*Click on the blue underlined links for access to documents.*

- I. Convene Meeting
- II. Posting of the [Notes of the October 18th meeting](#)
- III. Charge of the Task Force
  1. identify the needs of children using the...tenets of the whole child initiative...;
  2. recommend new programs or changes to existing programs operated by educators or local or state agencies to better address the needs of children in the state;
  3. recognize any exceptional efforts to meet the comprehensive needs of children by educators, community members or local or state agencies;
  4. identify and advocate for resources, including, but not limited to, funds required to meet the needs of children in the state;
  5. identify redundancies in existing services or programs for children and advocate for the elimination of such redundancies; and
  6. assess all publicly available data concerning the comprehensive needs of children identified pursuant to subdivision (1) of this subsection [i.e., the tenets of the whole child initiative] ...and collect, or make recommendations for the state to collect, any data that is not being collected by educators, community members or local or state agencies.
