OTHER SUPPLEMENTAL INFORMATION
During calendar year 2020, the College continued its efforts to fully implement the provisions of Connecticut Public Act 14-11, “An Act Concerning Sexual Assault, Stalking and Intimate Partner Violence on Campus”; the Federal “Violence Against Women Reauthorization Act of 2013”; and the new requirements of the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. Quinebaug Valley Community College is committed to fulfilling its duty under these laws to provide a safe environment for students, faculty, staff and visitors.

Building upon its 2019 efforts and the changes to sexual misconduct case reporting and investigating processes that were instituted by the Department of Education in Summer 2020, the College has strengthened its permanent compliance infrastructure. QVCC continues to partner with the Sexual Assault Crisis Center of Eastern Connecticut (SACCEC) to provide assistance, advocacy, emotional support and counseling to victims of sexual violence. The College also continues its partnership with United Services, Inc. to provide similar support services for victims of domestic violence. Both third party vendors provide services to victims with the highest level of confidentiality allowed under State and Federal laws. Support services at the third party vendors are accessible to victims by telephone hotlines on a 24/7 basis. Representatives from each vendor serve as members of QVCC’s Campus Resource Team and provide on campus training opportunities to QVCC students, faculty and staff (See attachments 1A and 1B for copies of the MOAs with each provider).

QVCC’s Campus Resource Team (CRT) continued to be active in 2020 despite the safety protocols implemented due to the Covid-19 pandemic. The full CRT, including representatives from the third party providers, met via MS Teams once in the spring semester and four times in the fall semester.

During the summer, QVCC’s Title IX page was revamped by the Campus Co-Coordinator to include the updated Department of Education’s policies and procedures related to sexual misconduct, an events link, support contact information, and training information: https://qvcc.edu/affirmative-action/title-ix/. These policies and procedures are the same ones that all CSCU System institutions adhere to regarding sexual assault, stalking, and intimate partner violence: http://www.ct.edu/regents/policies.

Members of the CRT, including representatives from our third party providers, were also updated on the latest changes to the Title IX rules and trained on best practices for conducting sexual misconduct investigations through SUNY’s Student Conduct Institute https://system.suny.edu/sci/postedtraining. A digital incident report form was initiated as well to help facilitate the reporting process, especially since most students were not physically on campus during 2020 TITLE IX Incident Report (Page 1 of 6) (office.com).

During the fall semester, in addition to the CRT meeting virtually four times, all QVCC students were required to complete the "Not Anymore" training or the “Rethinking Relationships” refresher training, depending on whether they were new or returning students. 54% of new students completed “Not Anymore” and 69% of returning students completed “Rethinking Relationships.” This was an improvement in completion rates from 2019, up from 52% and 54% respectively.

Furthermore, CRT members and students were able to attend a number of training sessions under the auspices of the S.A.F.E. grant. This consortium grant was received by the CSCU system to
reduce domestic violence, dating violence, sexual assault, and stalking. The grant has paid for a number of training sessions for CRT members during 2020. A list of the training sessions held in the calendar year of 2020 is attached (1C).

Throughout the year, information about resources available to victims of sexual assault, domestic violence, and stalking was available on Campus Resource Board and Title IX webpages: https://qvcc.edu/student-resources/campus-resource-team/ and https://qvcc.edu/affirmative-action/title-ix.

The College continued its partnership with a third party security firm to provide guards on campus from 7:00 a.m. until 10:00 p.m. The guards provide on-site patrolling as well as monitoring of the security camera system, responding to events as necessary. Our security guards are not armed. We rely on Troop D of the CT State Police to respond to serious incidents. We have an excellent relationship with Troop D and their station is located less than five minutes away.

QVCC is proud of its continuing progress during 2020 to comply with the requirements of PA 14-11 and look forward to updating the Legislature one year from now.
