining appropriate sanctions, the Hearing Body may take into consideration any and all prior violations of the Code for which the Accused Student was determined to be responsible. The Hearing Body shall have the authority to defer the imposition of any sanction when deemed appropriate. The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code, including the completion of all sanctions imposed, if any.

1. **Sanctions Which May Be Imposed for Violations of the Code**: The following sanctions may be imposed, individually or in various combinations, on any student found to have violated the Student Code, and will be entered into the Student’s disciplinary records. Notation of disciplinary sanctions shall be on file only in the appropriate office in the Division of Student Affairs and shall not be released without the written consent of the Student except to appropriate University enforcement personnel, University police, staff and administrators, or as required by law.

   a. **Warning**: A disciplinary warning is a written notice to a Student advising him or her that specific behavior or activity constitutes a violation of the Code and that the repetition of such behavior will likely result in the commencement of more serious disciplinary action by the University.
b. **Fine:** A sanction involving the imposition of a specified dollar amount due and payable by a specified date.

c. **Probation:** Disciplinary probation is a designated period of time during which a Student is given the opportunity to modify unacceptable behavior and/or to complete specific assignments in an effort to regain full student privileges within University Community. Disciplinary probation may involve the imposition of certain restrictions and/or conditions upon the Student including, but not limited to, financial restitution, community service, fines, referral for professional services such as counseling, participation in educational programs, parental notification under limited circumstances, and ineligibility to participate in University activities or events. Periodic contact with a designated member of the University Community or non-college professional may be required. If the Student fully complies with the terms and conditions imposed in connection with the disciplinary probation, full student privileges will be restored to the student upon termination of the probationary period. Failure to comply with the terms and conditions of the probation constitutes prohibited conduct that is separate from and in addition to the conduct for which the probation was imposed. A Student accused of violation of probation will be given due notice of the alleged violation and the procedures set forth in this Code shall be followed.

d. **Loss of Privileges:** Denial of specified privileges for a designated period.

e. **Restitution:** Compensation for loss, damage to real or personal property. This may take the form of appropriate service and/or monetary or material replacement.

f. **Discretionary Sanctions:** Work assignments, essays, service to the University, or other related discretionary assignments, referral for professional services such as counseling, participation in educational programs, parental notification under limited circumstances, and ineligibility to participate in University activities or events. Periodic contact with a designated member of the University Community or non-college professional may be required.

g. **Residence Hall Warning:** A written notice to a Student advising him or her that specific behavior or activity constitutes a violation of the Code and that the repetition of such behavior will likely result in the commencement of more serious disciplinary action by the University.

h. **Residence Hall Probation:** Residence hall probation is a designated period during which an Accused Student is given the opportunity to modify unacceptable behavior and/or to complete specific assignments in an effort to regain full student privileges within the residence hall in which the Student resides. Residence hall probation may include restrictions and/or conditions on the exercise of residence hall activities and privileges. Periodic contact with a designated member of the residence hall staff or professional may be required. If the Accused Student fully complies with the terms and conditions imposed in connection with the residence hall probation,
full residence hall privileges will be restored to the Student upon termination of the probationary period. Failure to comply with the terms and conditions of the probation constitutes prohibited conduct that is separate from and in addition to the conduct for which the probation was imposed. A Student accused of violation of probation will be given due notice and the procedures set forth in this Code shall be followed.

i. **Residence Hall Separation:** Separation of the Student from the residence halls for a definite period of time, after which the Student is eligible to return. Conditions for readmission may be specified.

j. **Residence Hall Expulsion:** Permanent separation of the Student from the residence halls.

k. **Suspension:** Suspension is temporary disciplinary separation from all universities among CSCU and the denial of all student privileges. Suspension shall be effective on the date that notice of the suspension is provided to the Accused Student, or later, if so stated in the notice, and shall prescribe the date and conditions upon which the Student may petition for readmission to the University. A Student separated from all universities within CSCU by suspension may under the terms of the suspension be excluded from the premises of all CSCU premises when in the judgment of the suspending authority, the Student's continued presence would constitute a danger to persons or property or a threat to the academic process. Notwithstanding the foregoing, the suspending authority of the suspended Student's home University or his or her designee may authorize a suspended student who has been excluded from all University premises to enter the premises of the student's home University for designated purposes.

l. **Expulsion:** Expulsion is permanent disciplinary separation from all universities within CSCU and the denial of all student privileges. Expulsion shall be effective on the date that notice of expulsion is provided to the Accused Student, or later, if so stated in the notice. A student separated from all universities of CSCU by expulsion may under the terms of the expulsion be excluded from all CSCU Premises when in the judgment of the expelling authority the Student's presence would constitute a danger to persons or property or a threat to the academic process.

Revocation of Admission and/or Degree: Upon the recommendation of the Hearing Body, admission to or a degree awarded from the University may be revoked by the University, acting through its President (or his or her designee) for fraud, misrepresentation, or other violation of University standards in obtaining admission or the degree.

Consequences of Failure to Comply with a Duly Assigned Sanction: Failure to comply with sanctions which have been assigned through a formal judicial process may lead to one or more of the following consequences:

a. Denial of access to certain university services, including, but not limited to housing and parking:
b. Denial of access to administrative processes, including, but not limited to, course add/drop, pre-registration, registration, and room selection; and/or

c. Withholding of the privilege of participation in university sponsored activities and/or public ceremonies, or formal disciplinary charges under II.B hereof.

3. Sanctions Which May Be Imposed on Student Organizations

a. Sanctions: Those sanctions listed in subsections 1.a through f of Section II.D.

b. Loss of recognition: Loss of recognition for a specified period of time results in the loss of privileges, such as the use of university space, access to student activity fee funding, and/or the privilege of functioning as a student organization. Loss of recognition for more than two (2) semesters shall require that an organization reapply for University recognition. Conditions for future recognition may be imposed by the hearing body.
III. CONDUCT AND DISCIPLINARY PROCEDURES APPLICABLE TO COMMUNITY COLLEGE STUDENTS

Procedures for Community College students differ from those procedures applicable to either the Universities or Charter Oak State College. This is due to the environmental, cultural and administrative differences within the types of the institutions comprising CSCU. Procedures for addressing allegations and sanctions regarding academic misconduct (as defined in Section I.D.1 above) for Community College Students as set forth in this Section III of the Code.

PART A DISCIPLINARY PROCEDURES (Academic and Non-Academic Misconduct)

In regard to College Students, the following procedures shall govern the enforcement of the Code:

1. Information that a student may have violated the Code should be submitted to the Dean of Students, Dean of Academic Affairs or other designee of the President (hereinafter referred to as "the Dean"), normally within thirty (30) calendar days of the date of a possible violation or within thirty (30) calendar days of the date that the facts constituting a possible violation were known.

2. Upon receipt of information relating to a possible violation, the Dean may immediately place restrictions on or suspend a student on an interim basis if, in the judgment of the Dean, the continued presence of the student at the College or continued participation in the full range of college activities poses a danger to persons or property or constitutes an ongoing threat of disrupting the academic process.

   a. "Interim restrictions" are limitations on the Student's participation in certain College functions and activities, access to certain locations on campus or access to certain persons, that do not prevent the Student from continuing to pursue his/her academic program. A Student upon whom the Dean has placed interim restrictions shall be afforded written reasons for the restrictions, as well as the time period during which the interim restrictions shall apply. The decision of the Dean regarding interim restrictions shall be final.

   b. "Interim suspension" is the temporary separation of the Student from the College that involves the denial of all privileges, including entrance to College premises. Prior to imposing an interim suspension, the Dean shall make a good faith effort to meet with the Student. At this meeting, the Dean shall inform the Student of the information received and provide the Student an opportunity to present other information for the Dean's consideration. Based upon the information available at that time, the Dean shall determine whether the Student's continued presence on campus poses a danger to persons or property or constitutes an ongoing threat of disrupting the academic process. A Student suspended on an interim basis by the Dean shall be provided written reasons for the suspension and shall be entitled to an administrative conference or a hearing as soon as possible, normally within ten (10) calendar days from the date the interim suspension was imposed. The decision of the Dean regarding an interim suspension shall be final.

3. Following the imposition of interim restrictions or interim suspension, if any, the Dean shall promptly investigate the information received by meeting with individuals who may have knowledge of the matter, including the accused Student, and by reviewing all relevant documents.
If upon the conclusion of the Dean’s investigation, the Dean determines that there is insufficient reason to believe the Student has committed a violation of any part of Section I.D. of this Policy, the Dean shall dismiss the matter and shall so inform the Student in writing.

4. If upon the conclusion of the Dean’s investigation, the Dean determines that there is reason to believe the Student has committed a violation of any part of Section I.D. of this Code and, after considering both the possible violation and the prior conduct record of the Student, that a sanction of less than suspension or expulsion is appropriate, the Dean shall schedule an administrative conference with the Student. The Student shall be given reasonable notice of the time and place of the conference. At the administrative conference, the Student shall have the opportunity to present information for the Dean’s consideration. At the conclusion of the administrative conference, the Dean shall determine whether it is more likely than not that the Student has violated the Policy and, if so, impose a sanction less than suspension or expulsion. The Dean shall provide the Student with a written explanation for the determination. The decision of the Dean shall be final.

5. If upon the conclusion of the Dean’s investigation, the Dean determines that there is reason to believe the Student has committed a violation of any part of Section I.D. of this Code and, after considering both the violation and the prior conduct record of the Student, that a sanction of suspension or expulsion is appropriate, the Dean shall provide the Student with reasonable written notice of a meeting and shall inform the Student that his/her failure to attend the meeting or to respond to the notice may result in the imposition of the maximum permissible sanction. At the meeting, the Dean shall provide the Student with a written statement that shall include the following:

   a. a concise statement of the alleged facts;
   b. the provision(s) of Section I.D. that appear to have been violated;
   c. the maximum permissible sanction; and
   d. a statement that the student may resolve the matter by mutual agreement with the Dean, or may request a hearing by notifying the Dean in writing, which must be received by 5:00pm on the following business day.

6. If the Student requests a hearing, he/she is entitled to the following:
   a. to be heard within five (5) days or as soon as reasonably possible, by an impartial party or panel whose members shall be appointed by the Dean;
   b. if the Dean appoints an impartial panel, to have a Student on the panel if requested by the Student;
   c. to appear in person and to have an advisor who not shall attend as a representative of the Student. However, if there is pending at the time of the hearing a criminal matter pertaining to the same incident that is the subject of the hearing, a lawyer may be present for the sole purpose of observing the proceedings and advising the Student concerning the effect of the proceedings on the pending criminal matter;
   d. to hear and to question the information presented;
   e. to present information, to present witnesses, and to make a statement on his or her behalf; and
   f. to receive a written decision following the hearing.

7. As used herein, the term “impartial” shall mean that the individual was not a party to the incident under consideration and has no personal interest in the outcome of the proceedings. Prior to the
commencement of the hearing, the Student who is subject to the hearing may challenge the appointment of an impartial party or panel member on the ground that the person(s) is (are) not impartial. The challenge shall be made in writing to the Dean and shall contain the reasons for the assertion that the person(s) is (are) not impartial. The decision of the Dean shall be final.

8. The written decision of the impartial party or panel shall specify whether, based on the information presented, it is more likely than not that the Student committed the violation(s) reported and shall state the sanction to be imposed, if any. The written decision shall be provided to the Student.

9. Sanctions imposed by an impartial party or panel are effective immediately. The President may, for good cause, suspend imposition of the sanctions imposed by the impartial party or panel to allow the Student time to prepare a written request for review. If a written request is received, the President may continue to suspend imposition of the sanctions until he has reviewed and acted on the Student’s request.

10. A written request for review of the decision of the impartial party or panel must be received by the President within three (3) calendar days after the Student is notified of the decision and must clearly identify the grounds for review. The review by the President is limited to the record of the hearing, the written request, and any supporting documentation submitted with the request by the Student. The decision of the impartial party or the panel shall be upheld unless the President finds that:

   a. a violation of the procedures set forth herein significantly prejudiced the Student; and/or
   b. the information presented to the impartial party or panel was not substantial enough to justify the decision; and/or
   c. the sanction(s) imposed was (were) disproportionate to the seriousness of the violation.

11. Decisions under this procedure shall be made only by the college officials indicated.

PART E: DISCIPLINARY SANCTIONS

The prior conduct record of a Student shall be considered in determining the appropriate sanction for a Student who has been found to have violated any part of Section I.D. of this Code. Sanctions shall be progressive in nature; that is, more serious sanctions may be imposed if warranted by the prior conduct record of the Student.

A “sanction” may be any action affecting the status of an individual as a Student taken by the College in response to a violation of this Policy, and for the purposes of this Section III of the Code include but are not limited to the following:

1. “Expulsion” is a permanent separation from the College that involves denial of all Student privileges, including entrance to College premises;

2. “Suspension” is a temporary separation from the College that involves denial of all Student privileges, including entrance to college premises for the duration of the suspension, and may include conditions for reinstatement;
3. "Removal of College Privileges" involves restrictions on Student access to certain locations, functions and/or activities but does not preclude the Student from continuing to pursue his/her academic program;

4. "Probation" is a status that indicates either (a) serious misconduct not warranting expulsion, suspension, or removal of College privileges, or (b) repetition of misconduct after a warning has been imposed;

5. A "Warning" is a written notice to the Student indicating that he or she has engaged in conduct that is in violation of Section I.D. of this Code and that any repetition of such conduct or other conduct that violates this Code is likely to result in more serious sanctions;

6. "Community Restitution" requires a Student to perform a number of hours of service on the campus or in the community at large.
IV. CONDUCT AND DISCIPLINARY PROCEDURES APPLICABLE TO CHARTER OAK STATE COLLEGE STUDENTS

Procedures for Charter Oak State College students differ from those procedures applicable to either the Community Colleges or the Universities. This is due to the environmental, cultural, and administrative differences within the types of the institutions comprising CSCU. Procedures for addressing allegations and sanctions regarding academic misconduct (as defined in Section I.D.1 above) for Charter Oak State College Students as set for in this Section IV of the Code.

PART I: RIGHTS AND RESPONSIBILITIES OF HEARING PARTICIPANTS

Hearing participants may include the accused student(s), a complainant, witnesses, support person(s), and the members of the hearing body.

The complaining party, any alleged victim, and the student who has been charged shall each have the right to:

2. Review any written complaint(s) submitted in support of the charge(s).
3. Be informed of the hearing process.
4. Request a delay of a hearing due to extenuating circumstances.
5. Be accompanied by an advisor or support person during the hearing.

In addition to the above-mentioned rights, a student who has been charged with a violation of the Student Code of Conduct shall have the right to:

1. Be notified of the proposed information to be presented and to know the identity of witnesses who have been called to speak at the hearing when the Chair of the disciplinary hearing knows such information.
2. Request an alternate hearing panel member when there is reasonable cause to believe that the hearing panel will be unable to conduct an impartial hearing.
3. Be presumed not to be in "violation" of the code unless the facts presented at the hearing prove otherwise.
4. Deny or admit violating the Code of Conduct.
5. Decline to give a personal statement.
6. Present Character Witnesses, if appropriate.
7. Receive a written notice of the sanction(s) imposed.
PART II: DISCIPLINARY PROCEDURES

The Administration and the Faculty of Charter Oak State College believe that all members of the academic community are entitled to expect compliance with Section I.D.1 Prohibited Conduct. Accordingly, any Student or employee of the College may initiate a disciplinary process in the manner specified by this section. Once the process has been initiated, all subsequent decisions concerning possible discipline of a Student or students rest with the appropriate College officials. The President shall designate the Provost or another College official to have responsibility for the disciplinary procedures.

1. A statement of possible violation must be filed in writing with the Provost within thirty (30) business days of the date of the alleged violation or within thirty (30) business days of the date the alleged violation was known. Said statement must specify the Student conduct in question and the part or parts of Section I.D.1 Prohibited Conduct, which it is alleged said conduct violates, if applicable.

2. If the Provost determines that the alleged conduct may violate the provisions of the Code or otherwise threatens the safety or order of the College, the Provost shall, within ten (10) business days of receiving a written statement, provide written notice to the Student of the statement of possible violation(s) and the fact that the allegations will be investigated. The investigation shall be conducted by the Provost and/or his or her designee(s), and may include but not be limited to interviews with witnesses, the complainant(s), and review of any pertinent materials and information, and shall include an interview with the Student suspected in engaging in misconduct conduct unless the Student suspected declines to be interviewed. The investigation shall be completed within thirty (30) business days of the Provost's receipt of the written statement of possible violation. A record of the investigations will be maintained.

3. Following completion of the informal investigation specified above, the Provost will (a) determine that there is insufficient basis in fact and dismiss the matter or (b) conclude that there is a sufficient factual basis for discipline.

4. If the Provost determines there is a sufficient factual basis for moving forward with disciplinary proceedings, he or she shall cause a written statement of charges to be provided to the Student. Said statement shall contain (a) a concise statement of the facts on which the charge is based; (b) a citation of the rule or rules alleged to have been violated; (c) a statement of the maximum penalty sought; (d) a statement that the Student may request a hearing by responding in writing to the Provost within thirty (30) business days requesting such hearing; and (e) a statement that failure to request a hearing may result in imposition of the penalty sought.

5. If the Student requests a formal hearing, the Student is entitled to the following: (a) a hearing be conducted within thirty (30) business days after receipt by Provost of a written request for a hearing; (b) to be heard by an impartial panel chaired by the Dean of the Faculty or his/her designee and composed of no fewer than two members of the Charter Oak State College Faculty, one appointed by the Dean of the Faculty and one Student appointed by the Student Association; (c) to appear in person or through a conference call or other mutually agreed upon electronic means, or to have a representative attend on his/her behalf; (d) be accompanied by a support person during the hearing; (e) to hear and have a reasonable opportunity to question adverse witnesses and present evidence and testimony in his/her behalf; and (f) to receive a written decision within ten (10) business days following the hearing specifying the panel's
findings and the penalty assessed, if any. The hearing shall be taped and a record shall be maintained of this hearing.

6. Hearing: A hearing shall be conducted following the guidelines specified below:

**On-site:**

a. A hearing shall be conducted in private.

b. Admission of any person into the hearing room shall be at the discretion of the chair of the hearing body. The chair, who is the Dean of the Faculty or his/her designee, shall have the authority to discharge or to remove any person whose presence is deemed unnecessary or obstructive to the proceeding.

c. Except as directed by the chair, support persons shall limit their role in a hearing to that of a consultant to the accused, to the complainant or to the victim.

d. The complainant and the accused are responsible for presenting their respective witnesses, any additional information, and any concluding statements regarding the charges and the information.

e. In a manner deemed appropriate by the chair, the complainant and/or the accused may question the statements of any person who testifies.

f. The hearing panel may question any witness presented by the accused and the complainant, including the complainant and the accused as well as any other witnesses the chair may choose to call.

g. Pertinent records, exhibits, and written statements may be accepted as information for consideration by the Hearing Body at the discretion of the chair.

h. All procedural questions are subject to the final decision of the chair or the Provost.

i. After the hearing has concluded, the hearing panel, in private, will decide whether the Student charged with misconduct is in violation of the Student Code of Conduct. The Dean of the Faculty or his/her designee may participate in the discussion, but is a non-voting member. Only evidence introduced at the hearing shall be considered in the determination of the decision. Each decision shall be made on the basis of whether or not the information presented at the hearing substantiates the charges in a more likely than not manner.

j. If the panel finds that the student violated the Student Conduct Code, the panel, in private, shall review the Student’s academic transcript and disciplinary record, hear a character witness, if appropriate, and impose the appropriate sanction(s). The decision of the panel will be provided in writing to the Provost. The decision and sanction will be sent to the student in writing by the Provost.

k. A taped record of the hearing will be maintained. The record shall be the property of the College.

**Via the Phone:**

a. For the accused or complainant who cannot attend in person, Charter Oak State College will set up a conference call.

b. Twenty-one (21) business days before the hearing, the Provost must receive all materials to be presented by the accused and by the complainant, including the names and relationships of the character witnesses and support persons. The Provost will send copies of the materials to the hearing panel, the accused, and
the complainant at least seven (7) business days before the hearing. The Provost will arrange for the conference call.

c. The procedures outlined in the "on-site" section will be followed, unless they specifically apply only to the on-site hearing.

d. Within ten (10) business days of the conclusion of the formal hearing, a Student may appeal the decision, in writing, to the President. An appeal shall be limited to a consideration of the verbatim record of the hearing and supporting documents for one or more of the following: a.) the process set forth in the guidelines was not followed and resulted in prejudice to the Student; b.) the evidence presented was insufficient to justify the decision; and c.) sanction(s) imposed was/were disproportionate to the gravity of the offense. The President may accept the decision of the hearing panel, overturn their decision, return the matter to the original hearing panel, or appoint a new hearing panel. The decision of the original hearing panel or the new hearing panel or the President will be sent to the Student in writing by the President and will be final.

e. During any appeal period, any sanctions will remain in place and the Student will not be allowed to participate in a graduation ceremony nor graduate until the review process has been completed and a final decision rendered.

PART C: INTERIM ADMINISTRATIVE ACTION

The President or his/her designee may impose an interim "College Suspension" and/or other necessary restrictions on a Student prior to a hearing on the Student's alleged violation. Such action may be taken when, in the professional judgment of the President or his/her designee, a threat of imminent harm to persons or property exists.

Interim Administrative Action is not a sanction. Rather, it is an action to protect the safety and well-being of an accused Student, or other members of the College community, or greater community or to protect property. Such action is in effect only until a hearing is completed.

PART D: DISCIPLINARY SANCTIONS

Disciplinary penalty shall mean any action affecting the status of an individual as a Student taken by the College in response to a Student's misconduct in violation of Section I.D.1 Prohibited Conduct above, which penalties shall include but not be limited to:

1. Warning - A written notice that the Student has violated College Policy and a warning that another violation will likely result in a more severe sanction.
2. Restitution - Compensation for loss of or damage to property.
3. Academic Sanctions
4. Suspension - Suspension is a temporary disciplinary separation from the College involving denial of all Student privileges, including entrance to College premises. A notation of "suspension" will be placed in the Student database but will not be placed on the Student transcript. Charter Oak State College will not accept credits earned at another institution or through any other means during a period of suspension. Suspensions shall range from one semester to two years.
5. Students who are suspended will receive no refund of tuition or fees.
6. A Student who has been suspended must apply for re-matriculation if he/she plans to return.
7. Expulsion - Expulsion is mandatory separation from the College involving denial of all Student privileges, including entrance to college premises for a minimum of 5 years.
After the length of the term for expulsion has expired, the Student may request in writing directed to the Provost permission to re-matriculate. That permission must indicate why Charter Oak State College should allow the Student to return.

8. Charter Oak State College will not accept credits earned at another institution or through any other means during a period of expulsion. A permanent notation of "Dismissed" shall be placed on the Student's transcript.

Failure to comply with requirements of Restitution or Academic Sanctions above will result in dismissal from the institution. The Student must complete the requirements of the sanction before he/she would be allowed to apply for readmission and/or graduate.

WRITTEN
NOTIFICATION
I hope that everyone is settling into the new semester. At NCC, we care deeply about student success and realize that students sometimes face challenges in their personal and academic lives.

Faculty and staff are often the first to notice behaviors that may interfere with a student’s ability to be successful and function in the learning environment. Those who are concerned about a student’s behavior are encouraged to report the concern through the online Student of Concern form. This includes emotional/behavioral concerns, disruptive behaviors, threatening words or actions, academic concerns, personal needs, as well as reports of sexual assault, stalking, and intimate partner violence.

All reports are taken seriously, therefore, it is essential to provide as much information as possible. You may be contacted if additional information is needed.

Staff & Faculty Guide for Responding to Sexual and Gender-Based Misconduct

Sexual Harassment; Gender Based Harassment; and Sexual Violence (Sexual Assault, Dating and Domestic Violence, Stalking)

The following guide will help you navigate what to do if a student discloses to you an incident of Sexual or Gender-Based Misconduct.

IMPORTANT: ALL faculty and staff are required to report incidents of sexual and gender—based misconduct of which they become aware to the Title IX Coordinator. The requirement extends to all faculty and staff because of the College's commitment to provide a safe and nondiscriminatory campus, as well as its responsibilities under Title IX. The only exception to this requirement is the following confidential resource: NCC Campus Mental Health Counselors—Lisa Slade (LSlade@norwalk.edu) & Andrea Arnold (AArnold@norwalk.edu)

Prior to Disclosure: If you believe that a student is about to tell you about an incident of sexual or gender-based misconduct, attempt to explain your reporting obligations before they make the disclosure. If the student wants to disclose an incident and keep it confidential, refer them to the NCC Campus Mental Health Counselors.

If the student decides to continue with the disclosure, be sure to take these three important steps.

**STEP 1**
Reassure and Assess Safety
Provide the student with non-judgmental support and ensure the student is safe. If there is immediate danger, call local police.
But remember, it is always the victim's choice whether or not to report to the police.

**STEP 2**
Refer
Explain your reporting duties AND refer students to resources.
(See reverse side for additional information)

**STEP 3**
Report
At the earliest possible time (no later than 24 hours) after the disclosure, fill out a Student of Concern Form found on the NCC website.
*On the main page, scroll over the Student Services tab then click on Counseling Center. On the left hand side, click on Student of Concern Form.*
The form will then be sent to the Title IX Coordinator
Additional Information and Guidance

for NCC Staff & Faculty

Norwalk Community College takes all allegations of sexual and gender-based misconduct seriously. The College recognizes the significant trust relationships faculty and staff have with students, and the difficulty that may come with responding to a disclosure of sexual misconduct by a student. This guide provides guidance and information to assist you in these situations. Please understand however, that this brief guide cannot and does not address every aspect of responding to disclosures of sexual misconduct. If at any point you have questions or want additional guidance or information, please contact Cheryl Devonish at CDeVonish@norwalk.edu or 203-857-7016.

TYPES OF INCIDENTS COVERED. This guide covers incidents of sexual harassment, sexual assault, domestic violence, dating violence, and stalking, regardless of where or when it occurs, or by whom, whether between people of different sexes or the same sex, and regardless of the student's gender identity. If you are unsure if an incident falls into any of these categories, please contact Cheryl Devonish at CDeVonish@norwalk.edu or 203-857-7016.

EXPLAINING YOUR REPORTING DUTIES. If you believe a student is about to tell you about an incident of sexual or gender-based misconduct, attempt to explain your reporting duties before they make the disclosure. If this is not possible, do so soon after the disclosure.

For Example: "Thank you for coming to talk to me about such a serious issue. I need to tell you that if I become aware that sexual or gender-based misconduct has occurred, I am required to inform the Title IX Coordinator who is specially trained to respond so that steps can be taken to ensure your safety and the safety of our community. Your privacy will be respected, but if you prefer to talk to someone who does not have an obligation to report, there are two options on campus. You can speak with NCC Campus Mental Health Counselors—Lisa Slade (LSlade@norwalk.edu 203-857-6818) or Andrea Arnold (AArnold@norwalk.edu 203-857-7022)."

PROVIDING NON-JUDGMENTAL SUPPORT. One of the most important ways to provide support is to listen without judging or blaming. Remember that no matter what the circumstances, no one deserves to be subjected to sexual and gender-based misconduct. Allow the student to talk about their experience. The person may not know what to call what happened; do not define the experience for them. Follow their lead; do not take control of the situation or try to do something to "fix" it. Having experienced sexual and gender-based misconduct can cause the person to feel a loss of control; let the student make their own decisions, and support their decisions. Also understand that everyone responds uniquely in these situations. Some common reactions may include shock, fear, embarrassment, guilt, anger, depression, and/or feeling overwhelmed.

REPORT INFORMATION TO THE TITLE IX COORDINATOR. At the earliest possible time (no later than 24 hours) after you receive the disclosure, fill out a Student of Concern Form found on the NCC website. You must report all relevant details about the incident(s) disclosed by the student. Once you have submitted the form, you do not need to take further action. Understand, however, that you may be contacted for follow-up information as the College responds to the report.

“Risk Reduction”

“Risk Reduction” is not statutorily defined. However, the Federal regulations for the Violence Against Women Act amendments to the Clery Act (VAWA), provides the following definition:

- Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

While VAWA’s definition is criticized as implying that victims can prevent sexual violence by participating in risk reduction programs, it is still helpful in categorizing institution’s sexual violence programs and initiatives for reporting purposes. Examples of risk reduction programs related to sexual violence include, but are not limited to, the following: blue safety lights on campus, self-defense classes, safety tips, bystander intervention techniques, the buddy system, rape whistles, and related educational programming.

CONCERNING “REPORTS” vs. “DISCLOSURES” IN PART IV OF THE AFOREMENTIONED:

A disclosure is a communication of an incident of sexual violence not accompanied with a request for an investigation or adjudication, although there may be a request for accommodations and referral to services.

A report is a disclosure accompanied by an immediate request for an investigation and adjudication.

"Where do You Stand?" Campaign

Have you ever witnessed abuse and wondered how you should intervene? If you should intervene? Have you overheard disrespectful jokes and wondered what you should say? If you should say something at all? Does it really matter? Can I even make a difference?

WHERE DO YOU STAND? positively portrays young men as vital allies and invites all men to consider their own stance on men preventing sexism and sexual assault. This state-wide initiative has been launched in Lower Fairfield County by The Center for Sexual Assault Crisis Counseling and Education. It focuses on engaging Connecticut men in being active in preventing sexual violence in their communities. Its Men of Strength Training Program is designed to equip men with the tools necessary to take a stand against all forms of sexual violence. Men of Strength empowers men to use their voice, influence, and actions to become a part of the solution, rather than being part of the problem.

This training is presented by The Center for Sexual Assault Crisis Counseling and Education.

Cultural Competency Training

The cultural competency training is provided to Freshman Seminar students, and is presented by Cheryl DeVenish, Special Counsel & Compliance Officer. The training is intended to help students develop attitudes, behaviors, and practices that would enable them to interact and work effectively with other students from different cultural backgrounds.
Staff & Faculty Training
Diversity & Sexual Harassment Prevention Training
All Connecticut State employees are required to attend Preventing Sexual Harassment & Diversity Training. CT General Statute 46a-54-204 and Public Act No. 99-180 requires a minimum of two (2) hours of sexual harassment training and three (3) hours of diversity training. Additionally, it is recommended that employees previously trained, receive a "refresher" training every three years.
The protections provided under Title IX, extends to programs and activities such as admission to academic programs, financial aid, course offering, and employment decisions. The Office of Civil Rights of the US Department of Education is responsible for enforcing Title IX.

The NCC's Office of Institutional Compliance is responsible for monitoring and resolving Title IX related issues on campus. Special Counsel & Compliance Officer, Cheryl De Vonish has been designated as the College representative responsible for ensuring that NCC is in compliance with Title IX. Compliance includes publishing a Notice of non discrimination, and having procedures in place to report and investigate sex based harassment and/or violence.

NCC is committed to maintaining an environment free from unlawful harassment and discrimination. Accordingly, all NCC employees (except: NCC's Mental Health Counselor) are mandated reporters. All reports or disclosures of conduct that may constitute sexual misconduct, including allegations of sexual assault, sexual harassment, sexual violence, domestic/dating violence and stalking, should be directed to the attention of Cheryl De Vonish.

Subject: Scheduling Request for Sexual Assault Training
Importance: High

Good Morning,

My supervisor Cheryl and I are working with The Center for Sexual Assault Crisis Counseling and Education to fulfill a Title IX state requirement of providing consent and bystander training on campus.

We wanted to give you an opportunity to have your Freshman seminar students trained on consent this upcoming fall semester. We were hoping that you would allow us to reserve one of your scheduled classes in order to make this possible.

Would it be possible for a representative from the Center to come to your class on Wednesday, September 6 @ 11:10 am to give the consent training? The training should be about 45min-1hr at the most.

We would greatly appreciate it if you could accommodate us, but if not, we completely understand that your class time is dedicated to your already planned curriculum.

I look forward to hearing from you,

NINE FAST FACTS ABOUT
SEXUAL ASSAULT AND TITLE IX

1. Title IX prohibits sex discrimination in education programs that receive federal funding. (This means all public and charter K-12 schools, some private K-12 schools, and nearly all colleges and universities.)

2. Sexual harassment, including sexual assault, is a type of sex discrimination that’s banned by Title IX.

3. Sexual assault = a physical sexual act done against a person. This includes situations in which a person is incapable of giving consent due to drug or alcohol use.

4. One in five women are victims of completed or attempted sexual assault while in college. That’s over 2 million women.

5. Sexual harassment creates a hostile environment when it is sufficiently serious that it interferes with or limits a student’s ability to participate in or benefit from an educational program. (Rape is sufficiently severe to create a hostile environment.)

6. If a school knows (or reasonably should know) about sexual harassment, including sexual assault, that creates a hostile environment, Title IX requires the school to take immediate action to eliminate the harassment, prevent its recurrence, and address its effects.

7. Schools are required to adopt and publish grievance procedures for students who complain of sex discrimination, including sexual assault.

8. If you file a complaint with the school, regardless of where the assault occurred, your school must process the complaint under its grievance procedures.

9. Because a Title IX investigation is different from a law enforcement investigation, even if you file a police report your school is independently required to investigate the assault. This investigation must be prompt, thorough, and impartial.

Annual Security Report

A Message from the Director of Campus Security
September 30, 2017
Dear Norwalk Community College students, faculty and staff,

The mission of Norwalk Community College Security is to afford our students, faculty and staff an opportunity to learn, teach and succeed in a safe and secure environment. We work every day to improve the quality of campus life for students, faculty and staff, and to promote a working environment which recognizes and is respectful of diversity.

We also work cooperatively with the City of Norwalk Police Department and other law enforcement agencies to actively reduce crime throughout the campus community. We are here to serve you, but the campus will remain safe only if we take our responsibilities to ourselves and others seriously. We encourage the campus community members to take proactive approaches towards your safety and helping others. You can assist by simply reporting unusual or suspicious activities or behaviors, and we will make every effort to protect your confidentiality.

In the spirit of public service, we are pleased to offer the NCC Annual Security Report. This report contains information about crimes reported to NCC Campus Security, statistics are also compiled from law enforcement agencies in jurisdictions where NCC owns property, leases property or those with Jurisdiction on adjacent property such as, Norwalk Police Department. It provides valuable, standardizes statistics that afford an accurate picture of safety on campus. Additionally, this report will inform current and prospective students, faculty, staff and visitors about the college's policy information, safety tips, resource phone numbers and a brief overview of the many services the college provides, as well as information regarding emergency preparedness and planning, and phone numbers of helpful community resources.

Please familiarize yourself with the resources available to assist you. If you have any questions or would like more information regarding campus safety and security, please contact me at 203.857.7219 or visit the Security website.

Robert M. Studivant
Director of Security
Norwalk Community College

Reporting a Crime or Emergency

All students and employees are encouraged to report if they are the victim of a crime, observe a crime in progress, or believe a crime may be in progress. If a life-threatening emergency is taking place, call 9-1-1 first, then call the Department of Security at the appropriate campus.

Confidential Reporting Procedures

Crimes can be reported on a voluntary, confidential basis for inclusion in the Annual Security Report. Norwalk Community College encourages anyone who has witnessed, or been a victim of a crime to immediately report the incident by dialing 911, or for a non-emergency you can call Campus Security at 203.857.7223. About the Clery Act

NCC's Annual Security Report is prepared and distributed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), as amended by the Higher Education Opportunity Act (HEOA), and all implementing regulations issued by the US Department of Education (34 C.F.R. Part 668.46). The act is named in memory of Jeanne Clery, a Lehigh University freshman who was assaulted and murdered in her residence hall in 1986. This report has been prepared to meet the requirements of this act.

The Clery Act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees and to make public their campus security policies. It also requires that crime data is collected, reported and disseminated to the campus community and is also submitted to the United States Department of Education (www.ed.gov). The Act also mandates that an institution make a reasonable, good-faith effort to obtain the required statistics and may rely on the information supplied by a local police or state police agency. NCC collects the data from Campus Security reports, CSAs, and the City of Norwalk Police

https://norwalk.edu/security/annual-security-report/
Department

The act is intended to provide students and their families, as higher education consumers, with accurate, complete and timely information about safety on campus so that they can make informed decisions.

Clergy Act Revisions

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA), which, among other provisions, amended sections of the Jeanne Clery Act. Most notably, VAWA amended the Clery Act to require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in their Annual Security Reports.

The Clery Act now requires universities and colleges to include four general categories of crime statistics:

- Criminal Offenses
- Hate Crimes
- Violence Against Women’s Act (VAWA) Offenses
- Arrests and Referrals for Disciplinary Action

Statistics must be disclosed separately for each of these four general categories. This means that when an incident meets definitions in more than one of these categories, it must be reported in each category.

Sex offenses are no longer classified as whether “forcible” or “non-forcible.” The Clery Act now requires sex offenses to be addressed in four separate categories:

- Rape
- Fondling
- Incest
- Statutory Rape

Beginning with reports due in 2015, institutions are required to include the total number of “unfounded” crime reports. A crime is considered unfounded for Clery Act purposes only if sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless.

Description + Compliance

To be in compliance with Clery Act regulations, NCC follows all applicable state and federal reporting laws to ensure a safe campus required by the Clery Act.

Reportable offenses for Clery Act purposes are:

- Criminal homicide, including murder and both negligent and non-negligent manslaughter
- Sexual offenses, including both forcible (rape, fondling) and non-forcible (incest; statutory rape)
- Robbery
- Aggravated assault
- Burglary
- Motor vehicle theft
- Arson
- VAWA offenses (domestic violence, dating violence and stalking)
- Hate crimes and any associated larceny, simple assault, intimidation, or destruction, damage or vandalism of property
- Arrests and/or referrals for disciplinary action for weapons law violations, drug abuse violations and liquor law violations
- Unfounded crimes

Geography of Locations

The Clery Act requires institutions to disclose statistics for reported crimes that occur from three distinct Clery geographical locations. The statistical data from on campus, on public property within or immediately adjacent to the campus, and in or on non-campus buildings or property that NCC owns or controls must be included within the Annual Security Report.

Under the Clery Act, the on-campus category includes the following:

- Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and
- Any building or property that is within or reasonably contiguous to the area identified in paragraph (1) of this definition, that is owned by the institution but controlled by another person is frequently used by students, and supports institutional purposes (such as food or other retail vendor).

Under the Clery Act, public property encompasses the following:

- All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

The Clery Act definition of non-campus buildings or property is:

- Any building or property owned or controlled by a student organization that is officially recognized by the institution or
- Any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of institution.

NCC’s geography consists of two main buildings located on each side of Richards Avenue in Norwalk, CT. Each building is respectively named East and West Campus. Both East and West Campus are surrounded by public and private properties. NCC does not have on-campus dorms or on-campus student housing. View the map of locations.

Overview of Campus Security

Public Safety

NCC strongly encourages students, faculty, staff and guests of NCC, to report all crimes and public safety related incidents to the NCC Security Department in a timely manner. NCC is committed to providing the members of the campus community and its visitors with a stable and secure environment. All incidents or crimes reported to Campus Security will be reported as necessary to the College's Administration and to State and local authorities. Campus Security is available during all operational hours of the College, and are located strategically throughout each building.

To report any criminal or suspicious activities that occur on the grounds of NCC, you should call Security by dialing 203-857-7223, or use extension 77223 from any campus phone; or you may call the Director of Security at 203-857-7219, or extension 77219 from any campus phone. Each faculty and staff member has a silent alarm system on their office phone that they can activate during an emergency, which will immediately alert campus security to a possible threat.

Campus Security

The NCC Security Department consists of 15 highly trained security officers and 1 full time support staff employee. All officers receive training in first aid, Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED). Security officers conduct security checks, perform investigations and interview witnesses; monitor surveillance, inspect buildings and access points, control access for visitors and outside vendors, supervise parking, direct traffic and answer calls for assistance, such as motorist assists. Guards must remain alert, and look for anything out of the ordinary throughout their shift. They are primarily responsible for ensuring the safety and security of students, faculty, staff and visitors. They are unarmed and do not have authority to make arrests. NCC does not have a memorandum of understanding (MOU) or any other type of written agreement with any law enforcement agencies, however in the event of an emergency, guards may call for assistance from police, fire or EMS. The Norwalk Police Department or the Connecticut State Police have jurisdiction and respond to incidents on campus.

Security and Access to Campus Facilities

Safety is a core value at NCC, and the College is committed to protecting the health and wellness of all students, faculty and staff. NCC has designed policies and regulations in order to create a safe and secure environment for the members of its community. NCC photo ID's are mandatory for every student, faculty and staff member. Visitors and outside vendors must present a valid (non-expired) photo ID (driver's license, state issued non-driver ID, military ID or passport), to security in order to be admitted to the building. As a State owned facility, the buildings are open to the public during hours of operation. NCC does not have any campus residences therefore, NCC's facilities, functions, and hours of operation vary periodically and are posted on our website. Normal business hours are Monday - Friday, 7 a.m. - 10 p.m., Saturday, 7 a.m. - 5 p.m. and closed on Sundays. As a safety precaution, all north and south entrances to both campuses are locked every day at 10 a.m. At this time, the only way to enter each building is through the main doors. NCC Security officers are posted at each main entrance to ensure the safety and well-being of every student, faculty, staff and visitor of the college.

In the interest of the students, faculty and staff, the campus facilities are maintained and secured by the NCC Security Department and Maintenance personnel. All campus buildings are patrolled daily in order to monitor and inspect the buildings, grounds, devices and systems to ensure that our facilities are fully functional and address any security measures needed.
Emergency Blue Light Telephones

Blue Light phones are devices that are placed around the college campus for students to use in case of an emergency. When the call button is pressed, the phone instantly connects to the dispatcher at the campus security department. NCC has four Blue Light phones all located in the rear of the West Campus.

Evacuation Drills and Periodic Testing of Emergency Devices

A pre-announced evacuation drill must be held at least once each year. Drills will be coordinated by Campus Security. Each department is required to participate in the drill. Security will monitor and assist in the coordination of the drill activities. An emphasis shall be placed on evacuating individuals with disabilities. Following the drill, departments are encouraged to perform a self-assessment of their ability to quickly evacuate. Security will be available upon request to assist in departments’ self-assessments.

NCC Security conducts periodic testing of the emergency devices to maintain proper working order and to facilitate repairs as needed. The following emergency devices or systems will be checked on a weekly basis:

- Elevators
- Hallway telephones
- Conference room telephones
- Classroom telephones
- Burglar alarm panels
- Fire panels
- Fire alarm annunciator panels
- Library handicap entrance doors
- Main lobby handicap entrance doors
- Bathroom alarms – men’s and women’s
- Bathroom Emergency pull cord – men’s and women’s
- Refuge call button outside West Campus
- Blue Light Emergency phones
- Nursing shower emergency cord

Campus Law Enforcement Policy

Crime prevention is a top priority at the College. NCC’s Campus Security has a close relationship with both local and State Police departments. Norwalk Police Department and Connecticut State Police have jurisdiction and respond to all criminal incidents and crimes on campus.

NCC’s Department of Security is located on the East Campus in room E214. Security officers are stationed in the lobbies of the East Campus, West Campus, the Center for Information and Technology (CIT) and the Health, Wellness & Science wing. Routine patrols are continuously made throughout the buildings and parking lots.

The privately contracted and unarmed security force, Security Services of Connecticut, Inc. (SSC), operates under the guidance of the Chief Operating Officer. SSC, the vendor for campus security, is selected according to the rules and regulations of the State of Connecticut bidding process.

NCC’s campus security personnel are not authorized to arrest or detain individuals, but are authorized to ask for identification and to determine whether individuals have a legitimate reason to access the campus.

Crime Prevention and Security Awareness Programs

https://norwalk.edu/security/annual-security-report/
NCC works closely with the community and state law enforcement, and maintains a zero-tolerance policy for all reported crimes. NCC encourages the campus community members to remain aware of personal safety, and work cooperatively with the campus to ensure the security of all. Our College has an excellent record of safety and security, but the campus will remain safe only if we take our responsibilities to ourselves and others seriously.

NCC and the Department of Security take a proactive approach to preventing crimes. We implement many resources and training programs to students, faculty and staff to increase safety, and safe bystander intervention. Some examples include:

- New Student Orientation: The Director of Security will inform students and their families about campus security procedures and practices, as well as encourage students to be responsible for their own security and the security of others.
- Mandatory online training for students titled “Not Anymore.” This training provided critical information about Consent, Bystander Intervention, Sexual Assault, Dating and Domestic Violence, Stalking, and much more.
- The Center for Sexual Assault Crisis Counseling and Education hosted “Where Do You Stand” Campaign, which provided strategies on how to be an active bystander and to help prevent sexual violence.
- Distribution of the monthly Campus Security Newsletter.
- Presentations to academic departments.
- An escort service is provided to all students, faculty and staff. Security officers will provide transportation or a walking escort if this service is needed. Members of the campus community may call security from any phone at 203.857.7223, or use extension 77223 from any campus phone, or visit any of the main entrance security stations.

If you have knowledge of a crime or suspicious circumstance, and would like to report this information anonymously to NCC Security, you can fill out a Crime Stopper Reporting and Tip Line form.

Crime Prevention Tips

- Always be alert and aware of your surroundings
- Park and walk in well lit, frequently travelled areas
- Know your campus safety resources: Learn where Campus Security, the Emergency Blue Light phones, open establishments and offices are located on campus
- Program campus safety numbers into your cell phone
- Always lock your vehicle and do not leave valuables in plain sight
- Do not leave personal items unattended at any time

Committee Structure

NCC has five committees that provide crime prevention and personal safety functions to the College community. The Crisis Response Team (CRT), Campus Awareness Resource Team (CART), the Behavioral Intervention Team (BIT), Campus Emergency Response Team (CERT) and the Emergency Medical Response Team.
Behavioral Intervention Team (BIT)
The Behavioral Intervention Team is a committee appointed by the President of NCC, and the purpose of BIT is preventative. Members include the Chair/Director of Counseling, Academic Dean, Dean of Students, Director of Security, faculty members, counselors and the events coordinator. The President and Chief Operating Officer attend as needed or if requested. The mission of BIT is to help maintain a healthy, safe and secure environment for all students, faculty and staff.

Crisis Response Team (CRT)
NCC's Crisis Response Team is made up of volunteer members who respond, along with security, to reports of a significant behavioral occurrence on campus. A significant behavioral occurrence is defined as a situation where students, faculty, staff or others on campus are reported to be either displaying disruptive and/or threatening behaviors or making threats that will potentially endanger the safety of themselves or others. The crisis responder will provide another person to assess the situation. They will use the skills obtained in the provided training to focus on relevant information, instill hope, convey acceptance and make appropriate suggestions to diffuse the situation. Together, the CRT member and Security can determine the next steps for the situation at hand.

Campus Emergency Response Team (CERT)
In order to provide for an organized response to major emergencies on campus, a Campus Emergency Response Team has been formed to assist NCC in responding to, managing, mitigating and recovering from an emergency. The Team will be responsible for interfacing with off-campus resources and agencies as needed such as local and state governmental agencies and the media. The Team will meet if it has been deemed that a campus emergency has occurred or might occur. The Team works under the direction of the President.

Emergency Medical Response Team
The Emergency Medical Response Team are members of the security staff who are certified by the American Red Cross In first aid, CPR and AED in the use of NCC's four AEDs. In the event of a medical emergency on campus, members of the security force are contacted to respond to the situation until first responders arrive on campus.

Campus Awareness Resource Team (CART)
The NCC Campus Awareness Resource Team (CART), is dedicated to promoting and supporting various mental health and wellness initiatives on the College campus.

The Department of Human Resources is responsible for the training and educational efforts for employees at NCC. Training is being conducted via either in-person seminars or through the online employee training center. NCC Faculty and staff completed the following training courses in 2016:

- Workplace Bullying and Violence Prevention
- Ethics
- Department of Children and Families Mandated Reporting
- Diversity & Sexual Harassment Prevention Training

NCC regularly hosts a broad range of events, activities and training seminars to promote the education, awareness and other crime prevention functions to students, faculty and staff. Educational programs aimed at enhancing safety and wellness throughout the college community are continued throughout the year. Examples include the safety and wellness education and prevention functions to students, faculty and staff. Educational programs aimed at enhancing safety and wellness throughout the college community are continued throughout the year. Examples include mandatory new student orientation, distribution of safety flyers, ongoing table displays, educational posters and brochures, presentations to academic departments, and keynote speakers.

NCC hosts Fresh Check Day “Checking in with College Students,” which is an annual event, focusing on LGBTQ and Suicide Awareness and Prevention. It engages the NCC community to come out for a day of free food, fun, entertainment, games, prizes, arts and crafts and tons of giveaways.

NCC also hosts the annual Health and Wellness Fair, which has over 20 booths staffed by representatives from area hospitals, agencies, clinics, individual practices and other NCC student clubs and organizations.

Campus Security Authority (CSA)
Campus Security Authority is a Clery Act-specific term that encompasses four groups of individuals and organizations associated with an institution.
- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for a campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

If someone has significant responsibility for student and campus activities, he or she is a campus security authority.

NCC encourages the reporting of criminal activity that occurs within the geographic area as defined by the Clery Act directly to the Department of Security, however. The Clery Act requires that institutions disclose the statistics for crimes reported to local police agencies and crimes reported to CSAs as well. The intent of including non-law enforcement personnel (CSAs), is so acknowledge that in some instances members of the security team can be perceived as intimidating to the person in distress and a CSA can provide another perspective to the situation. In any case, the victim and the campus-affiliated individual who is acting as a CSA, must know their responsibilities under the Clery Act crime reporting so that no crime will be ignored. CSAs should immediately report the criminal activity to the Department of Security who will prepare an incident report. CSAs are not responsible for determining whether a crime has taken place, or for trying to convince any alleged victims to contact law enforcement authorities.

CSAs include the Chief Operating Officer, Director of Security and all security staff, the Dean of Academics, the Dean of Students, the Title IX Coordinator who also acts as the Chief Diversity Officer and Advisor to the President, the Director of the Counseling Center, the Director of Student Activities, the Phi Theta Kappa Coordinator and all faculty advisors to student groups and organizations.

Norwalk Community College Crime Statistics

The Clery Act requires institutions to maintain a record of all incidents and crimes in a Daily Crime Log. The Log is available to the public for review at the Information Desk in the East Campus and is maintained by Campus Security. Entries older than 60 days will be made available within two business days of a request for public inspection. A crime is entered into the Log when it is reported to the Campus Security Department. If a crime is initially reported to a CSA other than the Security Department, it is not recorded in the Crime Log until it is subsequently brought to the attention of Campus Security personnel. Crime Log entries include all crimes reported to the Campus Security Department, not just Clery Act crimes. In addition to recording reported crimes that occurred on campus, crimes that occur in on or non-campus buildings or property, or on public property within the campus or immediately adjacent to and accessible from the campus can also be found in the Crime Log. NCC has no officially recognized student organizations with non-campus locations.

Collecting the Data

Crime statistics are reported annually to the US Department of Education. The Clery Act requires that an institution make a reasonable, good-faith effort to obtain the required statistics and may rely on the information supplied by a local or state police agency. The information found in the Annual Security Report consists of data that is collected from the following sources: Campus Incident Reports, CSAs, and the City of Norwalk Police Department. Individuals filing reports are kept confidential unless required by law for the health and safety of the reporter or public at large. This report is available on the NCC website no later than October 1st annually.

Emergency Response + Evacuation

Timely Warnings

Timely warnings are provided in the event of a reported crime, either on campus or off, that in the judgment of the C.O.O. and the Director of Security, constitutes an ongoing or continuing threat to the College community. The C.O.O. and Director of Security will alert the campus community of crimes in a manner that is timely and that will aid in the prevention of similar crimes. They will decide on a case by case basis if a situation calls for a timely warning. Warnings can be issued for threats to persons, as well as threats to property. Notification to the campus community will be made by these same procedures upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty and staff on campus. The warning will be issued to all students, faculty, and staff via one or more of the following means:

- Text Message Alerts through myCommNet Alert notification system
- NCC phone message – main external telephone number
- E-mails
- Internal College – Voicemail message
- NCC website – Homepage message
- Electronic Information Screens
- Posted Flyers

Emergency Action Plan

NCC has developed a comprehensive Emergency Action Plan to prepare for a significant emergency or dangerous situation, involving an immediate threat to the health or safety of the students or employees occurring on campus. The purpose of this plan is to provide guidelines, assign responsibilities, and increase awareness in responding to emergencies that may impact the College community. The President and/or the Chief Operating Officer will initiate the emergency response procedure in accordance with NCC’s Emergency Action Plan. At the same time, without delay and taking into account the safety of the community, the President and C.O.O will determine the content of the notification, and initiate the emergency procedures. View the Emergency Action Plan.

Emergency Alert System

NCC’s emergency alert system is one of the many notification tools that the College will use to alert the college community of an emergency situation and of closings and delays due to inclement weather. In order to register, simply log into myCommNet, and click on the myCommNet Alert box in the middle of the page. You will be prompted to enter your name, phone and email to receive alerts. NCC will send urgent text messages and emails to those who are registered in their system.

Building Evacuation, Shelter in Place, and Lockdown Procedures

The President and/or the C.O.O. and the Director of Security, will determine if there is a significant emergency or dangerous situation on campus. When the decision has been made to either evacuate the building, go to shelter in place or put a building or buildings on lockdown, you will hear the announcement through the use of the Simplex Fire Alarm voice system and the NCC phone system. Become familiar with the emergency procedures listed below, and know in advance the specific procedures to follow. The safety and protection of students, faculty and staff is always the primary concern.

Shelter in Place

Gunfire or sniper actions are unpredictable and fluid situations, which do not allow for set methods of response. The shooter(s) may have random or selected targets and be motivated by criminal or political convictions or stimulated by mental, emotional or substance abuse problems.

In the event of an emergency necessitating shelter in place due to violent criminal actions such as firearms and other weapons Incidents and barricaded persons and hostage situations, Campus Security will:

- Alert and request the services of any support agencies deemed necessary to provide a response to the incident. The Connecticut State Police is the primary support agency for NCC in reference to major crimes or criminal incidents;
- Working with support agencies, Campus Security will take measures to isolate and neutralize the perpetrator(s), assist and give aid to victims and provide safety for the remaining personnel on campus;
- Make all attempts to alert the campus population to the incident and provide directions and give warning. The use of the Simplex Fire Alarm voice system and the telephone systems will be used as to minimize the effects on the perpetrators of the incident. The physical location, emotional state and the plight of any victims or hostages may be altered or affected in some way by an audible alarm. A verbal CODE RED warning initiated through the Simplex (loudspeaker) or telephone system will be intended to have all faculty, staff, students and others clear the hallways and seek concealment in the nearest office, classroom or enclosure;
- If possible, laboratories, offices and classrooms shall be secured or locked from the inside. All persons are urged to secure these locations in any manner possible and to avoid doors and windows. DO NOT attempt to move from any location unless grave danger is imminent or some representative of an emergency response agency directs such action;
- Victims are urged to remain as calm as possible and make all attempts possible to notify or have others notify the Campus Security Department of their location, condition, etc. Emergency medical aid will respond as soon as safely possible;
- If necessary and if physically able, seek cover and concealment from further harm. DO NOT hide in any manner that will prohibit emergency responders from finding your location;
- Retain as much information as possible regarding the assailant(s);
- Witnesses should call Campus Security via the emergency phone system by dialing ext. 77223, and notify security personnel of the location and condition of victims, numbers and descriptions of any perpetrators as well as the type of weapons and the direction of flight or the location of concealment;
- Witnesses should (must) not confront any armed person or make attempts to disarm or otherwise neutralize any suspect or assailant(s);
- Witnesses should seek cover and concealment. Assist others and obey any directives of emergency response officials.

Campus Evacuation

In the event of an emergency necessitating the evacuation of a building; i.e., fire, explosion, smoke, fumes, or other factors:

- upon notification of an evacuation, do not attempt to gather belongings;
- do not use the elevators;
- Security personal and Faculty/Staff or their designees are responsible for assisting persons with disabilities to exit the building or wait in the area of refuge and direct all students to the safe areas outside the building. Parking lots are designated safe areas, and can be reached simply by following the evacuation instructions

https://norwalk.bc.edu/security/annual-security-report/
posted in every room.
- Proceed to the nearest exit in an orderly fashion
- If the door to your office, lab, classroom, etc. is blocked or you feel heat DO NOT open the door. Place any items available under the door to stop any airflow and yell, scream or place something in a window to attract attention.

Campus Lockdown

In the event of a police emergency it may become necessary to "Lockdown," a building or buildings on campus to protect occupants and minimize the overall exposure to danger.

A "Lockdown" is the temporary sheltering technique, e.g., 30 minutes to several hours, utilized to limit civilian exposure to an "Active Shooter," or similar incident.

Occupants within the subject area will lock all doors and windows not allowing entry or exit to anyone until the all clear has been sounded. This procedure converts any building into a large "Safe Room."

If the Director of Security gives the order to "Lockdown" specific areas or the entire campus, take the following action:

- Follow instructions;
- Try to remain calm;
- Remain indoors, e.g., your office or classroom. Once in "Lockdown," you will be allowed to move about to facilitate certain needs, e.g., bathroom, water, but you are not allowed to leave the building unless an "All Clear," has been given;
- Do not shelter in open areas such as hallways or corridors. Go to the nearest classroom, lecture hall or office that can be locked. Place a sign on the entrance indicating the "Lockdown" is in effect;
- Close and lock all doors;
- Turn off all lights;
- Occupants should be seated below window level, toward the middle of the room, away from windows and doors;
- Remain silent - turn off all radios or other devices that emit sound, silence all cell phones;
- If gunshot(s) are heard lay on the floor using objects e.g., tables, filing cabinets for shelter;
- If safe to do so, turn off gas and electric appliances, e.g., heater, fan, coffee maker, gas valves, lights and locally controlled ventilation systems, e.g., air conditioner, use phones only for emergency notification to the Police Department;
- If outdoors, seek nearby shelter, e.g., large trees, walls, mail boxes, and wait for additional instructions from the Police Department;
- Do not unlock doors or attempt to leave until instructed to do so by Campus Security or the Police Department. The "All Clear," will be announced when it is considered safe.

Policies

College policies exist to ensure a safe, secure and healthy campus environment. Serving, possessing and consuming drugs and/or alcoholic beverages is prohibited on campus and at college-sponsored events or activities. Campus Security will document all reported violations as required by the Clery Act.

- Drugs + Alcohol
- Sexual Misconduct Policy
- Substance Abuse Education
- Weapons Policy
- Sex Offender Registration Policy
- Title IX

Sex Offender Registration Policy

The Campus Sex Crimes Prevention Act of 2000 requires institutions of higher education to issue a statement where one can find information provided by the State of Connecticut with regard to registered sex offenders. That information can be found online here.

The Campus Sex Crimes Prevention Act of 2000 also requires sex offenders, who are registered already within a State, to provide notice to each institution of higher education in that State, at which the person is employed, carries a vaccination, or is a student.

In the State of Connecticut, convicted sex offenders must register with the Sex Offender Registry maintained by the Connecticut Department of Public Safety, Division of State Police, Sex Offender Registry Unit, pursuant to Connecticut General Statutes 54-250.

The Sex Offender Registry information provided under this law is intended to be used for such purposes as the administration of criminal justice, screening of current or prospective employees and volunteers or otherwise for the protection of the public in general and children in particular. Unlawful use of the information for the purposes of intimidating or harassing another is prohibited and a willful violation shall be punishable as provided by law.

Tobacco Policy

On October 1, 2014 NCC implemented a tobacco and smoke-free campus policy to provide a safe and healthy working and learning environment for our staff, faculty, and students. Tobacco is defined as all tobacco derived or contained products, including but not limited to, cigarettes, electronic cigarettes, cigars and cigarillos, hookah smoked products, pipes and oral tobacco (smokeless, chew, snuff). It also includes any product intended to mimic tobacco products or containing tobacco flavoring.

Public Act No. 93-304 (An Act Prohibiting Smoking in Public Buildings) became a law on October 1, 1993. It provides, in relevant part, that smoking is prohibited in any building or portion thereof that is owned, leased, and/or operated by the State of Connecticut.

The findings of the Surgeon General of the United States indicate that passive exposure to cigarette smoke (second hand or passive smoke) is linked to a variety of negative consequences. With that said, the success of this policy depends on the thoughtfulness, consideration and cooperation of tobacco users and non-tobacco users. All members of the college community are responsible for respectfully communicating the policy to students, faculty, staff and visitors.

Drugs + Alcohol

The possession, use, manufacture, sale, and/or distribution of illegal drugs and other controlled substances by students, faculty, or staff at NCC will not be tolerated. All actions consistent with the law and individual privacy will be taken by the College to eliminate drugs on the campuses and to deal fairly with individuals found in violation of both Connecticut's statutes, and federal laws pertaining to such substances. All community members are expected to fulfill their obligations and responsibilities pursuant to NCC policy as well as federal, state, and local laws. Possession, use, manufacture, sale and distribution of illegal substances are crimes. NCC will cooperate with law enforcement authorities to enforce current statutes. Students, faculty, and staff may be subject to prosecution by civil authorities for violations of these laws.

Policy

https://norwalk.edu/security/annual-security-report/
The Board of Regents (BOR) for Higher Education governs Connecticut State Colleges and Universities (CSCU), and are committed to the elimination of drug and alcohol abuse, which is based on the following premise:

American society is harmed in many ways by the abuse of alcohol and other drugs: decreased productivity, serious health problems, breakdown of the family structure, and strained social resources. Problems of illicit use and abuse of substances have a pervasive effect upon many segments of society — all socio-economic groups, age levels and even the unborn. Education and learning are especially impaired by alcohol abuse and illicit drug use.*

*The preceding is a statement of the Network of Colleges and Universities Committed to the Elimination of Drug and Alcohol Abuse

The BOR recognizes that education regarding alcohol and substance abuse is an appropriate and necessary part of contemporary college life. Since the unauthorized use of controlled substances is contrary to state and federal law and regulation, it must be prohibited in any college activity, on or off the college campus. The conditions of alcohol and drug dependency may be considered disabilities/handicaps under state and federal laws and regulations, as well as under the BOR’s policy. Employees and students will not be discriminated against because they have these disabilities. However, all students and employees are considered to be responsible for their actions and their conduct.

These provisions shall apply to all colleges under the jurisdiction of the BOR:

1. No student or employee shall knowingly possess, use, distribute, transmit, sell or be under the influence of any controlled substance on the college campus or off the college campus at a college-sponsored activity, function or use or possession of a drug authorized by a medical prescription from a registered physician shall not be in violation of this provision.

2. All colleges shall develop and enforce policies regarding the sale, distribution, possession or consumption of alcoholic beverages on campus, subject to state and federal consistent with previous Board policy; the consumption of alcoholic beverages on campus may be authorized by the President subject to the following conditions, as appropriate:
   - When a temporary permit for the sale of alcoholic beverages has been obtained and Dram Shop Act Insurance has been purchased;
   - When a college permit has been obtained;
   - When students bring their own beverages and
   - When alcoholic beverages are provided by a student organization and no fee is charged for attendance or for said beverages.

3. All colleges shall provide educational programs on the abuse of alcohol and other drugs and a referral for assistance for students and employees who seek help. Colleges are encouraged to establish campus-wide committees to assist in the development of these programs in particular to campus needs and the identification of referral resources in their respective service planning regions.

4. This policy shall be published in all college catalogs, faculty and staff manuals and other appropriate literature.

5. Failure to comply with this policy will result in a violation of the appropriate disciplinary procedure and may result in separation for the college and referral to the appropriate authorities for (Adopted, November 20, 1989). NCC adheres to the above cited BOR policy regarding alcohol and drugs.

Substance Abuse Education

Students, faculty, and staff should recognize that substance abuse interferes with their abilities to succeed academically and professionally. Substance abuse poses numerous threats to human health and can kill. It is also contrary to what institutions of higher learning strive to attain. The development of individual character; attainment of human potential; informed and responsible citizenship; and respect for the laws and norms governing society.

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver. Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and cognitive deficits. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

Substance Abuse Prevention for Students

NCC provides students with individual counseling services and treatment referrals. Lisa M. Slade, MS, NCC, LPC, a mental health counselor at NCC, has been trained in the Brief Alcohol Screening and Intervention of College Students: A Harm Reduction Approach (BASICS), which is a preventive intervention program for college students 18 to 24 years old. It is aimed at students who drink heavily, and have experienced or are at risk for alcohol-related problems such as poor class attendance, missed assignments, accidents, sexual assault and violence. NCC partners with several mental health and substance abuse agencies who provide outreach and psycho-educational programming on campus throughout the year. In addition, Student Services offers literature regarding substance abuse. Individuals who seek assistance with substance abuse problems are provided information as to where professional help is available. In 2016, The Campus Awareness Resource Team and the Substance Abuse Coalition and Triangle Community Center hosted an event to raise awareness and discuss alcohol abuse.

Substance Abuse Prevention for Employees

NCC’s Human Resource office provides employees with an Employee & Family Assistance Program (EAP). The EAP can help employees and their families with a wide range of concerns that include:
- Stress, Anxiety, & Depression
- Marital & Divorce
- Family & Parenting Problems
- Alcohol & Other Drug Dependencies
- Budget & Debt Problems
- Bereavement & other Losses
- Change in the Workplace
- Child and Elder Care
- Compulsive Gambling
- Layoff Solutions
- Other problems include: legal, eating disorders, family violence, and traumatic incidents

Procedure for requests of the service of alcoholic beverages on campus

Alcoholic beverages may not be consumed on college premises except by those over 21 years of age at approved college social functions. Such functions are held in compliance with State Law and the BOR Policy.

Any request to serve alcoholic beverages must be consistent with the Board of Regents for Connecticut State Colleges and Universities (ConnSCCU)

https://norwalk.edu/security/annual-security-report/
The request must be submitted in writing to the Dean of Students at least four (4) weeks in advance of the event.

- If the sale of alcohol is being solicited, the request must demonstrate that a temporary permit for the sale of alcoholic beverages will be obtained and Dram Shop Act insurance will be purchased.

- A paragraph in the request must describe how alcohol will only be made available to legal age students and/or this includes students bringing their own alcoholic beverages, or beverages being provided free when purchased by a student organization or other group.

- The request must include a plan for a visible education program display or presentation urging responsible drinking of alcoholic beverages during the event.

- Once the Dean of Students has reviewed the request for all necessary compliance, the request will be forwarded to the President for final approval. Approval can only be granted by the President.

**Weapons Policy**

The BOR Policy states, the use or possession of weapons, as defined in Section 53-206 of the Connecticut General Statutes, is prohibited on college campuses. All reported incidents of violence will be taken seriously and will be dealt with appropriately, including prompt evaluation, investigation and response. Any weapon or dangerous instrument will be confiscated and turned over to appropriate law enforcement/public safety authorities. There is no reasonable expectation of privacy with respect to such items on campus. Violations of this policy may lead to disciplinary action up to and including dismissal from employment or expulsion from NCC. Violations may also result in criminal penalties.

**Sexual Misconduct Policy**

**Norwalk Community College Statement**

NCC strives to maintain a safe and welcoming environment free from acts of sexual misconduct and relationship violence. NCC will not tolerate sexual misconduct against students, faculty, staff or visitors, whether it comes in the form of intimate partner violence, sexual assault, sexual exploitation or sexual harassment, as defined in the BOR policy.

In an ongoing effort to prevent sexual misconduct and intimate partner violence on the NCC campus, the College provides education and prevention programs for the NCC community and pursues all criminal and administrative remedies for complaints of sexual misconduct. NCC is a community dependent upon trust and respect for its students, faculty, staff and those visiting or under temporary contract. Members of the college community have the right to a safe and welcoming campus environment. Acts of sexual misconduct and intimate partner violence threaten personal safety and violate the standards of conduct expected of community members.

**Individuals and Entities Affected by this Policy**

This policy applies to anyone on the property of NCC as well as anyone present at NCC-sponsored programs or events. This policy extends to off-campus violations of both students and employees in limited circumstances as noted below:

- **Students:** Off-campus misconduct may be subject to the jurisdiction of the College and addressed through its disciplinary procedures if one of the following conditions is met: (i) a student engages in prohibited conduct at an official College event at a College-sanctioned event, or at an event sponsored by a recognized student organization; or (ii) a student engages in prohibited conduct under such circumstances that reasonable grounds exist for believing that the accused student poses a threat to the life, health or safety of any member of the College community or to the property of the College.

- **Employees:** The decision of whether to investigate and discipline employees for off-campus misconduct will be made by the appropriate College administrator on a case-by-case basis in accordance with collective bargaining agreements, NCC/College policies, and state regulations.

**Statement of Policy**

The Board of Regents for Higher Education (BOR) in concert with the Connecticut State Colleges and Universities (CSCU) is committed to insuring that each member of the College community has the opportunity to participate fully in the process of education and development. The BOR and CSCU strive to maintain a safe and welcoming environment free from acts of sexual misconduct and intimate partner violence. It is the intent of the BOR and each of its colleges or universities to provide safety, privacy and support to victims of sexual misconduct and intimate partner violence.

The BOR strongly encourages victims to report any instance of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence, as an effective means of taking action by reporting such actions to the appropriate officials and pursuing criminal or disciplinary remedies, or both. The only way that action can be taken against anyone who violates one such a manner is through reporting. Each and every BOR governed college and university shall provide those who report sexual misconduct with many supportive options, including referral to agencies that provide medical attention, counseling, legal services, advocacy, referrals and general information regarding sexual misconduct. Each and every BOR governed college and university will preserve the confidentiality of those who report sexual misconduct to the fullest extent possible and allowed by law. All BOR and CSCU employees, victim support persons and community victim advocates being consulted will make any limits of confidentiality clear before any disclosure of facts takes place. Other than confidential resources as defined above, in addition to employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all BOR and CSCU employees are required to immediately communicate to the institution’s designated recipient any disclosure or report of sexual misconduct received from a student as well as communicate any disclosure or report of sexual misconduct the employee received from another employee when misconduct is related to the business of the institution.

Affirmative consent may be given by all parties before engaging in sexual activity. Affirmative consent means an active, clear and voluntary agreement by a person to engage in sexual activity with another person. Sexual misconduct, as defined herein, is a violation of BOR policies and, in addition, may subject an accused student or employee to criminal penalties. The BOR and each of its governed colleges and universities are committed to providing an environment free of personal offenses. Sexual relationships of any kind between staff, faculty and students are discouraged pursuant to BOR policy.

The Board of Regents for Higher Education hereby directs the Connecticut State Colleges and Universities to implement the Policy stated above pursuant to the following provisions:

**Terms and Usage**

- **Consent:** must be informed, given freely, willingly, and knowingly by each participant to desired sexual involvement. Consent is a mutually affirmative, conscious decision — indicated clearly by words or actions — to engage in mutually accepted sexual contact. Consent may be revoked at any time during the sexual activity by any person engaged in the activity.

- **Affirmative consent** may never be assumed because there is no physical resistance or other negative response. A person who initially consents to sexual activity shall be deemed not to have affirmatively consented to any such activity which occurs after that consent is withdrawn. It is the responsibility of each person to assure that he or she has the affirmative consent of all persons engaged in the sexual activity and that affirmative consent is sustained throughout the sexual activity. It shall not be a valid excuse to an alleged lack of affirmative consent that the student or employee responding to the alleged violation believed that the student reporting or disclosing the alleged violation consented to the activity (i) because the responding student or employee was intoxicated or reckless or failed to take reasonable steps to ascertain whether the student or employee responding or disclosing the alleged violation affirmatively consented, or (ii) if the responding student or employee knew or should have known that the student or employee reporting or disclosing the alleged violation was unable to consent because the student or employee was unconscious, asleep, unable to communicate due to a mental or physical condition, or incapacitated due to the influence of drugs, alcohol or other substances.

https://norwalk.edu/security/annual-security-report/
medication. The existence of a past or current dating or sexual relationship between the persons involved in the alleged violation shall not be determinative of a finding of affirmative consent.

Report of sexual misconduct is the receipt of a communication of an incident of sexual misconduct accompanied by a request for an investigation or adjudication by the institution.

Disclosure is the receipt of any communication of an incident of sexual misconduct that is not accompanied by a request for an investigation or adjudication by the institution.

Sexual misconduct includes engaging in any of the following behaviors:

Sexual and Domestic Violence Procedures
Anyone who has experienced sexual violence, domestic violence, dating violence, or stalking should do the following:

— Call a friend, a family member or someone else you trust and ask her or him to stay with you.
— Go to the nearest medical facility/emergency room. It is important to seek appropriate medical attention to ensure your health and well-being, as well as to preserve any physical evidence.

— Do not wash your hands, bathe, or douche. Do not urinate, if possible.
— Do not eat, drink liquids, smoke, or brush your teeth if oral contact took place.
— Keep the clothing worn when the incident occurred. If you change clothing, place the worn clothing in a paper bag.
— Do not destroy any physical evidence that may be found in the vicinity of the Incident by cleaning or straightening the location of the crime. Do not clean or straighten the location of the crime until law enforcement officials have had an opportunity to collect evidence.
— Tell someone all the details you remember or write them down as soon as possible.
— Maintain text messages, pictures, online postings, video and other documentary or electronic evidence that may corroborate a complaint.
